MILITIA FLAGS OF THE REVOLUTION.

WESTMORELAND COUNTY FLAG.

This flag, yet in existence, is made of heavy crimson watered silk. In right upper corner the cross of St. George. In center a rattlesnake coiled, with head erect in the attitude of striking; underneath on a scroll the words "Don't Tread on Me;" above, the letters "J. P." over those of "I. B. W. C. P." These stand for John Proctor, First Battalion Westmoreland county Provincials.

FLAG OF HANOVER ASSOCIATORS.

A description of this flag is given in a letter of Col. Timothy Green, commanding the Hanover battalion. It was of crimson watered silk, six feet long by five and one-half feet wide. It contained a figure in the garb of a frontier rifleman, with gun ready, underneath being the motto "Liberty or Death."

STANDARD OF PHILADELPHIA LIGHT HORSE.

The standard of the Light Horse of Philadelphia of bright yellow silk, is forty inches long and thirty-four inches broad. Its canton is twelve and one-half inches long and nine and one-half inches wide, and is of thirteen blue and silver stripes alternating. In the centre a shield of blue with scrolled edging of gold. The crest is a horse's head, bay, with a white star on the forehead. Over the head of the charger is the monogram "L. H." (Light Horse). The supporters are to the *right* an American Indian, to the *left* an angel blowing a golden trumpet. Underneath on a scroll the motto, "For these we strive." This standard was engraved for the History of the City Troop published in 1874, its centennial.

NON-ASSOCIATORS—1779.

It is more than probable the lists are those of assessment for the townships named, although the papers are endorsed "Return of Non-Associators." By referring to the rolls of associators for that year [1779], many names will be there found which appear on these rolls.]

Which Committee are to be and continue from this time until one month after the rising of the next Continental Congress, with full power to transact such business, and enter into such associations, as to them shall appear expedient.

After the above Committee was chosen, they proceeded to appoint a Chairman and Secretary, when Anthony Wayne, Esq., was elected Chairman, and Francis Johnston, Esq., Secretary; the following Resolves were passed unaimously:

1st. That any twelve or more of the said Committee, meeting upon due notice, be empowered to enter into and transact all such business as shall come under their consideration, provided that the majority agreeing shall not be less than twelve.

2d. That the present unhappy situation of the public affairs in general, and of this Province in particular, render it highly necessary a Provincial Congress should be held as soon as possible, for which twelve persons shall be appointed out of the said Committee, as Delegates to attend the said Convention, at such time and place as shall be generally agreed on,

The Committeee then adjourned till Monday, the 9th of January, 1775, to meet at the house of David Cowpland, in the Borough of Chester, at ten o'clock A. M., at which time and place it is expected that each member will give due attendance.

By order of the Committee.

FRANCIS JOHNSTON, *Secretary.*

IN COMMITTEE, *March 20, 1775.*

Pursuant to adjournment and public notice given, the Committee of Chester County, met at the house of Richard Cheyney, in East Caln.

On motion, Ordered, That Mr. Hoekley, Mr. Johnston, Mr. Gronow, Mr. Lloyd, Mr. Frazer, Mr. Moore and Mr. Taylor, be and they are hereby appointed a Committee to essay a draught of a Petition to present to the General Assembly of this Province, with

regard to the manumission of Slaves; especially relating to the freedom of infants hereafter born of black women within this Colony, and to make report of the same to this Committee at their next meeting.

On motion, Ordered, That each member in this Committee will use his utmost diligence in collecting the several sums of money subscribed for the use of Boston, and pay the same into the hands of Anthony Wayne, Esq., Treasurer, at the next meeting of this Committee.

The Committee then adjourned to meet at the house of Mr. David Cowpland, in the Borough of Chester, on Wednesday the 31st of May next.

By order of the Committee,

FRANCIS JOHNSTON, *Secretary.*

IN COMMITTEE, *May 15. 1775.*

At a meeting of the Committee for the County of Chester, at the Borough of Chester, May 15, 1775, Anthony Wayne, Esquire, in the chair, the following Resolves were made, viz:

Whereas, The British Parliament, instead of hearing our just complaints or showing the least regard to the dutiful and loyal Petition of the late Continental Congress in behalf of America, have proceeded to fresh acts of tyranny and oppression, which, added to an Address of both Lords and Commons to His Majesty, declaring the inhabitants of the Province of Massachusetts Bay to be in a state of open rebellion, and several of the other Colonies encouragers of the same, have induced the soldiery under the command of General Gage, at Boston, to commence a civil war, by wantonly firing upon and murdering a number of the inhabitants of that Province. And whereas, The said Address militates equally against all the inhabitants of the other Colonies, who have the virtue to refuse obedience to laws and measures destructive to the best rights and liberties of America, which, if suffered to take effect, must inevitably reduce these Colonies to a state of abject slavery, from which, in all probability, no human efforts would ever be able to rescue them, and although we will not yield to any of our fellow-subjects in point of duty and loyalty to our most gracious Sovereign, yet we cannot be so far negligent of our own happiness as totally to neglect providing for our common safety.

Therefore, resolved unanimously, 1st. That it is the indispensable duty of all freemen of this County immediately to form and enter into Associations for the purpose of learning the military art, and that they provide themselves with proper Arms and Ammunition,

to be ready in case of emergency to defend our liberty, property and lives against all attempts to deprive us of them. And we solemnly engage to promote such Associations to the utmost of our power.

2d. Resolved, nem. con., That no powder be expended in this County, except on emergent occasions, and the store and shop-keepers are requested not to dispose of any, except to some one or more of this Committee, who are ordered to purchase the same.

3d. Resolved, nem. con., That this Committee, confiding in the wisdom and virtue of the Continental Congress now sitting in Philadelphia, will adopt and use their utmost endeavours to carry into execution, all such measures as the said Congress shall recommend for the preservation of American Liberty.

4th. Resolved, nem. con., It is earnestly recommended to every subscriber in this County for the relief of the poor in Boston, that they immediately pay the same, as it is much wanted for the benevolent purposes intended.

5th. Resolved, nem. con., That each member of this Committee will give his attendance at the Borough of Chester on the 31st of this instant, at ten o'clock A. M., in order to consult the Justices, Grand Jury and Board of Commissioners and Assessors, on ways and means to procure a proper quantity of Arms and Ammunition for the use of this County.

The Committee then adjourned to the time and place above mentioned.

By order of the Committee.

FRANCIS JOHNSTON, *Secretary.*

IN COMMITTEE, CHESTER, *May 31, 1775.*

WHEREAS. It appears very necessary, in order to avert the evils and calamities which threaten our devoted Country, to embody ourselves and make all the military preparations in our power, and it appears absolutely impossible to carry this laudable design into execution, without observing the greatest order, harmony and concord, not only under the laws of civil Government, but also while under arms and on actual duty.

We, therefore, unanimously recommend the following Association to be entered into by the good people of this County :

“ We, the subscribers, do most solemnly resolve, promise and engage, under the sacred ties of honour, virtue and love to our Country, that we will use our utmost endeavours to learn the military exercise, and promote harmony and unanimity in our respective Companies; that we will strictly adhere to the rules of decency during duty; that we will pay a due regard to our Officers; that we will, when called upon, support with our utmost abilities the civil Mag-

istrate in the execution of the laws for the good of our Country, and that we will at all times be in readiness to defend the lives, liberties and properties of ourselves and fellow-countrymen against all attempts to deprive us of them.”

Information being lodged with this Committee that William Moore, Esq., has expressed himself in terms inimical to the liberties of America, and derogatory to the Continental Congress, and as a special Committee is now appointed to examine into the affair, the public are desired to suspend their judgment until Mr. Moore has had an opportunity to exculpate himself from the charge, or make proper acknowledgment to his Country.

By order of the Committee.

FRANCIS JOHNSTON, *Secretary.*

IN COMMITTEE, *June 6, 1775.*

The Committee met pursuant to appointment in the Township of Charlestown, and proceeded to examine into the charges lodged against William Moore, Esquire, setting forth that he was inimical to the liberties of America, and that he had expressed a design to oppose the present Association.

Mr. Moore being ill, was waited on by two of the Committee, with copies of the several charges exhibited against him, to which, after due consideration, he returned the following answer, viz:

GENTLEMEN: I have read the different charges against me, which have been laid before you, and am extremely sorry for any unguarded expression therein contained that may have dropped from me; for, believe me, I have no interest but what is for America. I wish well to every individual in it, and pray that its liberties may be preserved to the latest times. I also further declare that I have of late encouraged, and will continue to encourage learning the military art, apprehending the time is not far distant when there may be occasion for it.

I hope, gentlemen, this will be satisfactory to you.

I am now an old man, and cannot possibly entertain a thought but what is friendly to America, in which I am to leave my family and all that is dear to me; and the short time I have to live, I wish to seek peace with all men.

Witness my hand this 6th of June, 1775.

WM. MOORE.

To Anthony Wayne, Esq., Chairman of the Committee of Chester County.

On motion, *Resolved nem. com.*, That Wm. Moore, Esquire, has made a proper acknowledgement, and given a satisfactory answer to this Committee; Therefore,

Ordered, That this proceeding be published, to the end that Mr. Moore's person and property may remain free from injury on account of anything that has heretofore been alleged against him respecting public matters.

By order of the Committee.

LEWIS GRONOW, *Secretary pro tem.*

The gentlemen officers are therefore hereby earnestly requested to attend for the above said purposes.

IN COMMITTEE, *September, 25, 1775.*

WHEREAS, Some persons, evidently inimical to the liberty of America have industriously propagated a report, "That the Military Associators of this County, in conjunction with the Associators in general, intend to overturn the Constitution, by declaring an independency, in the execution of which they are to be aided by this Committee, and the Board of Commissioners and Assessors, with the arms now making for this County;" and as such report could not originate but among the worst of men, for the worst of purposes, this Committee have therefore thought proper to declare, and they do hereby declare their abhorrence even of an idea so pernicious in its nature, as they ardently wish for nothing more than a happy and speedy reconciliation, on constitutional principles, with that State from whom they derive their origin.

By order of the Committee.

ANTHONY WAYNE, *Chairman.*

This Committee do recommend it to the inhabitants of each Township within this County, to meet at their usual place or places for holding elections in the same, on Wednesday, the 11th of October instant, at two o'clock in the afternoon, in order to choose one or more Committee-Men to represent them in Committee for the

1st. PROCEEDINGS OF COMMITTEE.

NEWTOWN, *January 16, 1775.*

A large majority of the Committee chosen in said County, on the 15th of December last, in pursuance of notice for that purpose given, this day assembled in said town, and unanimously choose.

JOHN HART, Esq, *Chairman*, and
JOHN CHAPMAN, *Clerk*.

The Committee then taking into consideration the measures recommended by the Continental Congress, for the redress of American Grievances, entered into the following Resolves, unanimously:

1st. That we highly approve of the pacifick measures recommended by the Continental Congress, for the redress of American Grievances, and do hereby render our unfeigned thanks to the

worthy gentlemen who composed that august assembly, for the faithful discharge of the trust reposed in them.

2d. That we hold ourselves bound, in justice to ourselves, our prosperity, our King, and our country, strictly to observe and keep the Association of said Congress, especially as it is recommended to us by the united voice of our Representatives in Assembly, and, as a Committee, will use our utmost endeavors to have it carried into execution.

3d. That we hold it our bounded duty, both as Christians and as countrymen, to contribute towards the relief and support of the poor inhabitants of the Town of Boston, now suffering in the general cause of all the Colonies; and we do hereby recommend the raising of a sum of money for that purpose, to every inhabitant or taxable in this County, as soon as possible.

The Committee then taking into consideration a late Resolve of the Committee of the City of Philadelphia, setting forth an absolute necessity that the Committees of the counties of this Province, or their Deputies, be requested to meet together in Provincial Convention, on the 23d day of January, instant, cannot conceive, from any information we have had, the necessity of such Provincial Convention, or that any good effects can be produced thereby, towards carrying into execution the Association so clearly pointed out to us by the Continental Congress.

Voted, That Joseph Hart, John Wilkinson, Henry Wynkoop, Joseph Watson, and John Chapman, or any three of them, be a Committee of Correspondence, and that Henry Wynkoop be Treasurer, to receive such charitable donations as may be collected, in pursuance with the third Resolve of this Committee.

JOHN CHAPMAN, *Clerk.*

IN COMMITTEE, *May 8, 1775.*

At a meeting of the Committee of the County of Bucks, held this day at the house of Richard Deedom,

Resolved unanimously, That notwithstanding the disapprobation we have hitherto shown to the prosecution of any violent measures or opposition, arising from the hopes and expectations that the humanity, justice, and magnanimity of the British Nation would not fail of affording us relief; being now convinced that all our most dutiful applications have hitherto been fruitless and vain; and that attempts are now making to carry the oppressive Acts of Parliament into execution by military force, we do therefore earnestly recommend to the people of this County to form themselves into Associations in their respective Townships, to improve themselves in the military art, that they may be rendered capable of affording their Country that aid which its particular necessities may at any time require.

Joseph Hart, John Kidd, Joseph Kirkbride, James Wallace, and Henry Wynkoop, or any three of them, are appointed as Delegates to meet in Provincial Convention, if any should be found necessary.

The Committee request all persons who have taken subscriptions for the relief of the poor of Boston, as soon as possible to collect and pay the same into the hands of the Treasurer, Henry Wynkoop, that it may be speedily applied towards the benevolent purpose for which it was intended; and at the same time, to give those who have not subscribed an opportunity to contribute also.

By order of the Committee :

HENRY WYNKOOP, *Clerk pro tem.*

IN COMMITTEE, *July 21, 1775.*

Complaints being made by several officers of the Associated Companies, that sundry persons from various causes had attempted to raise second Companies, in their townships, whereby those already associated were weakened, and in some instances had been greatly insulted.

The Committee having considered the same, are of opinion, that as harmony and unanimity are essentially necessary in prosecuting the present unhappy contest, and as Field-Officers are now appointed for the respective Battalions of the County no second Companies ought to be raised in any Township, without leave being first obtained from them for that purpose.

Whereas, several persons who were chosen members of this Committee in December last, have hitherto neglected to attend the same, and others who have attended, have, from scruples of conscience, made application to be discharged, the Committee therefore requests all those who do not purpose attending for the future to advertise their respective Townships with their determination, at the same time appointing some convenient time and place for the inhabitants to meet, and choose other suitable persons in their room, who are desired to meet the Committee on Monday, the 21st of August, at the house of John Bogart, in Buckingham Township.

By order of the Committee :

HENRY WYNKOOP, *Clerk.*

IN COMMITTEE. *August 4, 1775.*

WHEREAS, The Committee of Safety appointed by the Assembly of Pennsylvania, have requested the Committees of the Several Counties in this Province to make a return to them of all the Officers of the Military Association, in order that Commissions may be made

out for them agreeably to a late resolve of the Continental Congress; and as the several Committees are also requested to make a return of the number of the Associators, and also of the Non-Associators within their respective Districts: The Special Committees of this County do therefore request the Colonels of the several Battallions to furnish the Committee, at their next general meeting, to be held at the house of John Bogart, in the Township of Buckingham, the 21st instant, with lists of all the Officers within their Districts. And the several Captains are also requested to furnish the Committee, at the same time, with exact lists of Associators and Non-Associators within their respective Townships:

Signed by order of the Committee :

JOSEPH HART, *Chairman.*

N. B. All concerned are desired to attend precisely at ten o'clock.

August 4, 1775.

WHEREAS, I have spoken injuriously of the distressed people of the Town of Boston, and disrespectfully of the measures prosecuting for the redress of American grievances: I do hereby declare that I am heartily sorry for what I have done, voluntarily renouncing my former principles, and promise, for the future, to render my conduct unexceptionably to my countrymen, by strictly adhering to the measures of the Congress.

THOMAS MEREDITH.

IN COMMITTEE, *September 11, 1775.*

Thomas Smith, appeared before the Committee, voluntarily, executed the following acknowledgement and declaration, viz :

“ As I have been charged before the Committee for having uttered expressions derogatory to the Continental Congress, invidious to a particular denomination of Christians, and tending to impede the opposition of my countrymen to Ministerial oppression, I do hereby declare myself heartily sorry for my imprudent expressions, and do sincerely promise for the future to coincide with every measure prosecuted for the redress of American grievances, so far as is consistent with the religious principles of the society to which I belong.”

THOMAS SMITH.

Voted, that this be considered as a sufficient satisfaction for his misconduct.

The Members of the Committee are desired to be particular in their attendance at the house of John Bogart, the 9th of October, at ten o'clock in the morning.

By order of the Committee :

HENRY WYNKOOP, *Clerk of Committee.*

IN COMMITTEE, *December 26, 1775.*

This Committee, desirous as much as possible to prevent every species of imposition and extortion, which designing persons, prompted by a sordid attachment to self-interest, and the present scarcity of sundry articles of goods, may be tempted to commit, have directed the republication of the Ninth Article of the Continental Association; and all shop-keepers, and other retailers of goods, are requested to be particularly attentive thereto, as a wilful violation thereof will necessarily incur the penalties recommended in this and the Eleventh article of said Association.

Ninth Article. "Such as are venders of goods or merchandise, will not take advantage of the scarcity of goods that may be occasioned by this Association, but will sell the same at the rates we have been respectively accustomed to do for twelve months last past. And if any vender of goods or merchandise shall sell any such goods on higher terms, or shall, in any manner, or by any device whatsoever, violate or depart from this agreement, no person ought, nor will any of us deal with any such person, or his or her factor or agent, at any time thereafter, for any commodity whatsoever."

By order of the Committee :

HENRY WYNKOOP, *Clerk.*

IN COMMITTEE, *January 21, 1776.*

The Committee of Safety of this Province have lately published a process for making Saltpetre, with a view to induce the inhabitants of this Colony to set about the work; but, as no description, however exact, can so fully answer the purpose of instruction as an actual exhibition of the process, this Committee, at the request of the Committee of Safety, hath appointed James Wallace, Andrew Kichlein, and Joseph Fenton, Jun., to attend the Saltpetre Works in Philadelphia, so as to obtain a competent knowledge of the method practiced at the Saltpetre Works there; that they may be qualified to exhibit the process to such persons as are desirous of being useful to their country, by entering into the manufacture of that useful and necessary commodity; and James Wallace, is, also, appointed to receive all the Saltpetre that shall be made in this county, who will be furnished with Powder, to pay, in that article, one-fourth part the value of the Saltpetre, and the rest of the price will be punctually paid in cash by Mr. Wallace.

By order of the Committee :

JOSEPH HART, *Chairman.*

IN COMMITTEE, *February 27, 1776.*

The following petition was directed to be sent to the General Assembly, viz:

To the Honourable the Representatives of the Freemen of the Province of Pennsylvania in General Assembly met:

The Petition of the Committee of Inspection for the County of Bucks, humbly sheweth:

That, as a general uneasiness prevails among the Associators in this County, on account of the late Military Resolutions of this honourable House, and many persons have signed them under a full persuasion that amendments would be made therein; and as there are many able bodied men, between the age of fifty and sixty years, possessed of large estates, who are entirely exempt from military duty and experience, your petitioners, therefore, humbly pray that the Association may be extended to the age of sixty.

And as the tax upon the non-Associators is considered an equivalent for personal services, and the Associators have no compensation for their arms and accoutrements, not to mention the dangers they will be exposed to when called into actual service, your petitioners pray that an additional tax be laid upon the estates of non-Associators proportionate to the expenses of the Associators, necessarily incurred for the general defence of property.

And, as, by marching whole battalions, or companies of Militia, large tracts of country will be left destitute of men, except those who either hold all resistance unlawful, or such as are disaffected to the present measures, your petitioners, therefore, beg leave to submit it to the consideration of the House, whether it would not be better to direct the Colonels to draft from their battalions such number as shall, from time to time, be requisite, thereby affording an opportunity for those whose circumstances will not always admit their going, to get volunteers in their stead, and, at the same time, leaving sufficient force in every part of the country to quell any local insurrections.

All which your petitioners humbly pray may be taken into the consideration of the House, and such amendments made as you, in your wisdom, shall see meet.

Per order of the Committee:

JOSEPH HART, *Chairman.*

IN COMMITTEE, *May 22, 1776.*

Resolved, That the inhabitants of those Townships in this County who have not already elected persons to take up the Arms of Non-Associators, agreeably to the late resolve of the Assembly of this Province, be requested to meet on Saturday, the 8th of June next,

and choose three persons for that purpose ; and that the members of this Board who inhabit in such Townships will advertise this resolve at some of the most publick places in their Townships, with the hour and place of meeting ; and it is recommended that the persons who shall be so chosen, together with those chosen already, join in their Districts, to execute the said resolve of Assembly, in the following order, viz: Bristol, Falls, Middletown, Newtown, Lower-Makefield, Upper-Makefield, Milford, Haycock, Richland, Bensalem, Southampton, Northampton, Wrightstown, Buckingham, Solesbury, New-Britain, Rockhill, Hilltown, Warminster, Warwick, Warrington, Plumstead, Bedminster, Tinicum, Springfield, Nockamixon, Durham.

By order of the Committee :

JOSEPH HART, *Chairman.*

IN COMMITTEE, *June 10, 1776.*

GENTLEMEN : Your favor of the 21st of May was duly delivered to us by Messrs. Jones and Watkins, in which you were pleased to recommend to us to choose a certain number out of our Committee to meet Deputies from the other County Committees of this Province on the 18th instant, in Provincial Conference, to agree upon and direct the mode for electing member for a Provincial Convention. But as the matters involved in the said recommendation were of so great consequence to the well being of this Province. they thought it prudent to adjourn the determination of it to this day, when they again met, and chose Joseph Hart, John Kidd, James Wallace, Benjamin Seigle, and Henry Wynkoop, or any three of them, to represent this County at the aforesaid meeting. And we heartily wish that happiness and glory may attend it.

By order of the Committee :

I am, gentlemen, your very humble servant,

JOSEPH HART, *Chairman.*

IN COMMITTEE, *July 10, 1776.*

Resolved, That this Committee will use their utmost endeavours that the Resolve of the late Provincial Conference for embodying four hundred of the Associators of this County, be immediately put into execution ; and that the following gentlemen be appointed Officers, being the proportion allotted to this County, viz: *Colonel,* Joseph Hart ; *Captains,* John Follwell, William Roberts, William Hart, Valentine Up, John Janison ; *First Lieutenants,* John Kraesen, Henry Darrah, Hugh Long, Philip Trumbower, Dennis Middleswart ; *Second Lieutenants,* Abraham Dubois, James Shaw,

Jacob Drake, Samuel Deane, John Irwin; *Ensigns*, —— McKis-sack, William Himes, Joseph Hart, Stoffel Keller, John McCam-mon; *Adjutant*, John Johnson; *Surgeon*, Joseph Fenton, Jr.; *Quartermaster*, Alexander Benstead.

Resolved, That where any person or persons within any Township of this County, shall refuse to deliver his or their Firearms to the Collectors of Arms, either chosen or appointed agreeably to a late resolve of the Assembly of this Province, the said Collectors or any of them, shall apply to the Colonel or in his absence the next in command of the Battalion to which the Associators of that Town-ship belong, who shall thereupon give orders to such officer and such number of men as he shall apprehend proper and sufficient to enforce the said resolve of Assembly.

Resolved, That where it shall appear to the Collectors of Arms, that any person or persons have been possessed of good Firearms, and do not deliver them, or satisfy the Collectors where they are, the said Collectors, or any of them, cite such person or persons to appear before this Committee at their next meeting, and satisfy this Board how the said Arms have been disposed of.

Agreeably to two Resolves of the Committee of Safety of this Province, this Committee have appointed Garrett Dungan to cause the Firearms collected from Non-Associators in this County, to be immediately rendered fit for use.

Matthew Bennett is appointed for the First Battalion and Jared Irwin for the Second, Third, and Fourth Battalions of Associators in this County, to seize the guns and mark the size on the breech-pin or lower end of the barrel.

By order of the Committee :

JOSEPH HART, *Chairman*.

BERKS COUNTY RESOLVES, 1774.

At a meeting of a very respectable body of freeholders and others, inhabitants of the county of Berks, at Reading, the 2d of July, 1774, Edward Biddle, Esq., in the chair.

This assembly, taking into their very serious consideration the present critical situation of American affairs, do unanimously resolve as follows, viz :

1. That the inhabitants of this county do owe, and will pay due allegiance to our rightful Sovereign, King George the Third.

2. That the powers claimed, and now attempted to be put into execution by the British Parliament, are fundamentally wrong and cannot be admitted without the utter destruction of the liberties of America.

3. That the Boston Port Bill is unjust and tyrannical in the extreme, and that the measures pursued against Boston are intended to operate equally against the rights and liberties of the other colonies.

4. That this assembly doth concur in opinion with their respective brethren of Philadelphia, that there is an absolute necessity for an immediate congress of the deputies of the several colonies in order to deliberate upon and pursue such measures as may radically heal our present unhappy disturbances, and settle with precision the rights and liberties of America.

5. That the inhabitants of this county, confiding in the prudence and ability of the deputies intended to be chosen for the general congress, will cheerfully submit to any measures which may be found by the said congress best adapted for the restoration of harmony between the mother-country and the colonies, and for the security and firm establishment of the rights of America.

6. That as the people of Boston are now suffering in the grand and common cause of American liberty ;

Resolved, That it is the duty of all inhabitants to contribute to the support of the said sufferers, and that the committee hereafter named do open subscriptions for their relief. And further, that the said committee do lay out the amount of such subscription in purchasing flour and other provisions, to be sent by them to our suffering brethren.

7. That Edward Biddle, James Reed, Daniel Brodhead, Henry Christ, Esqs., Christopher Schultz, Thomas Dundas and Jonathan Potts, gentlemen, be, and they are hereby appointed a committee to meet and correspond with the committees from the other counties of the Province.

PROCEEDINGS OF COMMITTEE.

READING, *December 5, 1774.*

Pursuant to advertisements dispersed through the County, a respectable number of the inhabitants met this day at the Court House, in this Town, and proceeded, by ballot, to the election of a Committee, as recommended by the Congress, when the following gentlemen were duly chosen :

Edward Biddle, Christopher Schultz, Doctor Jonathan Potts, William Reeser, Balsar Gehr, Michael Bright, John Patton, Mark Bird, John Jones, John Old, Sebastian Levan, George Nagel, Christopher Witman, Jacob Shoemaker, and James Lewis.

To the Farmers of Berks County.

READING, *January 16, 1775.*

The Committee of the County of Berks, having considered the Association of the Butchers of this Town not to kill any Sheep whatsoever till the first day of May next, take the liberty earnestly to recommend to the inhabitants of this County, not to sell any Sheep whatsoever to any Butcher from Philadelphia, or elsewhere, till the first day of May. The preserving of wool being an object of the greatest consequence, the Committee flatter themselves that the Farmers will cheerfully observe this recommendation : and as the Committee will meet in Reading, on Tuesday, the 14th day of February next, if any inhabitants have any objections to make to the measure hereby recommended, such inhabitants are requested to attend the Committee to make their objection, that the same may be maturely considered.

Any person having wool, which he cannot dispose of in the country, may bring it to the house of Mr. Mark Bird, in Reading, who will give fourteen Pence per pound for any quantity.

By order of the Committee.

JONATHAN POTTS, *Secretary.*

At a meeting of the Standing Committee for Berks County, held this day, Mark Bird, Esq., in the chair.

The Committee taking into their consideration the present state of the Association in this County, and being persuaded of the pressing necessity of being prepared for defence, do earnestly recommend it to their brethren to sign the Articles of Association formed by the House of Assembly at their last meeting; this Committee trusting that such amendments will be made, at the next sitting of Assembly, as will make the Association not only more effectual, but more consonant to the principles of justice and equality.

And afterwards, at a meeting of the Committee, on the 30th, of the same month,

Resolved, unanimously, That it is the opinion of this Committee, that it will be highly requisite, in case the Assembly should not think proper to make the necessary amendments in the said Association, that a Provincial Convention be held for that purpose; and they do, accordingly, appoint Edward Biddle, Mark Bird, Jonathan Potts, Daniel Brodhead, Baltzer Gheer, Collinson Read, Esquires, and Messrs. Valentine Eckert, Nicholas Lutz, Sebastian Levan, and Richard Tea, to attend the said Convention, in behalf of this County.

By order of the Committee.

COLLINSON READ, *Secretary.*

The Committee of Berks County being justly alarmed at the attempts of the enemies of America, in the different parts of this Province, to depreciate the Continental Currency, and having received information that Gaius Dickenson, a publick Friend, has been one of the instruments in propagating so fatal a measure, the Committee, being determined to support the said Currency, sent for the said Gaius Dickenson, who, being brought before them, made the following Declaration, which was voted satisfactory :

“WHEREAS, I, the subscriber, have unfortunately been guilty of endeavouring to depreciate the Continental Currency, but now being convinced and satisfied that such a conduct is highly unbecoming the duty of an American, and tends immediately to obstruct the measures calculated to preserve the liberties of this country from the cruel and unrelenting oppressions of the British Court, do most sincerely acknowledge the heinousness of such offence, do beg pardon of my offended countrymen, and do also solemnly engage and promise not to be guilty of a like offence in the future, but to conform to such measures as shall be adjudged neces-

sary for the preservation of the rights of America, trusting and confiding that nothing will be expected from me inconsistent with the religious principles of the Society with which I profess. And as a further atonement for my misconduct, I request this acknowledgment to be made publick, in hopes it may deter others from committing the like offence.

“Witness my hand, this thirtieth day of the first month, in the year of our Lord 1776.

“GAIUS DICKENSON.”

At the same time, one William Gilliland, who had been some time in confinement by order of the Committee, was brought up and discharged, after subscribing the following acknowledgment of his misconduct :

“*Whereas*, I, the subscriber, have been so very wicked and abandoned as to speak at sundry times disrespectfully of the honourable the Continental Congress, and also have endeavoured to depreciate their Currency, for which detestable conduct I have, deservedly, been confined in the jail of this County by the Committee of said County, but being now fully convinced of the heinousness and horrid tendency of such conduct, do hereby, in the fullest manner, most sincerely beg pardon of my justly incensed countrymen, and do promise hereafter never to be guilty of the like, but in all instances to conform to such rules and regulations as may be instituted by that very respectable body for the preservation of our invaluable, but invaded, rights and liberties; and do further request that this my acknowledgement may be made publick, that others may be deterred from following my shameful and wicked practices.

“In witness whereof, I have hereunto set my hand, this thirtieth day of January, in the year of our Lord 1776.

“WILLIAM GILLILAND.”

By order of the Committee :

MARK BIRD, *Chairman*.

Committee of Correspondence to the Pennsylvania Delegates.

READING, *February 5, 1776.*

GENTLEMEN: A number of English soldiers who were lately taken in Canada have arrived here, with their wives and children. The Committee were immediately assembled, and, although they were much surprised at so large a party being ordered here without any previous notice, and without any person attending them to supply them with necessaries, yet, understanding it was the pleasure of Congress the said soldiers should be quartered here, they immediately appointed Mr. Henry Haller, a member of the Committee,

to provide houses, fire-wood, and provisions for the party, who must have otherwise suffered much at this severe season. As we are totally unacquainted with the pleasure of the honourable Congress as to the particular quantities of provisions to be allowed these prisoners, we have despatched an express to you, gentlemen, desiring you will, by his return, be pleased to procure and send to us the directions of Congress to govern us in the matter.

As Mr. Haller has been an active member of this Committee, and is a very suitable person, we beg leave to recommend him to be continued as Commissary for the soldiers stationed here.

We are, gentlemen, your most obedient, humble servants.

By order of the Committee of Correspondence :

MARK BIRD, *Chairman*.

To the Honourable the Delegates of the Province of Pennsylvania, in the Continental Congress at Philadelphia.

BERKS COUNTY, *May 11, 1776.*

WHEREAS, It has been proved before the Committee that I, the subscriber, have designedly thrown out many expressions to discourage the good people of this and the neighboring County of Northampton from taking up arms against Great Britain, and have also written several letters for that purpose: I do hereby acknowledge the truth of the said charge, and beg pardon of the publick for my conduct, and do promise and engage that I will support the present opposition, as much as in my power, against all the enemies of America, and for the future conduct myself in such a manner as shall give no offence to my neighbors concerned in the same, or in any wise prevent the prosecution of the measures of the honourable the Congress, or of any publick body acting under them.

Witness my hand this 11th of May, 1776.

COLLINSON READ, *Secretary*.

At a meeting of the Standing Committee of the county of Berks held this day, Mark Bird, Esquire, in the Chair.

Resolved, That as some people have declared that no obedience ought to be paid to the civil authority, because a Government will shortly be founded on the authority of the people in the room of the present Government; and as such a conduct will only serve to introduce confusion and disorder, and endanger the lives and properties

of every individual in society, it is the opinion of this Committee, and they are determined to support the same to the utmost of their abilities, that the same obedience should be paid to the civil authority as used to be paid to it, till a new Constitution shall be formed by a Provincial Convention, and commissions shall be issued by virtue of the new legislative authority for the appointment of Courts and Magistrates, to preserve the peace and administer justice to the people; and then the authority of the present Courts and Magistrates will cease of course.

By order of the Committee:

COLLINSON READ, *Secretary*.

READING, *June 15th 1776.*

At a meeting of the Standing Committee for Berks county, held this day.

Ordered, That the following Resolve of this Committee, and the Acknowledgements of John Ebeling, Matthias Rhodes, Jonathan Rhodes, and Henry Kettner, be published in the English and German Papers.

COLLINSON READ, *Secretary*.

WHEREAS, The Honourable the Continental Congress have recommended it to the several Assemblies, Conventions, Councils, and Committees of Safety of the several United Colonies, to cause all persons to be disarmed within their respective Colonies who are notoriously disaffected to the cause of America, or who have not associated and refuse to associate for the defence of these Colonies by arms against the hostile attempts of the British fleets and armies, and that such of the said Arms as are fit for use, or which can be made so, be appraised, as by the said recommendation of Congress is directed; in pursuance whereof the Assembly of this Province have resolved that three shall be chosen by the inhabitants of every Township in the Province, who shall meet those chosen by the two adjoining Townships, to collect the arms from the disaffected persons and non-Associators aforesaid; and have further directed that the Committees of Inspection and Observation in each County shall take care that the said recommendation of Congress be effectually put in execution: And whereas some people in Berks County, in contempt of the said authority, have refused to deliver up their Arms to said collectors, and put the Committee to the disagreeable necessity of taking proper notice of their conduct; this publick notice is given, as well to the said disaffected persons and non-Associators as to the said collectors in this County, that the Committee will afford all the assistance in their power to the said collectors in procuring the Arms aforesaid; and in case of their neglect or refusal to do their duty, will take such notice of them, and such further measures as will answer the intention of the said resolves.

Whereas, It hath been proved before the Committee of Berks county, that we, the subscribers, have been guilty of spreading a report that the Officers of the Militia Company of Colebrookdale Township, in the said County, had sold their men to the Colonel of the Battalion to which they belonged. We do hereby acknowledge our misconduct, and beg pardon of the Officers of the said company for spreading the said report, and do promise for the future to conduct ourselves so as to give no offence to the said company or any other of the Associators of this county.

Witness our hands :

MATTHIAS ROTH,
JONATHAN ROTH.

June 15, 1776.

Whereas, I, the subscriber, have greatly abused the persons appointed to collect the Arms of the non-Associators in the Township of Berne, in Berks County, for which I was justly confined by the Committee of the said County ; I do therefore beg pardon of the publick for my misconduct, and promise to behave myself for the future so as to give no offence to the publick, or opposition to the measures of the Congress, Assemblies, or Committees, acting by their authority.

Witness my hand :

HENRY KETTNER.

June 15, 1776.

Whereas, I, the subscriber, have declared that no person who hath taken the oaths of allegiance to the king ought to be permitted to hold any office in the Militia, and that Henry Christ and Baltzer Gheer, Esq.'s were unfit persons to be Colonels for that reason ; and whereas I am now convinced that if such an opinion should prevail it would occasion the removal of many worthy officers who have taken the said oaths before the same were dispensed with by the honourable Congress, and promote great disturbances among the Associators : I do therefore, hereby declare that I look upon the said opinion as unjustifiable and wrong, and beg pardon of Colonel Gheer for the disturbance my declaring the same hath produced in his battalion ; and I do engage for the future not to mention the same, or any other matter which may tend to the disturbance of the Associators, or other persons engaged in the support of the publick measures necessary at this time.

Witness my hand :

The Committee proceeded to elect a Chairman and Clerk, when Captain John Humbright was unanimously appointed Chairman during the continuance of this Committee, and Thomond Ball, Clerk.

A return was presented to this Committee, signed by William Scull, Esq., Chairman of a meeting of the officers and committeemen of the lower division of this county, held at Northumberland the 7th inst., certifying that the following gentlemen were duly elected field officers for the Battalion of said division, viz ;

Samuel Hunter, Esq., Colonel.

William Cook, Esq., Lientenant Colonel.

Casper Weitzel, Esq., First Major.

Mr. John Lee, Second Major.

Resolved, That we accept of the same as a true return, and that the gentlemen therein mentioned be recommended to the Hon. Assembly or Committee of Safety to be commissioned accordingly.

Complaint being made that the battalion of the upper division of this County have not yet met so as to have a fair election for field officers.

Resolved, That it be recommended to the officers, with three committeemen from each township in said division, to meet at the house of John Scudder, on Saturday, 24th inst., to elect their field officers and return them to this committee on Monday, 26th, inst., in order to be recommended to the Committee of Safety.

Resolved, That the absence of several gentlemen chosen Captains of companies in this county (upon their several occasions) and such as did appear (from the short notice they have had) not being provided with as regular returns of their officers and companies as we think can authorize our recommendation of said captains or their

subalterns to the Assembly or Committee of Safety of this Province, to remedy this inconvenience it is recommended to the committeemen of each township to advertise a meeting of the several companies on Wednesday 21st inst., at such places as the majority of the committeemen shall think most convenient, where, under the inspection of two or more committeemen, each company shall establish their present, or elect other officers, as they shall think proper, and the captains so established or elected shall make returns of their subalterns and companies to this committee on Monday 26th inst. It is expected that no gentleman will offer to return a company that does not consist of forty privates with the officers and non-commissioned officers, agreeable to the regulations of our Hon. House of Assembly.

Resolved, That if a committeeman or committeemen be elected officers, one or more magistrate or magistrates present may certify for them, and if no magistrate be present, then two or more reputable men certifying for the justness of the election will be accepted of.

Resolved, That it is the opinion of this Committee that a petition be presented to the Hon. Assembly of this province, setting forth the late murder of two of the sheriff's posse, near Wioming, for attempting to act in conformity to the laws.

Resolved, That John Weitzel, Esq., Alexander Hunter, Esq., and Mr. Thomond Ball, be a committee to frame said petition and present it to this Committee at their next meeting.

The Committee then adjourned to Monday 26th inst., at the house of Lauglin McCartney, in Northumberland Town.

Monday, February 26, 1776.

The Committee met according to adjournment at the house of Lauglin McCartney, in Northumberland Town—Captain John Hambright in the Chair.

Messrs. Weitzel, Hunter and Ball presented the form of a petition to the Hon. Assembly, relative to the Connecticut intruders, which was approved of and ordered to be copied fair.

The following gentlemen appeared and produced certificates of their being regularly chosen captains of companies in Colonel Hunter's battalion, and produced lists of their subalterns, companies, &c., viz:

[For list see page 315.]

Resolved, That the above six companies appear to be full and regularly officered, and that they, with the field officers of that battalion, be recommended to the Committee of Safety to receive their respective commissions, which was done in a letter, of which the following is an abstract.

NORTHUMBERLAND, *February 26, 1776.*

GENTLEMEN,—At a meeting of the Committee for this County, held this day, the following gentlemen were returned as duly elected Field Officers, Captains and Subalterns of a Battalion raised in this county, viz.—the officers mentioned above. The above returns of six companies belonging to the battalion expected to be commanded by Samuel Hunter, Esq., appear to be well and regularly certified as complete companies. There are two or three companies more intend to belong to said battalion, but their captains being at present out of the county, we have received no returns of them. We further have the pleasure to inform you there is another complete battalion formed in this county, intended to be under the command of William Plunket, Esq., but he with his other field officers being so lately promoted, their companies have not had sufficient time to elect captains in their room, we therefore think we cannot at present with propriety recommend them, but hope in a few days to have the honor of transmitting to you a proper return of said battalion. In the mean time take the liberty to recommend the above named gentlemen to be commissioned in the several stations annexed to their names.

And are gentlemen, with due esteem,

Your very humble servant,

By order of the Committee,

JOHN HAMBRIGHT, *Chairman.*

To the Committee of Safety, Philadelphia.

Resolved, That as several companies belonging to battalions in this county have not yet brought in their returns, and it may be inconvenient to call the whole Committee together to receive their returns, that the Chairman, with four others of the Committee, be sufficient to receive such returns and recommend the officers to the Committee of Safety.

Resolved, That this Committee be adjourned to Wednesday, 13th of March next, then to meet at the house of Frederick Stone in Northumberland Town.

Wednesday, March 13th, 1776.

The Committee met at the house of Frederick Stone in Northumberland Town agreeable to adjournment, Captain John Hambright in the Chair, when the following gentlemen made returns of their officers, captains, subalterns, &c., properly certified, viz:

[For list see page 322.]

Resolved, That the returns made of the above mentioned field officers and seven companies appear to be regular and well certified

as full companies, and that [the] officers be recommended to the Committee of Safety, which [was] done by letter of which the following is a copy.

NORTHUMBERLAND, *March 13th, 1776.*

GENTLEMEN,—Agreeable to the promise of our last of 26th ult., we now inform that at a meeting of the committee for this county held this day, the following gentlemen were returned as fairly elected field officers, captains and subalterns of a battalion raised in this county, viz :

William Plunket, Esq., Colonel, and the rest as above.

The above returns of officers for a battalion consisting of seven companies, appear to us to be regular and well certified to be complete companies; we therefore take the liberty of recommending said gentlemen to the respectable Committee of Safety appointed for the Province of Pennsylvania to receive commissions in the several stations annexed to their names. Being unwilling to trouble the committee, who, we apprehend, are already over-burthened with business, we have transmitted an enumeration of grievances under which we think this county labours, to Samuel Hunter, Esq., our representative, and one of your respectable body, who is well acquainted with the circumstances of this county, requesting he may, if necessary, lay the same before you, and should be glad of your opinion how to act in the different cases therein mentioned.

We are, gentlemen, &c.

Signed by order of the Committee,

JOHN HAMBRIGHT, *Chairman.*

To the Committee of Safety, Philadelphia.

NORTHUMBERLAND, *March 13, 1776.*

SIR,—We have this day wrote to the Committee of Safety, recommending officers of another battalion, to wit : Colonel Plunket's. We had it in contemplation to write to the Committee of Safety concerning the recruiting parties that have lately been amongst us and taken away some good men, when both officers and men could be sent from this, if any ought to be sent out of the county. It is unnecessary for us to inform you of our situation, as you are so well acquainted with it. There have been different applications to us for recommendations as officers of companies to be raised in this county, to go into immediate service; we are somewhat at a loss what to do, but would be desirous, if men are to be taken from the continental service out of this county, officers should go with them. We, not considering it proper to trouble the

Committee of safety with our sentiments on this occasion, have taken the liberty to write to you, with an intention to get your advice upon the matter, as we cannot prevent recruiting parties from coming amongst us, or stop men from going into the army out of this county. If more battalions should be raised, or more men wanted, would it not be proper from our situation as a frontier county to have two or three companies raised, officered and disciplined, and put into immediate pay; and if not wanted nearer home, to be always in readiness to go upon any service on which the continent may have occasion for them. We have sufficient information that Hawkins Boone has enlisted several men in this county, and has declared his having received his authority and money from the Congress for that purpose, and that he is to be a guard to the Congress. By this conduct he has drawn off some men from the different companies of military associators. We have as a committee of the county taken liberty to cite him to appear before some of us and show by what authority he has undertaken so to do, but he has not appeared. We think when men are enlisted in this county, we have a right to know for what service they are enlisted. It is from our zeal for the good cause now carrying on that we are desirous to know the reason of such procedure. This, if you think proper, you may communicate to the Committee of Safety, and are requesting your advice how to act.

With due respect, your very humble servants.

Signed on behalf of the Committee,

JOHN HAMBRIGHT, *Chairman.*

To Samuel Hunter, Esq., Philadelphia.

Information being given to the Committee that a certain Hawkins Boone is now enlisting men in this county, without giving any satisfactory account for what purpose or service the said men are enlisted.

Resolved, That the Chairman of this Committee call upon the said Hawkins Boone, by letter or otherwise, to appear before him and two or more of said Committee, as he, the chairman, shall think expedient, on such day and at such place as he shall appoint, to show cause why he, the said Boon, enlists men as aforesaid.

Resolved, That this Committee be adjourned to Monday, 25th of March instant, then to meet at the house of Thomond Ball, in Sunbury.

Monday March 25, 1776.

The Committee met pursuant to adjournment at the house of Thomond Ball, in Sunbury, Captain John Hambright in the chair.

Resolved, That it appears to this Committee that several recruiting officers belonging to battalions of different counties in this Province, having lately come to this infant frontier county and drained it of a number of useful men, to the prejudice of the same.

Resolved, That for the future no officer or non-commissioned officer be allowed to recruit men in this county, except the officers who are or may be appointed therein.

John Simpson, Esq., presented a return, wherein appears the following list of officers, the company belonging to Col. Hunter's battalion, viz:

Captain, John Simpson, Esq.,
 1st Lieut. Robert Curry,
 2d Lieut. John Ewart,
 1st Ensign, Thomas Gaskins,
 2d Ensign, David Mead.

Resolved, That the same appears a full company, and that the gentlemen therein mentioned as officers, be recommended to the Committee of Safety to receive their several commissions, which was done accordingly by a letter, of which the following is a copy.

SUNBURY, *March 26, 1776.*

GENTLEMEN—Our last to you was of 13th inst., recommending William Plunket, Esq., Colonel, with other officers of a battalion commanded by said Col. At this meeting John Simpson, Esq., presents a return in which it appears that he is Captain, Robert Curry, 1st, and John Ewart, 2d Lieutenants, Thomas Gaskins, 1st and David Mead, 2d Ensign, which is well certified to be a full company belonging to Col. Hunter's battalion; we therefore take the liberty of recommending said gentlemen to receive commissions agreeable to the ranks to which the people have appointed them. We are now, gentlemen, to inform you of what we think a grievance to this young and thinly inhabited county, viz, a constant succession of recruiting officers from different counties in this province. Our zeal for the cause of American liberty has hitherto prevented our taking any steps to hinder the raising of men for its service, but finding the evil increasing so fast upon us as almost to threaten the depopulation of the county, we cannot help appealing to the wisdom and justice of your Committee to know whether the quota of men that may be demanded from this county under their own officers is not as much as can reasonably be expected from it.

Whether at a time when we are uncertain of peace with the Indians (well knowing that our enemies are tampering with them) and a claim is set up to the greatest part of this province by a neighboring colony who have their hostile abettors at our very breasts, as well as their emissaries amongst us, is it prudent to drain an infant frontier county of its strength of men? and whether the safety of the interior parts of the province would not be better secured by adding strength to the frontiers? Whether our Hon. Assembly, by disposing of commissions to gentlemen in different counties to raise companies which are to form the number of battalions thought necessary for the defence of the province, did not intend that the respective captains should raise their companies where they [were] appointed? and not distress our county by taking from it all the men necessary for the business of agriculture, as well as the defence of the same? From our knowledge of the state of this county, we make free to give our opinion of what would be most for its advantage, as well as that of the province, (between which we hope there never will be a difference;) and first are to inform you [of] the poverty of the people, many of whom came bare and naked here, being plundered by a banditti who call themselves Yankies, and those who brought some property with them from the necessary delay of cultivating a wilderness before they could have any produce to live upon, together with the necessity of still continuing the closest application to labor and industry for their support, renders it morally improbable that a well disciplined militia can be established here, as the distance which some men are obliged to go to muster is the loss of two days to them, which, not being paid for, they will not, nor indeed can they so often attend as is necessary to complete them even in the manual exercise. We would recommend that two or more companies be raised and put in pay for the use of the province, to be ready to march when and where the service may require them, and when not wanted for the service of the public at any particular place, to be stationed in this county in order to be near and defend our frontier, should they be attacked by our enemies of any denomination, the good effect of which we imagine would be considerable, as though they may be too few to repel, they may stop the progress of an enemy until the militia could be raised to assist them. Should this proposal appear eligible, please to inform us thereof, and we will recommend such gentlemen for officers as we think will be most suitable for the service and agreeable to the people.

We are, gentlemen, with due respect,
Your very humble servants,
Signed for and in behalf of the Committee,
JOHN HAMBRIGHT, *Chairman.*

To the Committee of Safety, Philadelphia.

The Committee to the General Committee.

IN COMMITTEE FOR NORTHUMBERLAND COUNTY,

12th June, 1776.

GENTⁿ: We are favour'd with your's of the 7th ult^o, directing to disarm all non Associators and disaffected persons within this county; the arms taken from them to be applied to arming the Continental troops, &c. We have the pleasure to inform you there are very few (if any) disaffected persons amongst us and the non Associators very inconsiderable. We are sorry on the other hand to inform you that the Associators as well as the few non-associators are very ill arm'd, having already sent all the best arms with our men into the Continental and Provincial service, so that should an attack be made upon us we are in A very defenceless state. We are now Gentⁿ to inform you of some promotions made since our last in the Battalion commanded by Col. Samuel Hunter, Viz. M^r. John Lee, late 2nd Major, to the Rank of 1st Major, in the room of Casper Weitzel, Esq^r, now A Captain in the Provincial service. M^r. John Harris, Jun^r, 2nd Major in the room of M^r. John Lee, prefer'd, Alex^r Hunter, Esq^r, Standard Bearer, and M^r. Gustavus Ross, formerly Ensign, now Ensign and Adjutant in said Battalion. 3d. *Resolved*, That the Committee, or any two of them belonging to the other three battalions of this county, call upon Laughlan McCartney for their equal dividend of what ammunition is in hand, and deliver to the respective captains in each battalion an equal dividend of said ammunition according to their number of men, and by them kept secure in some convenient dry place ready to be delivered out when occasion requires.

4th. *Resolved*, That each colonel recommend to their respective captains to use all possible to have any arms that are out of repair put in as good order as soon as possible.

As this Committee is informed of a quantity of powder and lead at Mr. John Harris's ferry, which belongs to the associators of this county, we do recommend Major John Lee and Captain Charles Gillespy as two suitable persons for to bring up the same, and we do appoint Laughlan McCartney and John Boyd for to agree with them for the bringing up of the said ammunition.

5th. *Resolved*, That this Committee be adjourned to Tuesday, the 10th of September next, to meet in the town of Northumberland.

Tuesday ye 10 of September, 1776.

The Committee met according to adjournment, in the town of Northumberland Mr. Robert Frute in the Chair.

Complaint being made to this Committee against Mr. Aaron Levy and John Bullion, setting forth that the aforesaid Levy and

Bullion have a quantity of salt on hand which they refuse to sell for cash, by a former resolve of the Committee.

Resolved, That the aforesaid salt that is in the hands of the aforesaid Levy and Bullion, (as they have refused the same for sale,) be put into the hands of Mr. Wm. Sayers, and by him sold at the rate of fifteen shillings per bushel, and not to sell unto any family above half a bushel for the time that the said salt is selling, and that the said Sayers shall keep a particular account of every bushel that he sells, and when sold, he shall return the money arising from said salt to this Committee, first deducting one shilling out of the Pound for his trouble for selling said salt, and six shillings and four pence for portorage.

A complaint being made to this Committee against two certain men, namely, William Chattim and James Parker, of not behaving themselves as friends to our country in general, and had armed themselves with two pistols, therefore, it was

Resolved, That the aforesaid Chattim and Parker should be sent for and examined.

Being brought before the Committee and examined, they confessed themselves to be two of His Britannic Majesty's soldiers, and both prisoners. Therefore, this Committee thought it most proper to convey the two aforesaid men into the care of Lancaster Committee, where we understand there is a number of their fellow prisoners, and that the aforesaid arms should be sold at public sale, and the money arising from the sale of said arms, should, as far as it would admit of, be put to discharge of such expenses as should arise for the trouble of said prisoners.

And as there was a bill of expenses produced to this Committee by John Chattim, against the two aforesaid prisoners, and he refusing to prove the same, it was *resolved*, that the aforesaid bill shall not be accepted of by this Committee unless the aforesaid John Chattim do prove the same.

September 12th, 1776.

On examination of the two different quantities of ammunition heretofore forwarded to the care of the Committee of this county, and on a careful examination of the number of associators in this county, it appears that the quota of each associator is half a pound of powder and one pound of lead.

And whereas, the greater part of Col. Plunket's battalion are situated in the frontier, and most exposed parts of this county, therefore, *Resolved*, that the further quantity of eighty-nine pounds of powder and one hundred and seventy-eight pounds of lead be de-

livered into the hands of Mr. Fleming, Mr. Jackson, Mr. Kemp-ling, Mr. Culbertson and Mr. Giles, and that the same be by them delivered among the different captains of the said battalion, with the strictest charge that the same be preserved for the purpose of the defence of this county.

The same division to be made with a proper regard to the different numbers in each company. And it is further *Resolved*, that the further quantity of eighty-six pounds and three-quarters of powder, and the quantity of one hundred and seventy-three pounds and one-half of lead be delivered to Mr. Fruit, Mr. Gray, Mr. McClannachan, Mr. Shaw, Mr. McCandles and Mr. Geddis, to be by them distributed among the Captains of Col. Potter's battalion in such sort that each private have one-quarter of powder and half a pound of lead, Captain McMillan's company excepted, who are to have each half a pound of powder and one pound of lead.

And it is further *Resolved* that the further quantity of fifty pounds of powder and one hundred pounds of lead be delivered to Mr. Coal, Mr. Treaster, Mr. Bolander, Mr. Brousius and Mr. Reitz, by them to be divided among the Captains of Col. Wiser's battalion in the same proportions as the former fifty weight of powder was directed to be divided.

It is likewise further *Resolved*, that the additional quantity of fifty pounds of powder and one hundred weight of lead to be delivered to John Maclay, Laughlan McCartney and James McClure to be by them divided among the Captains of Col. Hunter's battalion, in due proportion to the number of privates in their respective companies.

WHEREAS, This Committee being informed by one of our members of convention that there is a dividend of salt in Philadelphia, which is allotted for this county by a late resolve of Convention, therefore, this Committee thought proper to appoint two suitable persons to go to Philadelphia and take charge of said salt, and [to] be by them conveyed to this county and delivered to the care of this Committee. Therefore, William McClay and Mordecai McKinney were unanimously appointed by this committee for the purpose above mentioned.

Resolved That the salt belonging to this county is to be sold at fifteen shillings per bushel.

A complaint being laid unto this Committee by Samuel Dale against Col. William Plunket, the same being read, was postponed until our next meeting.

The Committee to the State Convention.

To The Hon'ble the Members of Convention, for the State of Pennsylvania, met in Philadelphia, The Twelfth day of September, Anno Dom : 1776.

The Memorial of the Committee of the County of Northumberland, in the said State, most humbly sheweth —

That the exposed situation of the north-western Frontier of this County has engaged this Committee to turn a watchful eye towards every motion of the Indians in our Neighborhood ; It is with grief we learn That the Sentiments of the Indians in general inimical, and those of them who were lately conversant among Us, having suddenly withdrawn themselves to their towns, leaves us little Room to Doubt, that our next interview with them, will be as Enemys — A strong (and as we believe) well founded Expectation. That some Men would be raised for the Defense of this County, has hitherto supported in some measure the Spirits of the People ; disappointed as they now consider themselves, in this Expectation, we are not able to keep the single and disengaged Men in the County, they consider fighting as inevitable, and choose rather, under pay, to have to do with a humane Enemy, than at their own expense to encounter merciless Savages ; the County By this means loses not only the most useful of our men, But the best of our Arms are carried out of the County, so that upon a late Review, a general Repair of the remaining Arms was found necessary. Strongly actuated as we are with a Just Sense of the General Calamity. yet we cannot remain insensible of our own eminent danger, and tho' it is with Reluctance, that we would divert your attention, from matters of greater magnitude, yet we cannot help imploring the assistance of this Convention, and that our situation may be taken into their serious consideration, and such Relief granted, as may in some measure be adequate to our circumstances, either by taking men into Pay for the Protection and support of that part of the Frontier when the enemy may attempt to make an inroad, and to pursue them to their Retreats and Towns— or by granting such sum of Money as will enable the Inhabitants to secure themselves in Forts or Places of safety, in Case of any sudden Invasion, and your Committee as in Duty bound will pray.

Signed in behalf and by Order of the Committee,

PH ROBR. FRUIT, *Chairman.*

2d. That he has Discouraged the men drafted to go in militia & that he had Influenced George Silverthorn so that he nor any of his family would not fight against the King of Britain.

3rd. That the terms Lord Howe had proposed were such as we should accept of, or what would be pleasing to him.

4th. That Benjamin Franklin one of the Congress was a villain and had behaved as such often.

5th. That it was Mr. Robb's opinion there was Bribery in the Convention.

Sundry Evidences were referred to, to prove the several charges against s^d Robert Robb, which are as follows :

The Evidence of Thomas Newman against Robert Robb.

This Deponent being duly Sworn Deposeth and sayeth that s^d Robb had a paper at a certain House where they were erecting a Chimney which paper was supposed to be from Lord Howe concerning conditions of peace of which s^d Robb said this is the very thing I would beat says further Mr. Franklin was a Rogue he well knew and that he had led the Government into two or three scrapes already known to him, also it was thought Franklin had a pension from home. Likewise that it was thought the Convention was Bribed—also s^d Robb says that Lord Howe used the members of Congress Politely that was sent to treat with him but that they

used him ill and that as this Deponent was once of the Township Committee he the said Robb thought it was proper he should Call a few of the township together to consult concerning these things, and further sayeth not.

THOMAS ^{his} × NEWMAN.
_{mark.}

Joseph Newman's Evidence against Robert Robb.

That Robert Robb Read at the aforesaid place a paper (as this Deponent suposeth) was a Declaration of Peace from Lord Howe, and asked this Deponent's Father if he would call a few of the Neighbors to consult concerning it, and that his father refused to do it, and concerning the Members of Congress Mr. Robb said Lord Howe used them politely, but they used him ill. And as for Mr. Franklin there were very hard thoughts of him, and it was thought he had a pension from home, also that it was thought that there was Bribery in the Convention, and further sayeth not.

JOSEPH NEWMAN.

John Morris' Evidence against Robert Robb.

This Deponent sayeth that he heard Robert Robb read a paper concerning terms of peace from Lord Howe; said Robb was asked why this paper was not made publick sooner; Robb said it was kept back by the Congress and Committees below; said Robb said also it was well known what Rittenhouse and Franklin was. Mr. Newman asked s^d Robb what was the reason there was such men in the Congress: Robb said it was thought there was bribery in the Convention; also said it was a Minority that held this new form of Government, and that the Majority would not be ruled by the Minority; and farther sayeth not.

JOHN MORRIS.

James Giles' Evidence.

This Deponent saith he saw Mr. Robb pull out a paper at the aforesaid building and read it, which he said was Printed in New York near three Months ago. Mr. Newman asked s^d Robb how it came to be kept back; this Deponent sayeth he understood Mr. Robb said it was our Rulers kept it back, and that the substance of the above paper was terms of peace from Lord Howe; and further sayeth not.

JAMES GILES.

The Evidence of John Silverthorn for Robert Robb.

This Deponent being at Mr. Robb's House and from thence went together to a Chlmney raising in the Neighborhood; after awhile s^d

Robb pulled out a hand Bill which gave an account of General Washington's Army being in need of a reinforcement, and Mr. Robb said in Publick that it was necessary for every one to turn out that could go; however after awhile, Mr. Robb pulled out another paper which he said was a Declaration of Peace from Lord Howe and read it in publick; after reading s^d paper Mr. Robb said he came on purpose to see Mr. Newman, and whether or not he thought proper to call some of the Neighbors together in order to see whether or nor the said Declaration was of any effect or not, as he was one of the Town Committee, or how they would take it, as he could not depend on his own judgment on such an occasion, as being but one person; and this Deponent says that after the papers came out which gave an account what passed between General Howe and them at Staten Island, this Deponent was telling s^d Robb that he heard them read at Mr. M^cKinney's, and Mr. Robb said that he thought it would not be proper to lay down their Arms till peace would be concluded on better terms than these for the benefit of the Country; and further sayeth not.

GEORGE SILVERTHORN.

Lieutenant Scudder's Evidenc.

Lieutenant John Scudder being duly sworn, sayeth that Robert Robb said that the King's troops are able to learn us to beat themselves, as Peter the great said of Charles King of Sweden, and that the s^d Robb never did any thing against the cause of America, but always encouraged the same to the best of his knowledge, and further sayeth that Mr. Newman charged Robert Robb with Discouraging People going into the service, and that George Silverthorn and his Family were the people; and farther sayeth not.

JOHN SCUDDER.

December 17th, 1776.

Resolved, That this Committee be adjourned until the 14th day of this inst., to meet at the house of George McCandlish.

January 14th, 1777.

James Patton's Evidence.

James Patton being duly sworn, deposeth and said, that he, this deponent with Peter Smith and some others, were drinking together at the house of Capt. John Brady, when said Smith asked Mr. Robb what news; Mr. Robb answered that he desired none of his discourse, and asked James Brady if there was any fire in the new house. Brady said there was. Mr. Robb then got up and asked this deponent if he would go into the said house and drink share of half a pint. This deponent said he would. After sitting down, the aforesaid Smith came in. Says Mr. Robb, you have followed me here again, Peter. Mr. Robb further said, if you choose to sit here, I will go into the other house, and if you follow me I will flog you or turn you out. Mr. Robb then got up and asked this deponent to go with him to the other house. And further saith not.

JAMES PATTON.

Whereas, a certain Robert Robb was brought before the Committee of this county, on account of sundry charges proven against him, and a resolve of this committee entered thereon, bearing date December 17th, 1776, by virtue whereof he was committed to the custody of Col. James Murray, to be by him sent to some proper place of confinement until released by a superior authority,

and whereas the said Col. Murray out of lenity to said Robb's family, saw fit to appoint the mansion house of the said Robb as a prison for him on a promise of his good behaviour for the future, but as said Robb hath since (as appears by sufficient testimony given before this Committee), very ungratefully abused the lenity shown him by said Col. Murray, by barbarously beating and much abusing a certain Peter Smith of this county so as to render him unable for a considerable time to support himself and his small family by his industry as usual, as appears by the testimony of said Smith, and other evidences produced before this Committee, and whereas, he did at the same time not only despise all authority of this Committee, but also charged them with horse-stealing, robbery and murder, as appears by the testimony of said evidences, *Therefore, Resolved*, Notified to take, or order to be taken the aforesaid Robert Robb before the Council of Safety of this State, to whom he hath appealed, in order to answer the several charges proven against him before this Committee, which we have enclosed in a letter directed to the said Council of Safety, which you are desired to deliver with said prisoner.

March 11, 1777

The Committee met according to adjournment, Mr. Thomas Jordan in the Chair.

Upon complaints being made by a certain Allis Read, of Wyoming Township, that he the said Read, had a horse strayed or stolen from him some time ago, and was found in the custody of a certain John Drake, when said Read replevied the horse and got him and kept him in his possession for about six months, and then the widow of said Drake came and took him forcibly out of said Read's stable, he not being at home himself, and now keeps the horse and absolutely refuses to give him up again to the said Read.

Resolved, That Jacob Links does return several sums of money which a number of the inhabitants of this township did deliver to him for the use of purchasing salt, he, said Links, acknowledging he could have had salt, but it being troublesome times he was afraid

he should suffer loss if he would purchase the salt, and a certain evidence did declare that he said he was going on his own business to Philadelphia, and he, said Links, did not bring salt.

“Dec. 21, 1776. By the Committee of Buffalo Township.

WILL IRWIN, *Chairman.*”

In consequence of said appeal, Mr. Links was called in before this Committee and asked if he had evidence to produce. He said he had, but that he had them not then ready.

Resolved, That Mr. Links's appeal be referred till the next meeting of Committee, and that his evidence be summoned to attend.

WHEREAS, Col. or Capt. Benjamin Weiser has made complaint to this Committee that a number of persons who had been out under his command in the militia of this county in order to join the Continental Army in New Jersey, and that the said persons were deserted from him and returned home to this county, as the same is more fully expressed in a letter to this Committee, bearing date _____ craving their assistance.

Resolved, That a day of muster be assigned for the said persons to meet and march off to camp and serve out their time, allowing them to elect new officers if they had any objections to the old ones, certifying them also, that if they neglect to obey this resolve, they are to be taken up and committed as deserters.

WHEREAS, this Committee have received a letter from the Committee of the Township of Bald Eagle, together with a resolve of their Committee anent the selling of grain, &c., in their township, craving advice before they should carry their resolve into execution, of which the following is a copy :

“Feb. 26th, 1777. We the Committee of the Township of Bald Eagle met, and as a complaint was made to us by a number of the inhabitants that there is a quantity of rye that is going to be carried out of the township for stilling, and that there are some of the inhabitants which have not sold their grain as yet, nor will not sell without they get eighteen pence or two shillings per bushel above the highest market price that grain is giving in the country, but will keep it up and carry it off ; and as it appears to us that a great number of the inhabitants of the township will suffer if such a practice is allowed to go on ; therefore, we

Resolved, That no stiller in this township shall buy any more grain this season for to still, or still any more than what he hath already by him. And further, we resolve that no grain be carried out of this township till the necessity of the poor is supplied, or till the first day of May next ; and any person having grain of any kind to dispose of and will not take the market price at Sunbury, reducing a reasonable carriage or the highest price that it will be there

when the grain is wanted, we allow to seize on it and take it by force, and pay them their money. Given under our hands the day above mentioned.

JOHN DICKSON,
ROBERT LOVE,
JAMES ERWIN.”

Resolved, That the Committee of Bald Eagle is the most competent judges of the circumstances of the people in that township, that therefore the affair be referred back to them to act as they shall see just cause, but in the meantime that they be cautioned against using too much rigour in their measures, and that they keep by moderation as much as possible, and study a sort of medium between seizing of property and supplying the wants of the poor.

WHEREAS, Report has been made to this Committee of a certain Henry Sterrat profaning the Sabbath in an unchristian and scandalous manner, causing his servants to maul rails, &c., on that day, and beating and abusing them if they offered to disobey such his unlawful commands.

Resolved, That the Committee of Bald Eagle Township, where he now resides, be recommended to suppress such like practices to the utmost of their power.

Resolved, That this Committee be adjourned till Tuesday the 15th of April next, when it is again to meet at the house of Geo. McCandlish.

April 15th, 1777.

The Committee met according to adjournment, Mr. Thomas Jordan in the chair.

WHEREAS, a certain Jacob Trietbrueh, having disobeyed a summons issued by this Committee at their last sitting for him to have appeared at this meeting of Committee as evidence in the affair of Jacob Links,

Resolved, That a special warrant be now granted for bringing him before this Committee to-morrow at nine o'clock.

April 17th, 1777.

Jacob Driesbach was brought before the Committee, and being duly sworn, he saith that he asked Capt. Links if he was the man that was to go to Philadelphia for salt, and the said Links answered that he was, and said that he had a sister in Philadelphia, and wanted to see her, and said it would suit him better to go than

another who had no errand of their own, but says for his own part he was willing to allow Capt. Links whatever came to his share of the expenses at the same rate that the rest of his employers allowed him, and further saith not.

JACOB DREISBACH.

Mr. George Overmire, a member of this Committee, declareth that he was present when Capt. Links agreed with his employers, and says that he was to have his expenses allowed him whether he got salt or not.

Capt. Links compeared and produced his account for travelling expenses, which amounted to £5 15, acknowledging the receipt of £39 from his employers, part of which he had yet in his hands, and says he could have got salt, but it being salt that had been already purchased or allotted for the use of this county, and was to be distributed over the county at large, it was not answering his purpose to bring it, and there was no other salt he could get to purchase.

Resolved, That Capt. Links be authorized to keep the sum of two shillings and eleven pence half penny out of every pound of his employers' money for payment of his expenses, as his account appears to this Committee to be very moderate.

WHEREAS a certain William Read, of Bald Eagle Township, has been taken into custody and carried before this committee to answer for his conduct in refusing to associate and bear arms in behalf of the States, and being asked his reason for so refusing, his answers were as follows, viz :

That he was once concerned in a riot that happened in Ireland, commonly known by the name of the Hearts of Steel, and was taken prisoner, tried and acquitted upon his taking an oath of allegiance to the king, and coming [under] solemn obligations never to lift arms against him for the future, he therefore looked upon it as a breach of his oath to muster or bear arms in behalf of the States, as the arms of the States were now employed against the king to whom he had sworn allegiance.

Being further asked if he had any objections to the cause the United States were now engaged in, he said he had not any, and would be as forward and willing as any to join in it, could he do it without breach of his oath. Being asked if he would take an oath of allegiance to the United States, he said he would if it did not oblige him to take up arms.

Accordingly an oath was tendered to him, and he swore as follows :

I do swear to be true to the United States of America, and do renounce and disclaim all allegiance to the king of Great Britain,

and promise that I will not either directly or indirectly speak or act any thing in prejudice to the cause or safety of the States, or lift arms against them, or be any way assistant to their declared enemies in any case whatsoever.

WM. READ.

Whereupon, the Committee resolved to dismiss him upon his paying the sum of seventeen shillings and one penny half penny, being the costs of bringing him before the Committee.

In consequence of sundry reports from different parts of the country, of a dangerous plot's being on foot by some of our enemies to bring on an Indian war, and in particular by an intercepted letter now before this Committee wrote by a certain Nicholas Pickard, directed to a certain John Pickard at the house of Casper Read, in Penns Township with all speed, a copy of which was transmitted to us by Nathaniel Landon, of Wyoming, and is now before this Committee, and is as follows :

“WYOMING, *March 7, 1777.*

“*Worthy Friend*—I cannot omit but write you a few lines that I am in a good state of health, and further I let you know that as soon as the river is clear of ice, we shall march from every part, therefore I would advise you as a friend to go out of the way, for we then, as soon as the river is clear of ice, intend to cut all off, therefore I think it is better for you to go out of the way with the rest, for against May it will go as you heard it should go. Perhaps against Easter I will be with you, then I shall tell you further and give you a better account of it. No more at present, but I remain your trusty friend. Give my compliments to them all a thousand times. Tell them all that I intend to see them soon. I have wrote to you as much as I durst.

(Signed)

NICHOLAS PICKARD.”

In consequence of which letter, Col. James Murray and Capt. James Espy were sent out by order of this Committee in search of the said Nicholas and John Pickard.

April 17, 1777.

Capt. Espy returned and brought the body of John Pickard before this Committee, and being legally sworn upon the Holy Evangelist of Almighty God, He saith that he went up the river some time about last Christmas from Middletown to Wyoming, in a boat, and at Wyoming he met with the aforesaid Nicholas Pickard, his own cousin, and that they two went by land about twenty miles further up the river to a place called Tankhannock, to see some friends, and being in the house of a certain Nicholas Phillips, he,

the said Phillips, told his consin and him that the Indians had told him they would come down and cut all off against this spring, or as soon as they got their orders, and that they would in particular strike upon the Mohawk river, and the waters of the Susquehannough, and that when he parted with the said Nicholas at that time, he promised to write to the deponent as soon as he thought there was immediate danger, so that he might go out of the way, withal telling him that the Indians did not want to kill any that did not take up arms against them, so that if he would go out of the way, or lie still on one side, there would be no danger of him. And further told him about a fortnight ago that there were 500 Indians at Shamung waiting for orders from Niagara. Likewise that he the deponent asked the said Nicholas what his reason was for coming down to Caspar Read's at that time, (being about a fortnight ago,) and he told him that the Yankeys were going to apprehend him for a tory, and that a certain Dennis Clark came to him about midnight and gave him notice of it, and accordingly he made his escape down the river to Caspar Read's or that neighborhood. And that he told the deponent that he has wrote him two letters, one of which was sent by a man of the name of Clark, which the deponent thinks is the same Clark that gave him notice to go off, and that Clark took sick upon the way, and when he could not proceed forward with the letter by reason of his illness he threw the letter in the fire and burnt it, and that the contents of the letter was that the Indians were coming down, and for the deponent to go out of the way; and further saith not:

JOHN PICKARD.

An oath of allegiance to the United States being proposed to John Pickard, and bail for his good behavior, he complied with both, and produced Caspar Read as his bail, who bound himself in a bond of an hundred pounds for the good and orderly behavior of John Pickard for a year and a day next to come after this date. Then the oath of allegiance was tendered to him and he swore as follows:

I do swear to be true to the United States of America, and do renounce and disclaim all allegiance to the King of Great Britain, and promise that I will not either directly or indirectly speak or act any thing in prejudice to the cause of safety of the states, or lift arms against them, or be any way assistant to their declared enemies in any case whatsoever. So help me God.

JOHN PICKARD.

Upon the satisfaction given to the Committee by the said John Pickard, it was unanimously agreed that he be dismissed.

April 17, 1777.

Colonel Murray returned and brought the body of Nicholas Pickard before this Committee and being interrogated anent the afore-said letter confesseth that he wrote it, and a copy of the letter being read unto him he acknowledged the same in every particular, and further confesseth that he is in connection with the ministerial troops at Niagara, and that he has taken an oath of allegiance to the King of Britain, but says he was forced to it, and further concerning the letter he says that he wrote it in a kind of mysterious manner, by reversing the letters so that it might not be understood in case it should be intercepted, and that he sent it by one Dennis Clark of Wyoming, and that he had seen Clark since that time, who told him that he took sick upon the way, and seeing that he could not get the letter forwarded he had burnt it.

He likewise says that one Nicholas Phillips at Tankhannock notified him and several others thereabouts to move away with their families and connections to a place called Tiogo in the Indian country, as the English were coming down to cut off the inhabitants upon the waters of the Mohawk river and the Susquehannough. That there were 15,000 of the ministerial troops at Niagara, which were to be put into three Divisions; 4,000 of them were to come down the North Branch and 4,000 down the West Branch of Susquehannough, and 7,000 down the Mohawk river, and a number of Indians were to be along with them, and that the person who informed this Phillips of it was one John DePew, who is gone off and joined the English at Niagara, and that he sent him this piece of information by an Indian after he went off.

Upon due deliberation upon the examination of Nicholas Pickard, the Committee are unanimously of opinion that he is an enemy to the States; therefore

Resolved, That he be immediately sent from before this Committee to the Supreme Executive Council of this State, to be dealt with as their superior judgments shall direct them in the case, and that John Coats be the person who shall carry him thither, and that he call as many to his assistance as may be needful.

Resolved, That this Committee be adjourned till the 10th day of June next, when they are to meet at the house of Mr. Laughlan McCartney in Northumberland.

The Committee to Supreme Executive Council.

April 19th, 1777.

To the Honorable the Supreme Executive Council of the State of Pennsylvania :

MOST HONOURABLE: We, the Committee of Safety for the County of Northumberland having had before us some affairs relating to a Suspected plot to be on footing against the peace and Safety of this County and State by some of our own Bosom Enemies in encouraging the wild savages to commence hostility against us, and not only so but upon all accounts that we can learn matters of that kind have a very gloomy aspect ; and considering the sore circumstances of this County at present on account of the want of arms and ammunition we could make but a poor defence if we were to be attacked. The men who were out in the militia last winter from this County having left the principall part of their best arms att the Continental Store at Morristown, which were a great part of the arms fit for service that could be collected in the County. We therefore beg your wisdoms may take our case into consideration and grant us such supplys as may enable us to stand our ground against all our hostile enemies of what ever kind. We need not add more particulars, as John Coats one of our members is now sent down to you with a prisoner who will deliver you this letter and give intelligence of all particulars come to our knowledge.

By order of Committee.

PROCEEDINGS OF COMMITTEE

James McLene to President of Congress.

[Read June 13, 1776.]

SHIPPENSBURGH, *June 8, 1776.*

SIR: I am ordered by the Committee of Cumberland County to send you the enclosed Resolve.

And am, sir, your most obedient, humble servant,

JAMES McLENE, *Chairman.*

To the Hon. JOHN HANCOCK, Esq.

IN COMMITTEE, SHIPPENSBURGH, *June 7, 1776.*

The Committee of West-Pennsborough Township, in this County, on the 4th instant seized sixteen kegs of Gunpowder, which, by letters produced to this Committee—one signed Lewis Morris, bearing date at Philadelphia, 14th of May last, addressed to Major Ephraim Blaine, bearing date the 4th instant, and addressed to Captain George Morgan, at Fort Pitt—appear to be part of a ton of Gunpowder ordered by the said Lewis Morris to the said Ephraim Blaine, and by him forwarded to Fort Pitt. We have not been able to discover, neither by the letters nor by the testimony of Ephraim Blaine, to what use the same gunpowder is to be applied; therefore suspect it must be private property, and not designed for publick use, which, we apprehend, may be very injurious to the common cause.

Resolved, unanimously, That the aforesaid sixteen kegs of Gunpowder, now under the care of the Committee of West-Pennsborough Township, together with nine kegs more in the custody of Ephraim Blaine, at his plantation, near Carlisle, be immediately delivered to Stephen Duncan, Samuel Laird, and James Pollock, of Carlisle, by them to be kept in the publick Magazine at Carlisle until our proceedings therein shall be communicated to the honourable the Continental Congress at Philadelphia, and until an order for the further disposal thereof, signed by the President of the Congress, shall be produced to them, which order they are hereby ordered to obey.

Signed by order of the Committee:

JAMES McLENE, *Chairman.*

To the Hon. JOHN HANCOCK, Esq.

IN COMMITTEE, AT CARLISLE, *June 28, 1776.*

WHEREAS, complaints were made to this Committee that the conduct and sentiments of John Clark, of Allen Township, in this County, miller, have been, and still are, unfriendly to the liberties of the United Colonies: And whereas, in pursuance of notice, the said John Clark appeared twice before this Committee, when sundry witnesses were examined upon oath, by whose testimony the charges exhibited against him are fully proved: And whereas, the said John Clark declined making any acknowledgments to his injured country, and in manifest contempt of this Committee, thought fit to set out for his own habitation whilst the Committee had his case under their consideration.

Resolved, that the said John Clark is an enemy to the rights and liberties of the United Colonies; and it is recommended to all the friends of liberty that they have no dealings nor connections with the said John Clark in future, as they regard the welfare of their injured country.

Resolved, That the above Resolution be published in the newspapers of this Province.

Signed by order of the Committee:

JOHN MONTGOMERY, *Chairman.*

A Petition from the Privates of the First Battalion of Militia in the County of Cumberland, was presented to the House, and follows in these words, viz:

“To the Honourable the Representatives of the Freemen of the Province of Pennsylvania, in General Assembly met.

“The Petition of the Privates of the First Battalion of Militia in Cumberland County, most humbly sheweth:

“That your Petitioners, desirous of exerting themselves in defence of American Liberty against the tyranny of a cruel and desolating enemy, beg leave to lay before the honourable House some amendments, which they wish to have made in the Articles of Association framed at your last sitting, in order that they may sign them with that freedom which every true patriot and friend to American liberty ought to feel himself possessed of; without which amendments, the liberties of the Privates of the Association appear to be, in a great measure, taken away.

“First. The time of keeping the Associators out on actual service is no where limited, either in the Rules or Articles of Association; which, your Petitioners apprehend, puts them in a worse situation than the inlisted Troops. We submit it to the wisdom of the honourable House whether two or three months are not suffi-

cient to keep out any party of Associators at one time, until relieved by others at the call of the Assembly, or Committee of Safety.

“Secondly. The Articles, as they now stand, establish all the officers of the Association during life, or until otherwise removed by resignation, promotion, or broken by the sentence of a General Court of Associators. We would pray the honourable House to reconsider this matter, and see if it is not more agreeable to the rights of freemen and the Constitution of this Province, that all Military Officers, not exceeding the rank of a Colonel of a Battalion, should be voted in by ballot annually, in the same manner as Members of the Assembly, Sheriffs, and other civil Officers; the Field-Officers, Standard-bearer, and Adjutant, by the Battalion at large; and the Officers of a Troop or Company by the Troop or Company.

“Your petitioners are of opinion that Officers voted in in this manner would by no means be liable to disgrace upon the promotion of others in their room, as their going out of office might not be for any bad conduct alleged against them, but in order to serve others equally worthy of notice; for annual election is so essentially necessary to the liberty of freemen, that your Petitioners hope the honourable House will be careful not to deprive their constituents of it.

“Thirdly. Your Petitioners humbly conceive that the Regimental and General Courts of Associators should consist of an equal number of Officers and Court-Associators, (one of the said officers to be President,) as we can see no reason why there should be a superior number of officers in the said Courts; because officers and privates of the Association, being engaged in the same cause, ought to have the same mode of trial, be the offence what it will.

“Fourthly. The thirty-first article of Association enjoins the Associators to be subject to all Rules and Articles already made by the honourable Continental Congress for the government of the Continental Troops when called by the Assembly, or the Committee of Safety in recess of Assembly, into actual service. Your Petitioners pray that the honourable House would please to amend said article by allowing the Associators to be tried for all offences and crimes, of which they may be guilty, as mentioned in the said Rules and Articles when on actual service, in the same way as is proposed above, viz: by an equal number of their own officers and court-associators; and, where the punishment directed by said rules and articles is to be whipping, and the crime not made felony by the civil law, that the delinquent shall have it in his power to evade such whipping by paying a certain fine such as the wisdom of the honourable House shall point out, and in such time as shall be thought proper after conviction. This indulgence,

your Petitioners apprehend, will not be attended with any bad consequences to the Army, as the Associators are on a different footing from the Continental Troops, and may, through inadvertency or ignorance, be guilty of an offence that would subject them to a punishment which would be a lasting stain to them and their family, more especially if they have been of any repute at home.

“Lastly. Your Petitioners pray the honourable House to consider the inequality of fines respecting Non-Associators; the grievances whereof are so great and many, that it would be giving you too much trouble to enumerate them, as we are well assured they are fully laid before the honourable House in a Petition from the Committee of Privates of the City and Suburbs of Philadelphia, and perhaps, by other Committees.

“Your Petitioners most humbly pray the honourable House to take these matters into their most serious consideration, and grant the amendments herein proposed, or such redress of the grievances we complain of, as to their wisdom shall appear right. And your Petitioners, as in duty bound, will pray.

“Signed in behalf of the twelve companies of the First Battalion of Militia in Cumberland County, by order of Delegates from each of the said Companies.

PROCEEDINGS OF COMMITTEE.

YORK, *December 16th, 1774.*

Agreeable to notice given to Freeholders and Inhabitants of York County, entitled to vote for Members of Assembly, a respectable number of them met at the Court-House, In York, December 16, 1774.

James Dickson, Philip Rothrock, John Hay, Michael Hahn, and Richard Bott were appointed Judges of the Election.

Whereupon, the Electors proceeded to vote by ballot, and the following persons were duly chosen as a Committee for that County: James Ewing, Michael Swope, James Smith, Thomas Hartley, Henry Slagle, Joseph Donaldson, George Eichelberger, George Irwin, John Hay, Archibald McClean, David Grier, David Kennedy, Thomas Fisher, John Kean, John Houston, George Kuntz, Simon Coppenheffer, Joseph Jefferies, Robert McCorley, Michael Hahn, Baltzer Spangler, Daniel Messerly, Nicholas Bittinger, Michael Smyser, Thomas Weems, Henry Miller, Leonard Hutton, Benjamin Davis, Jacob Dahtel, Frederick Fischel, James Dickson, William McClellan, of Cumberland Township; William Cathcart, Patrick Scott, Michael Dowdel, Michael Bard, Casper Reinecker, Henry Liebhard, John Maxwell, George Ege, John O'Blens, William McClellan, of Warrenton Township; Philip Albright, James Dill, Henry Banta, senior, William Kilmory, William Chesney, Francis Holton, Peter Reel, and Andrew Finley, any ten of whom, with their President or Vice-President (if their attendance can be had), to do business, except in such case in which other regulations may be made.

This Committee is chosen in such a manner, that there is at least one of that body in each Township of the County, so that the inhabitants of the several Districts will have the earliest intelli-

gence of any material transactions, or may be assembled upon important business on the shortest notice.

On the day following the election, the Committee met at the same place, when they elected James Smith, President; Thomas Hartley, Vice President; John Hay, Treasurer; and George Lewis Lefler, Clerk of the Committee.

They formed rules to direct them in the course of their proceedings, entered into measures for the raising of a Fund to defray the expense of communicating intelligence, and gave instructions for the forwarding the subscriptions for the poor at Boston. They then adjourned to Thursday, the 29th day of December, instant, at the Court House, in York.

GEORGE LEWIS LEFLER, *Clerk.*

IN COMMITTEE, 14th February, 1775.

At a meeting of the Committee of York County, at Yorktown, in Pennsylvania, the 14th day of February, 1775. Present thirty-nine Members.

The Committee took into consideration the Proceedings of the late Provincial Convention, &c.

1. *Resolved unanimously*, That we heartily approve of the Proceedings of that Convention.

2. *Resolved unanimously*, The Committee apprehending, that from the Non-Important's Agreement, and the present state of publick affairs, unless great care be taken, there would, in a short time, be a scarcity of Gunpowder, which is so necessary to our Indian trade and the hunters of this Province; therefore, *Resolved*, That we recommend it to the several Members of this Committee, that they, in their respective Townships, with the assistance of the Township Committee-men, do discourage the consuming of that article but for the most useful purposes.

3. *Resolved unanimously*, It being represented that sundry persons in this County had formed themselves into Military Associations, and that they would discontinue them if disagreeable to this Committee; upon consideration of which, *Resolved unanimously*, That we by no means would discourage those proceedings; on the contrary, we are of opinion that such Associations, if conducted with prudence, moderation, and a strict regard to good order, under the direction of men of probity and understanding, would tend much to the security of this country against the attempts of our enemies.

4. *Resolved unanimously*, That we recommend to the inhabitants of this County a strict adherence to the Association of the Continental Congress, and the directions of our late Provincial Con-

vention; and that in case any Township Committee should meet with obstruction in carrying the same into execution, that we will, and the rest of the County ought, to assist them.

5. *Resolved unanimously*, That the Township Committee-men in this County ought, as soon as possible, to collect the Flour and Grain subscribed for the poor of Boston, and convert the same into cash; and that they immediately pay such cash and all other moneys subscribed, into the hands of Messrs. John Donaldson and George Irwin, who, with the direction of any ten of the Committee, are to remit the same in Bills of Exchange to the Committee of Boston, for the poor of that place.

6. *Resolved unanimously*, That in case the Committee of Correspondence of this Province appointed at the last Convention, shall think proper, or if a majority of the County Committee shall consider it expedient that another Provincial Convention should be held, we do appoint James Ewing, Michael Swope, James Smith, Thomas Hartley, and Henry Slagle, Esquires, and George Irwin, George Eichelberger, David Kennedy, and John Houston, or any five or more of them, as the Deputies of this County to attend such Convention, and to agree to such matters and things as may be deemed necessary for the safety and welfare of this Province, or the common cause of American Liberty.

GEORGE LEWIS LEFLER, *Clerk*.

Letter to the Committee of Boston.

IN COMMITTEE, YORK-TOWN, *April 13, 1775.*

HONOURED FRIENDS AND COUNTRYMEN: SORRY are we to hear that the hand of oppression still bears hard on your city, and that the distresses of your poor are not yet alleviated. If your misfortunes and sufferings could be divided, the inhabitants of this County would cheerfully bear a part. This, it seems, cannot be done; your destined town must stand the shock alone. We want words to express the high sense we have of your conduct and virtue: few men in the world would have opposed despotism, and stood the torrent of ministerial vengeance with so much steadiness, intrepidity and resolution, as the inhabitants of your Town and Country have done. You have true notions of liberty. You have purchased it. You ought to enjoy it. The noble stand made by the Province of Massachusetts-Bay, if faithfully adhered to, has laid the foundation for establishing American liberty on the most firm basis. The other Colonies will be equally gainers by a favourable determination of the contest, and will not desert you in the

time of danger ; they will doubtless grant you the most effectual assistance.

This County, upon the earliest intelligence of your distress, forwarded subscriptions for the poor of Boston. Grain was generally subscribed ; we expected to have sent it last fall, but could not collect it at any seaport before the winter season came on, so that the shipping of it was postponed till the spring. Upon the meeting of the Committee of this County in February last, shortly after the receipt of the King's speech to the Parliament, it was thought that it would not be safe to send Grain. The Committee, therefore, determined to convert the Grain into cash, and remit the same in Specie or Bills of Exchange to you. Your poor have suffered much by this Resolution, as the price of Wheat is greatly fallen. The subscriptions of but a part of the County are yet to come in. We send you the sum of £246 8s. 10d., to be remitted to you in Bills of Exchange or Specie, by Messrs. Jonathan B. Smith and John Mitchell, Merchants of Philadelphia, which be pleased to distribute among our poor and unhappy Countrymen in your Town, or in its neighbourhood, in such manner as you shall think proper. As there are a few disaffected people in this Province, we must trouble you to publish the receipt of the donations as is mentioned in the enclosed paper. Your friends here are numerous, and most heartily interested themselves in your favour. As soon as the rest of the subscriptions in this County are paid, we shall cheerfully remit the same to you.

We wish you a speedy relief from all your sufferings, and are, gentlemen, with the greatest respect, your real friends and most obedient humble servants,

IN COMMITTEE, YORKTOWN, *July 1, 1775.*

GENTLEMEN: We had the honour of receiving your favour of the 15th ultimo, enclosing a resolve of the honourable Continental Congress of the 14th ultimo. We immediately summoned the Committee of this County, and laid before them your letter, &c. The Committee proceeded to the choice of officers fit to be recommended to the Congress, to command the company of riflemen to be raised, and appointed six Commissioners to provide necessaries for them. Every resolve passed in Committee with the greatest unanimity, and the gentlemen of Yorktown, after the meeting, dispersed themselves through the County, and assisted the officers in recruiting.

The spirit of the people on this occasion gave the Committee infinite pleasure. The men seemed actuated with the greatest zeal, and thought themselves honoured in having their names enrolled among the Sons of Liberty, who are to fight for their Country, and in defence of their dearest rights and privileges. The only uneasiness they feel is, that they are not at this moment at the scene of action. From the spirit of the soldiers we entertain the most flat-

tering hopes that they will prove serviceable to the cause of liberty, and reflect honour on this Country.

The principal people here have caught the spirit of the honourable Congress, and in their small circle have done everything in their power to animate their neighbors to stand forth in this day of despotism, and resist the arbitrary and unjust measures of Parliament with all the power which Heaven has given them. And we have the pleasure to inform you that their labours have not been in vain, and that the County is ready to strain every nerve to put into execution any measures which the Congress may judge necessary to our common defence.

The officers we take the liberty to recommend to you are, Captain Michael Dowdel, Lieutenants Henry Miller, John Dill, and John Watson. They are men whose courage we have the highest opinion of. The company, including officers and soldiers, are beyond the number fixed for this County, and as General Gates thought it improper to discharge any, we have sent them all.

We request the favour of you that proper care be taken that none are draughted out of their company into another. This is the request of the inhabitants of this County, many of them having their dearest friends engaged in the service, and would not by any means have them taken from their present officers.

We hope no alteration will be made in the officers. The Captain has behaved very well on this occasion, and has done all in his power, by advancing money, &c., to forward the important common cause.

Mr. Miller is known to some of you, gentlemen. The other officers are men of worth and property; they have all wives and families, and are entitled to the warmest thanks of their Country.

The Commissioners appointed to provide necessaries for the men, will forward their accounts as soon as they possibly can.

We are, gentlemen, your most humble servants,

JAMES SMITH,	JOSEPH DONALDSON,
GEORGE IRWIN,	THOMAS HARTLEY,
JOHN KEAN,	MICHAEL HAHN.

To the Pennsylvania Delegates in Congress.

P. S. The Company began their march the nearest road to Boston this day.

IN COMMITTEE, *July 28, 1775.*

At a meeting of the Committee and the Officers of the Militia Companies of York County, at York, held this day.

Present, forty-five County Committee-men, besides the said Officers. James Smith, Esq., in the Chair.

The Committee and Officers divided the County into five Districts,

or Divisions, and formed five Battalions. The Committee then, with the Officers of the Militia Companies of the respective Districts and Battalions, appointed Judges, and proceeded to vote by ballot for Field-Officers to be commissioned, when James Smith, Esq., was chosen Colonel; Thomas Hartley, Esq., Lieutenant-Colonel; and Joseph Donaldson and Michael Swoope, Esq., were chosen Majors of the First Battalion. Robert McPherson, Esq., Colonel; David Kennedy, Lieutenant-Colonel; Moses McClean and Hugh Dunwoodie, were chosen Majors of the Second Battalion. Richard McAllister, Esq., Colonel; Henry Slagle, Esq., Lieutenant-Colonel; and John Andrews and Joseph Jeffries were chosen Majors of the Third Battalion. William Smith, Esq., Colonel; Francis Holton, Lieutenant-Colonel; and Jacob Gibson and John Finley, were chosen Majors of the Fourth Battalion. And Matthew Dill, Esq., Colonel; William Rankin, Esquire, Lieutenant-Colonel; and Robert Stevenson and Gerhard Gress, Majors of the Fifth Battalion.

The Committee, and the Officers of the said Militia Companies thereupon proceeded to vote for Field-Officers for the Battalion of Minute-men for York County, proper to be commissioned; when

Richard McAllister, Esquire, was chosen Colonel;

Thomas Hartley, Esquire, was chosen Lieutenant-Colonel; and David Grier, Esquire, was chosen Major of said Battalion.

IN COMMITTEE, *July 29, 1775.*

Present, the Committee-men as mentioned yesterday. James Smith, Esq., in the chair.

The Committee proceeded as follows:

Resolved, That in conformity to the direction of the Assembly of this Province, and with a regard to the regulations of the Continental Congress, we do direct that five Companies of Minute-men be formed out of the several Districts of this County, that is to say, one Company in each Division by draughts or Volunteers from the several Militia Companies, each Company to consist of a Captain, two Lieutenants, and an Ensign, four Sergeants, four Corporals, a Drummer and Fifer, and sixty-eight or more Privates; and it is expected, that if there be a defect of Arms for these men, when there is a necessity of going into service, that the respective Battalions to which they belong will furnish with the necessary Arms.

Resolved, That if the County Committee-men and Assistant Committee-men, or a majority of them in any District, are at any time of opinion that an additional Company or Companies of Minute-men can be raised in their District, they may order the same to be done, which Company or Companies are to be under the same Field-Officers, orders, rules, and regulations, with the said other

Companies of Minute-men. The whole Battalion of each Division or District are directed to meet some time in the next week, or in the week following, and draught the Volunteers or proper persons as Minute-men for the respective Companies, who are to sign an attestation similar to that mentioned in the proceedings of this Committee. The subscribers are then to proceed to choose the Officers of the respective Companies, and make return of their names to the Field-Officers of the said Battalion of Minute-men, in order that they may be commissioned.

Resolved, That in order to prevent confusion and disorder, that no new Companies of Militia be formed in any Township, without the consent of the Committee-men of the Township, and three or more of the County Committee-men.

N. B. The Companies of Yorktown, Manchester, Windsor, Codorus, York, and Hellam Townships, form the First Battalion; the Companies of Cumberland, Hamilton's Bann, Strabane, Menallen, Mount-Joy, and Tyrone Townships form the Second Battalion; the Companies of Heidelberg, Berwick, Paradise, Mount Pleasant, Manheim, and Germany Townships the Third Battalion; Chanceford, Shrewsbury, Fawn, and Hopewell Townships the Fourth Battalion; and the Companies of Dover, Newberry, Monaghan, Warrington, Huntington, and Reading Townships the Fifth Battalion.

GEORGE LEWIS LEFLER, *Clerk*.

IN COMMITTEE, YORKTOWN, *August 22, 1775.*

WHEREAS, The Committee of York County has received information that sundry Butchers and Drovers from Maryland and elsewhere have lately been purchasing Sheep in this County, contrary to the Resolutions of the Convention of the Province of Pennsylvania.

These are therefore to give publick notice to all such persons who purchase Sheep to kill, or sell to butchers, that if they hereafter be detected in purchasing any Sheep in this County, or driving any through it purchased in this Province, under four years old, that they will be stopped, and treated as enemies of their country.

By order of the Committee :

THOMAS ARMOR, *Clerk*.

Meeting of Freeholders of York County.

IN COMMITTEE, YORK, *August 31, 1775.*

The Freeholders and other inhabitants of York County, entitled to vote for Representatives in Assembly, are hereby required to meet at the Court-House in York Town, on Tuesday, the seventeenth day of October next, to vote, by ballot or ticket, for sixty-

one persons as a Committee for York County, to continue for the space of one year then next following, if from the change of publick affairs they may think it expedient to dissolve themselves sooner. And as, from the dangers and necessities of the times, powers of the greatest magnitude may be exercised by those persons or their Delegates, it is expected that the meeting of the Freemen will be general, and that they will be judicious in the choice of persons to represent them. Each Township is desired to choose an Inspector, to attend at the time and place aforesaid, who will be qualified agreeable to the rules prescribed for the election of the present Committee.

By order of the Committee :

JAMES SMITH, *Chairman.*

IN COMMITTEE, YORKTOWN, *September 14, 1775.*

GENTLEMEN: We take this opportunity of returning to you an account of the number of Associations, and a list of the Officers' names of this county: The number of Associators that has been received by the Committee is 3,349. There is a greater number of Associates than the foregoing whose names we have not received; for the present we mention that number. There were about 900 non-Associators returned to the committee on the 28th of July last, many of whom have since associated; we cannot at this time undertake to return an exact list of the non-Associators, but shall do the same as soon as possible. The Associators and the non-Associators that we have an account of are chiefly taxable. We enclose you the proceedings of the Committee and Officers of the Militia Companies of this county. The divisions or battalions were formed and the seniority of each battalion fixed on by a unanimous vote; the mode fallen on was that each battalion should take rank according to the time of a majority of its companies having associated this gave universal satisfaction. We, who now address you, are members of one or another of the Battalions, and are very sensible that if seniority were now to be fixed by lot, it would tend to create confusion and injure the common cause, therefore, hope that commissions may be granted agreeable to the regulations of the committee and officers. In forming these battalions, great regard was had to the situation of the County and convenience of the inhabitants. The battalions do not all consist of an equal number, but none of less than 500 men, which you will see by the enclosed papers—the three first battalions are large enough for regiments, but you may give them what names you think proper. In the said list we return you the names of the officers according to seniority, agreed to in their respective battalions, in order to be commissioned. One of these battalions has but five companies, yet

they are so very large that a single company may act as a grand division until they can be divided with satisfaction and convenience to the inhabitants, in which the field officers, when commissioned, can very much assist. The particular townships of each battalion are to be regarded. The persons appointed for officers are generally agreeable to the people. We have been given to understand that Capt. James Dill, the officers of his company, and some others, are dissatisfied with the choice of Matthew Dill, Esq., for Colonel of the Fifth Battalion, that they were desirous of a new election and had written to you for that purpose. As to this, we can inform you, that without any confusion or disputation, and with the greatest fairness, Matthew Dill, Esq., was chosen Colonel of that division. A new election would answer no good purpose, but would tend to encourage faction, which we happily avoided in this County. We also enclose you a list of the officers' names in the Minute men of this County, raised in pursuance of the direction of the Assembly of this province, and the recommendation of the Continental Congress. These are the officers and men raised by them—the persons that are ready to be first called forth from this County for the service of the Common Cause. We are also of opinion that in the country it will not be so convenient to cast lots for whole companies that are to march in case of a call, as the discipline of all the companies are not alike; many have not the same advantages or opportunities to be taught, and a number in every company could not go, so that lot might often fall on companies that the community could have no reliance on; we therefore apprehend it will do better to fix on individuals that are to act in the first instance as Minute men. We have hitherto been unanimous and hope that the conduct of this County will receive your countenance and approbation. There are nearly 100 persons associated in Germany Township, but as there is some little confusion concerning their officers, we shall defer sending their names for some time.

THOMAS ARMOR, *Clerk*.

IN COMMITTEE, 5th February, 1776.

At a meeting of the Committee of Correspondence for the County of York, held this day.

The committee taking into consideration the state of the country, are of opinion that several companies, beside the two already ordered, might be immediately raised in this county for the Continental service, provided they were officered in this county. That, considering the zeal and patriotic spirit of the people, we think that in the late appointment of officers in the troops to be raised in this province, this county has not had its proportion. Therefore,

Resolved, That the chairman of this committee do write a letter to the delegates of this province in Congress inclosing this resolution, to be laid before the Congress, and expressing the willingness of this county to exert themselves to the utmost in defence of the Common Cause, with the request that if any more troops are soon necessary to be raised in this province in the Continental service, that this county be honored with the officering six companies, and recommending the Field Officers of the battalion, as we make no doubt but the greater part of the men for the companies might be raised in York County.

Resolved, That a letter be written by the Chairman to the Committee of Safety, requesting their weight and concurrence with the Congress in favor of the above application.

THOMAS ARMOR, *Clerk*.

Letter to the General Committee.

IN COMMITTEE, YORK, February 5th, 1776.

GENTLEMEN :—The inhabitants of this county, who have been always ready to grant their assistance in favor of liberty since the commencement of the present unhappy dispute between Great Britain and these Colonies, consider that on account of the shortness of the notice given by the board, that they have not their proportion of the officers appointed in the different battalions. The service suffers by this. The best men and the flower of the youth

will not engage with strangers. The two Companies ordered in this county are already nearly completed; but Officers from other counties will not be equally successful. Had more companies been ordered in York County, and the Officers recommended from hence, we apprehend they would have been in great forwardness. This county is not very ambitious of having officers, but it still gives disgust to many persons to see numbers in the other counties, not even equally qualified, and who have done nothing in the common cause preferred, and themselves unnoticed.

The Committee of Correspondence met on the 5th inst., and came to the resolutions, which I beg leave to inclose, and hope that they will meet with your approbation and weight. As it is probable from the present situation of Mr. Swope's family that he will not be able to attend you soon, Mr. Hartley, the bearer, will be ready to wait on the Board, and give them some material information relating to the above, as also some other matters of consequence.

I am, Gentlemen, with the greatest Respect,

Your most Humble Servant,

JAMES SMITH, *Chairman.*

HANOVER TOWN, HEIDELBERG TOWNSHIP,

March 30, 1776.

WHEREAS, Information has been given unto us, the subscribers, Members of the General Committee for York County, that a certain Robert Owings of Heidelberg Township aforesaid, had, on the 15th day of this instant, in an open and publick manner, taken the liberty to speak in an unbecoming manner against the measures now pursuing for the maintaining our invaluable rights and privileges; and, being called before us, was duly convicted thereof by sufficient testimony. Whereupon he, the said Robert Owings, expressing his hearty and unfeigned sorrow for his said conduct, agreed further to signify his entire disapprobation thereof, by signing the underwritten declaration, which was voted satisfactory.

[The Declaration not found.]

IN COMMITTEE, YORK, *May 28, 1776.*

SIR: On Saturday last we were favoured with the company of several of your respectable body, joined by others the worthy citi-

zens of Philadelphia, who laid before our town Committee, immediately assembled for that purpose, the letters, votes and proceedings of the City and liberties of the capital. The joy we felt upon this interesting occasion may be more easily conceived than expressed. Towards evening, a certain Charles Stedman, attorney-at-law, came into town, and opened to his host his having certain papers tending to the confirmation of the powers of Government in the hands of the present Assembly. This good citizen lost no time till he made the Committee acquainted with the important discovery; orders were thereupon issued forthwith for securing Mr. Stedman's portmanteau, and keeping an eye on his person, till he might be examined. On our Secretary's application, he readily confessed his having three copies of the Remonstrance, issued by the party too notoriously the enemies of the rights of freemen to find much countenance here. These copies he delivered to the Secretary, and then, as well as upon his examination, declared that he found them at his father's house, in Philadelphia, and was there told they had been left by Mr. Andrew Robinson, with a verbal request to carry them to William Maclay, Esquire, at Sunbury. Nothing further appearing amongst the packages of Mr. Stedman, he was suffered to pass, after he had regained, opened, and read a letter he had been seen conveying to one of the prisoner's servants, which only discovered his great affection for the worthy family of Doctor Kearsley, as he was pleased to style them, and some other worthies of the same political complexion.

Mr. Stedman's departure from town was attended with such circumstances as caused two young men, who came with another large packet of these treasonable papers, directed to Messrs. Johnston & Lukens here, to decamp with precipitation. These carriers told the landlord they had received their charge from Doctor Smith and Phineas Bond, at Lancaster.

Our Committee being early assembled, Messrs. Lukens & Johnston showed an anonymous letter, directed to them both, requesting them to forward the letters and remonstrances without loss of time, and the Evening Posts, and to request their dispatch in procuring the signing of those papers in their several Districts. On the delivery of the bundle to the Committee, it appeared filled with remonstrances and Evening Posts, and sundry sealed letters, one of which, directed to Henry Wolfe, of Yorktown, was opened by his consent and read, a copy of which is enclosed.

By this discovery, the Committee judged it proper to retain all the other letters till Friday next, when a meeting of the County Committee is warned to take all these important matters into consideration. You may depend upon the event of this meeting to be favourable to the cause of liberty, as the sense of the town militia was taken yesterday, and I am happy in being able to assure you

that not a single dissentient or even cool person appeared in four large companies. By order of the Committee.

I am, gentlemen, your most humble servant,

JAMES SMITH, *Chairman.*

To the Honourable Committee of Inspection and Observation of the City and Liberties of Philadelphia.

IN COMMITTEE FOR YORK COUNTY, *May 30, 1776.*

Present: Fifty-five Members. Colonel Robert McPherson in the Chair.

The Resolve of the honourable Continental Congress, of the 15th instant, being read, was most cordially agreed to and thankfully accepted; and

Resolved, That a delegation from this body, of nine members, be ordered to attend the Conference of Committees at Philadelphia, the 18th day of June next, to consider of the best and most effectual measures for carrying into execution and settling the preliminary steps for the election of a Provincial Convention, to form a Constitution founded on "the authority of the people."

Resolved, That as former Legislative powers of this Province cannot act without being under oaths or affirmations to the King of Great Britain, and dependent on him, which, by the cruel and wicked proceedings of that King and Parliament of Great Britain, more especially by a late Act of Parliament declaring the Colonists Rebels, and cutting them off from the protection of that Crown, the same has become incapable of legislation, and in that respect totally extinct; but

Resolved, nevertheless, That the Executive powers of Government ought to proceed in the usual channel, and that the laws heretofore made be put in due execution, until a Government, formed on the authority of the people only, takes place, agreeable to the Resolves of Congress of the 15th instant.

Resolved, That Mr. James Rankin, lately chosen a member to represent this County in Assembly, in sending seven Letters and a bundle of Remonstrances to seven inhabitants of this County, for the express purpose of getting those Remonstrances signed by the people here, and transmitted to Philadelphia, (which Remonstrances can be calculated for no other purpose than to draw this Province off from the present union with the other Colonies, or to divide the people so as to fall an easy prey to our inveterate enemies,) has violated the trust reposed in him by the good people of this County.

Resolved That should any person or persons be so lost to all sense of duty to the publick as to attempt to procure signers to said poisonous and destructive Remonstrance in this county, that the said person or persons will be considered as violators of the Resolves of Congress, and inimical to the liberties of America.

Moved, That the said Letter be read; and it was read accordingly.

Moved, That the Resolve of Congress of the 15th Instant, be read, with the proceedings at the State-House at Philadelphia, the 20th Instant; which were read accordingly.

Moved, That the Protest of divers of the inhabitants of this Province, in behalf of themselves and others, lately presented to the Honourable House of Assembly, be read; and it was read accordingly.

Moved, That the Address and Remonstrances of divers of the inhabitants of the City and Liberties of Philadelphia, lately presented to the Assembly against the above Protest, be read; which was read accordingly.

After having maturely considered the Letter and papers above mentioned, it was moved, and

Resolved, unanimously, That a number of the Committee be nominated to meet Deputies from all the other Committees in the several Counties in this Province, at Philadelphia, on Tuesday, the 18th day of June next, in order to agree upon and direct a mode of electing members for a Provincial Convention, and to determine upon the number of which the said Convention shall be composed; which Convention is to be held at such time and place as the said Conference of Committees may appoint, for the express purpose of forming and establishing a new Government, under the authority of the people only, for the preservation of internal peace, virtue, and good order, as well as for the defence of their lives, liberties, and properties, according to the express declaration of the honourable the Continental Congress, preceding and immediately connected with the recommendation mentioned in the said Resolve.

On motion, *Resolved, unanimously,* That six members of the Committee be nominated for the above purpose.

On motion, *Resolved,* That Robert Levers, John Wetzel, Nicholas Dupui, Neigal Gray, David Deshler and Benjamin Dupui, be a Committee, appointed in behalf of this County, to meet at Philadelphia, on Tuesday, the 18th day of June next, with the above-mentioned conference of Committees for the above purpose.

Upon complaint of Michael Ohl, a Letter was wrote to the Committee Man of Heidelberg Township requesting him to apply to the Members of said Township, and represent the Injustice they do Mr. Ohl in withholding from him £18, which he, when Committee Man, had advanced for the Honour & Credit of that Township, respecting the raising two Rifle Men towards completing a Company; and at the same time directing him to acquaint the said Inhabitants that it is the Opinion of this Board, they ought immediately to satisfy Mr. Ohl in his said just demand.

The following Members were appointed as a standing or Corresponding Committee, Viz: Lewis Gordon, Robert Levers, Jesse Jones, Abraham Berlin, Jonas Hartzell, Cornelius Weygant and Robert Matthias.

At a Meeting of the Standing Committee, held at Easton, the 6th day of June, 1776, Present Lewis Gordon, Chairman, Abraham Berlin, Jesse Jones, Jonas Hartzel, Cornelius Weygant, and Robert Matthias.

Michael Probst vs. Michael Ohl.

Pltiff complained that the Deft. hath reported that the Pltiff-

being a Capt. in the Association of this County did take his Association Book with the list of Subscribers thereunto and producing the same in Philadelphia had received a gratification of 2 per cent. for every of the subscribers therein.

Upon hearing the evidence of Col. Geiger and David Deshler, it does appear that the Deft. did speak and utter words to that import; Therefore, resolved by the Committee, that he the said Michael Ohl be reprehended by the Chairman for his low design in spreading false reports tending to the disunion of the Associators and others in this County. And he was reprov'd accordingly, and was moreover cautioned to avoid such inflamatory Speeches for the future.

Evidence against Joseph Romich, of Maccongie.

Jacob Bear says that he, Peter Haas & Jacob Stephen were chosen & appointed by the Inhabitants of Maccongie Township, Collectors to receive & take the fire Arms from the Non-Associators and other disaffected persons in the said Townships; that when they came the first time to the House of the said Joseph Romich for the purpose aforesaid, the said Joseph said that he would not deliver up his Arms, that they the said Collectors had no right; and that they were Thieves & Robbers and not Christians; that the said Collectors went a second time to the house of the said Joseph for the purpose afs'd, and in a calm and discreet manner demanded his Arms; who replied he had Arms but would not deliver them up. Whereupon they made a search and found only one Gun which belonged to John Kline, who is a lodger with the said Joseph.

Said 6th June, 1776.

John Wetzel vs. John Dunkle.

Evidence of John Haas, who says that last Saturday week, when the Company were under Arms exercising in Maccongie Township he heard John Dunkle of said Township in a conversation say words to this effect—that John Wetzel being a Committee Man in the year 1775, and in that capacity had raised one Rifle Man & Rifle in order to join Capt. Miller's Company, then in the Continental Service; had not only collected the Money out of the said Township in order to defray the said Expence, but had also received payments for the same from the hands of the Congress; thereupon Ordered, that John Dunkle ask pardon of Mr. Wetzel in the presence of this Committee and also that he acknowledge in the presence of the Company of that District that the aforesaid words are false & groundless. He accordingly ask'd pardon in the presence of this Committee and promises to perform the other Injunction.

Joseph Romich spoke to the same purpose against Mr. Wetzel as to his receiving twice for the Rifle Man & Rifle.

Resolved, That Capt. Trexler, of Maccongie Township, with a sufficient party of his Associators bring Joseph Romich and John Romich before the Committee to be held at Easton the 13th Instant, at one O'Clock in the afternoon, to answer such matters & things as shall be objected against them; they the said Joseph & John having been legally Summoned to appear here this day, paid no regard thereunto, and refused absolutely to attend.

At a Meeting of the Standing Committee, held at Easton the 13th day of June, 1776, Present, Lewis Gordon, Chairman, Abraham Berlin, Jonas Hartzel, Cornelius Weygandt, Jesse Jones and Robert Matthias.

Evidence against Michael Ohl for uttering disrespectfull words against the Hon'ble Congress and Assembly.

Jacob Grenawalt says that in January last, he the said Jacob and a certain Martin Buchanan came to Northampton Town on their way from Easton, that they put up at the house of Nicholas Fox there; that after they had been there some time Michael Ohl came into the said house; that in a conversatian with the said Michael, he the said Jacob said he expected to get an Association Book in Easton, but could not get any; that the said Michael replied he had one and that any body might have it that would, for he was sure that no body would sign it—and that he would —— in such a book—that the effect of such discourse was that the Inhabitants of Weisenburgh Township would not sign the said Book; and that the said Jacob being then a Township Assessor did not go round to take a list of the said Inhabitants, until he had received a Letter from the Commissioners for that purpose and that he did not hear the said Michael say anything of the Congress.

Henry Lawalt says that Michael Ohl in a conversation told him that Major Pobst, formerly a Capt. in Weisenbnrgh Township, did take and receive at Philadelphia 20 shil. p'r head for every Subscriber that had put his name to the printed Book of Association in the said Township; Which words so spoken had a bad effect upon the public and restrained many from signing the said Association; and in general set his district in great confusion, and was very prejudicial to the general Service of defending the Rights of America.

Col. Geiger informs against Michael Ohl to the same purpose.

John Feller, of Heidelbergh, informs also to the same purpose.

After hearing evidence on both sides respecting the conduct & behavior of Michael Ohl, it does appear to this Committee that he is highly culpable and blamable in opposing himself to the utmost of his power against the salutary Measures of the Honourable

House of Assembly for Associating ourselves together in defence of the sacred Liberties of America. It is therefore

Resolved, that he sign a Recantation now drawn up by this Committee and pay all Costs Accrued hereupon, and also that he discontinue a certain Action brought by him against the said Michael Pobst in the Court of Common Pleas of this County; otherwise to be published in the Publick Newspapers as an Enemy to the common Cause of America.

Resolved, That the said Recantation when signed be published in the English and German Newspapers.

Wherenpon he subscribed the said Recantation accordingly.

“EASTON, *June 13, 1776.*”

“Whereas, I the subscriber have most imprudently and indiscreetly reported and spread abroad throughout the said County, that a certain Major Michael Pobst, of the Second Battalion of Associators in this County, formerly a Captain in Weisenburgh Township, had unjustly received and taken at Philadelphia twenty shillings per head for every subscriber to the printed book of Association in the Township afore-said, by which means many well-wishers of the American cause were deterred from signing or associating together agreeable to the resolves of the honourable House of Assembly; and being now sensible of my folly and guilt, do hereby ask pardon for my offended fellow-citizens, promising in future to conduct myself so as to regain their good will and approbation.

“MICHAEL OHL.”

Henry Wetzel, Lieutenant in Capt. Trexler's Company, appeared in Committee and made report, that in consequence of request of this Committee to Capt. Trexler to bring down Joseph Romich and John Romich, he the said Henry with four more of the same Company went to the Houses of the said Joseph & John to prevail upon them to go to Easton to attend this Committee, before they would offer any force; and having acquainted them with the occasion of their coming, they the said Joseph & John promised to attend here this day. And they not now appearing according to their promise, it is Ordered by this Committee the said Lieutenant Wetzel bring them down by force to attend here the 15th Instant.

Adjourned to the 15th Instant.

At a Meeting of the Standing Committee, according to adjournment the 15th day of June, 1776, Present, Lewis Gordon, Chairman, Jonas Hartzel, Abraham Berlin, Cornelius Weygandt, and Robert Matthias.

Joseph Romich & John Romich appeared in Committee, and the Evidences were examined as follows:

Peter Haas informs to the same effect as Jacob Bare did before this Committee the 6th Instant.

Christopher Markle says to the same purpose as Mr. Haas.

John Markle says, that he served Joseph Romich & John Romich with a Summons from this Committee to appear at Easton on the 6th of this Instant; that John Romich read the Summons and said he **** upon it; that Joseph Romich said they would come if they pleased; & if not, they would stay at home.

Peter Trexler says, that he was one of the party that went yesterday to the House of Joseph Romich in Order to bring him down to appear before this Committee; that when they came there the said Joseph Romich & John Romich were shut up in a Room in the said House; that this Evidence went to a Window of the said Room and desired them to open the Door; that John Romich replied they would, if they would not kill them; that the said Joseph had a Gun in his hand; that this Evidence desired Joseph to put away the Gun and to open the Door, Who replied we are in a passion, we do not know what we may do; some little time after Joseph set the Gun behind a Stove in the Room, and opened the Room Door.

Jacob Kichley says, that they yesterday entered the dwelling House of Joseph Romich by lifting up a Latch of the Outer Door without any Force; that Capt. Trexler handed the Gun, mentioned in Peter Trexler's Evidence, to him, the said Jacob, when he drew out the Wad, and found therein five swan shot and powder; that the Gun was primed and had a flint.

Andrew Miller and Leonard Myer say, respectively, that they saw Capt. Trexler take a Tomahawk off the Stove before mentioned and handed it to Henry Haas.

Several more Evidences were examined to the same purpose.

After hearing the Evidence aforesaid and the defence of the said Joseph and John Romich respecting their Conduct, It appears to this Committee that, they are highly Culpable in opposing the Resolves of the Hon'ble House of Assembly, and in disobeying the Summons of this Committee. It is therefore

Resolved, That unless the said Joseph and John do Voluntarily sign a Recantation drawn up by this Committee and pay all Costs accruing hereupon, that they be published in the English and German News Papers as Enemies to their Country.

Whereupon they accordingly Subscribed the said Recantation :

“ EASTON, *June 15, 1776*

“ We, the subscribers, inhabitants of Maccongie Township, in the County of Northampton, do voluntarily acknowledge that we were duly waited upon in an orderly, decent and discreet manner, by the persons appointed in the said Township, to receive and take the arms from the Non-Associators and other disaffected persons,

agreeable to the resolves of the honourable House of Assembly; and that we did most imprudently refuse to deliver up the same, and also did refuse to pay any obedience to the summons of the Committee of this County, who were therefore obliged to send a party of Associators to compel us to answer for our misconduct; and that we did then resist their authority by loaded fire-arms to the endangering of their lives. Being now convinced and made sensible of our error, we do humbly ask pardon of our injured and incensed countrymen, promising to deliver up our fire-arms immediately to the persons appointed for that purpose; and that we will in future demean and conduct ourselves in such a manner as to recommend us to the friends of American liberty.

“ JOHN ROMICH,
JOSEPH ROMICH.”

Resolved, That the same be published in the News Papers.

At a Meeting of the Standing Committee held at Easton, the 22d day of June, Anno, 1776, Present, Lewis Gordon, Chairman, and the other members.

Jacob Stepien, one of the Collectors of Arms in the Township of Maccongie, made complaint that Conrad Brey, Nicholas Klotz, Isaac Klotz, Ludwig Meckel, Leonard Miller, Jacob Shuler & John Butz, Inhabitants of the said Township, being Non-Associators do refuse to deliver up their Arms agreeable to the Resolves of the House of Assembly.

Whereupon Summons were issued against them, returnable to Wednesday the 26th day of this Instant.

Capt. George Hubner, Powder Maker, agreed with this Committee to deliver to them 140 lbs. good Gun Powder Neat Weight for every Cwt. of Salt Petre they should deliver to him Gross Weight, he to be allowed at the rate of £3 per Cwt. for making, and for the Casks; he the said Hubner delivering the Powder at Easton & fetching the Salt Petre Gratis.

Mr. Jacob Opp, Commissioner, is appointed to receive all the Salt Petre made in this County who shall pay for the same at the rate of £25 per Cwt. or 5 p. p^r pound.

Adjourned to Wednesday the 26th Instant.

The 26th day of June, 1776, The Committee met according to adjournment, Present, Jesse Jones, Abraham Berlin, Jonas Hartzel, Cornelius Weygandt, and Robert Matthews.*

* Prior to this the name is written plainly Matthias.

On Motion, Jesse Jones was nominated Chairman for this day in the absence of Lewis Gordon.

Conrad Brey, Nicholas Klotz, Ludwig Meckel, Leonard Miller, Jacob Shuler & John Butz severally appeared in Committee in pursuance of the Summons issued against them and the Evidence was taken as follows :

Evidence against Conrad Brey.

Peter Haas, one of the Collectors of Arms in Maccongie Township, says, that about six weeks ago the said Conrad denied that he had any Arms when the said Haas called upon him for that purpose, But now confesses that about two weeks ago he sold his Gun to Stoffle Brey for 25s. Ordered by this Committee that the said Conrad do deliver up the said Gun to the Collectors of Arms in Maccongie Township by next Monday ; and that he pay to Peter Haas & John Moser 5s. for their trouble & expence in attending this Committee, the said Moser having served the Summons.

Peter Haas says, that when Nicholas Klotz was called upon for his Arms, he said that his Gun was taken away from him without his knowledge ; but that since he was summoned he had delivered up his Musket. Ordered that the said Klotz pay the said Haas & Moser 5s. for their expences, &c.

Ludwig Meckel confesses, that he had two Guns, but that he had sold them to Casper Sheneberg, of Whitehall Township, for £5, however he agrees to deliver them up to the said Collectors of Arms by next Monday. Ordered that he also pay to the said Haas & Moser for their trouble & expences, 5s. &c.

Leonard Miller confesses, that he has a Gun in his house, but says it belongs to his Son who is now in the Continental Service, and is willing to deliver it up to the said Collectors ; provided they give him a receipt for the same, mentioning the Value thereof. Ordered that the said Collectors give him a receipt accordingly ; and that he also pay said Haas & Moser, 5s., &c.

Evidence against Jacob Shuler.

Peter Haas says, that when he demanded the said Jacob's Arms, he gave him for answer that he had a Gun but had sold it to Andrew Werner of Philadelphia County for the highest price he could get, at least for £3, and had received 5s. earnest. Mr. Haas offered to pay him the 5s. if he would deliver up his Gun, which the said Jacob refused to do. Ordered by this Committee, that the said Jacob do deliver up his Gun to the Collectors aforesaid by next Wednesday, & pay costs as aforesaid.

Evidence against John Butz.

Peter Haas says, that last November the said John did exercise in Capt. Peter Trexler's Company of Associators, and had then a

Gun; that when the Association Books came up the s'd Butz refused to sign, and confesses that he sold his gun to John Wetzel for 30s. after the said Books came up. Ordered that the said John deliver the said Gun to the said Collectors by next Wednesday & pay same Costs.

Upon the complaint of Peter Kachlein, Esq., Lieut. Colonel of the first Battalion of Associators in this County, representing that a certain John Musch of the town of Easton had falsely and maliciously calumniated and slandered him by circulating a report that the said Peter Kachlein was proffered the quantity of two thousand Acres of Land as a Bribe or-Reward to use his best influence & Interest to keep up & support the Assembly of this Province. And the said Peter Kachlein farther represented that the Courts of Law being now shut up he could find no redress or remedy from thence: he therefore prayed this Committee to take the same into consideration. Whereupon, it is resolved that the parties & their evidences be heard immediately. And the said parties appearing in Committee, the said Peter produced Cornelius Weygandt (one of the Members of this Committee, who solemnly declared that the said John Musch told him that the said Peter was to have two thousand Acres of Land as a Bribe or Reward for his support-

ing & upholding the Assembly of Pennsylvania or words to that effect. The Committee then adjourned for farther consideration for the space of three hours. And being met again resumed the consideration of the aforesaid complaint and upon mature deliberation are of Opinion that the said John Musch shall sign a writing acknowledging his fault for circulating so injurious a report which had greatly hurt the Character of the said Peter Kachlein through the whole Country, but more especially as an Associator and Officer whereby the publick Service is likely to sustain some loss; which Paper being drawn up the said John refused to sign; and being repeatedly afterwards Summioned to appear before this Committee he constantly refused to pay any Obedience thereto. Capt. Arndt vs. Frederick Reeger.

Capt. John Arndt complains that Frederick Reeger had said that the Captⁿ hid himself behind an old Barn in the Battle on Long Island the 27th August last; that he had run away from his Comp'y at Fort Washington, and that he had sold his Comp'y, to prove which assertion the Captⁿ produced Michael Walter.

Michael Walter, upon his examination declared, that Frederick Reeger told him that if Capt. Arndt came into Easton he should not go out as he came in; that for all he said, Frederick was an old Man, he would be revenged on him, and that the Captⁿ had sold his Com'y.

Elijah Crawford, upon his examination declared, that he being one of Capt. Arndt's Comp'y, was with him all the time during the Battle on Long Island, and cannot say that the Capt. hid himself in any wise during the Engagement or in any manner deserted his Comp'y, but that on the contrary that by his good conduct saved above twenty of his Comp'y, who would have either been killed or taken prisoners.

John Lyle, being examined, declared, that he was in company with Capt. Arndt in Fort Washington the day before the Battle there, and that he cross'd the North River with him; that while in the Fort, he did not hear it mentioned that they expected an Engagement; and that the said Lyle was sure, if it had been talked of he would have heard it, he having had several acquaintances there.

Upon hearing the above Evidences it appears that the several charges laid against Capt. Arndt by Frederick Reeger are false and groundless; and that the said Frederick is highly blamable in spreading such reports to the prejudice of said Captⁿ. And therefore Ordered that the said Frederick make acknowledgment to Capt. Arndt for his misconduct.

Said 27th Decmr.

Elias Long, Christopher Bowman & Frederick Garres, who were lately committed to Goal, Petitioned this Committee setting forth that they were heartily sorry for their past conduct and praying to be released, &c.

Ordered, that they appear in Committee and give Security for their good behavior for the space of one year; whereupon the said parties appeared and acknowledged their fault and that they were sorry for their late conduct and promised to behave better for the future.

Elias Long tent in £40, John Mack in £20, Christopher Bowman £40, John Mack £20, Condition^d for the good behaviour of the said Elias & Christopher toward the Inhabitants of the American States, & especially towards the Continental Congress, the Committee of this County, or any other Authority of the said States for the space of one year, & that they pay their Goal Fees and Costs.

Frederick Garres tent in £40, Thomas Marr tent in £20, Cond'd for the same, in all things as the above.

Upon hearing of Andrew O'Brian, now confined in Goal, who was sent from Morris County on suspicion of being a Tory, it appears that he is a Soldier of Capt. William Chambers' Comp'y now in the Continental Service, and was lately taken prisoner on York Island, but made his escape from the enemy.

At a Meeting of the Standing Committee at Easton, the 9th day of January, 1777, Present, Abraham Berlin, Anthony Moore, Timothy Reed, Peter Kohler, Jacob Shoemaker, and Nathaniel Britain.

Capt. Christopher Fisher appeared in Committee, and being asked what were the reasons why he had not Marched with his Company, or at least with what Men he had enlisted according to the repeated Orders of this Committee, replied that those he had enlisted would not March, unless they received their pay from the time they had enlisted, and that before they marched.

The said reply of Capt. Fisher being no wise satisfactory there

fore resolved that he return the Money he received of this Committee to pay the Bounty & advance for 107 Men which he undertook to enlist (the time for which they were to have been enlisted being expired) whereupon Capt. Fisher paid into the hands of Mr. Abraham Berlin £480, And Ordered that he give Security for the remainder being £108 10.

Jacob Arndt and John Pap appeared in Committee and produced Certificates from the Continental Camps certifying that they had been employed in the Service with their Wagons & two horses, with complete Gears for four horses left behind at the Camp, the said Jacob and John not being able to withstand it any longer on account of the weather, and not having leave to return without leaving the said Articles behind them; And praying this Committee to appoint some proper persons who had knowledge of the Value of these Articles to Appraise the same, so that the parties might be rewarded for their said loss. Whereupon, David Alliman, Herman Lerch and Adam Stucker are appointed to Value & appraise the Wagon, Horses, & Gears of Jacob Arndt; and Thomas Sillyman, Melchoir Stacher, & Jacob Weygandt to Appraise the wagon, Horses and Gears of the said John Pap, and that they make report to this Committee

At a Meeting of the Standing Committee at Easton the 23d day of January, 1777, present, Abraham Berlin, Arthur Lattemore, Anthony Moore, Peter Beisel, Jacob Shoemaker and Nathaniel Britain.

Mr. Berlin acquainted the Committee that he had given Mr. Gordon Notice to attend here this day, according to the Order of last Meeting; and that Mr. Gordon gave him for answer that he would not attend, that the Committee might wait upon him; therefore ordered that a Notice be sent to Mr. Gordon to attend the Committee immediately, otherwise send his reasons in writing for not attending; whereupon a Notice being sent to him by Mr. Shoemaker, he returned for answer that the low & weak condition he was at present in, would not admit of his attending, therefore, Ordered, that it be postponed until next Meeting.

Ordered, that Major Labar be required to have at Easton by next Saturday a Guard of Three Serjeants & thirty privates, with a Drummer and Fifer, during the Treaty now to be held here, who shall be under Continental pay and Rations.

Beck he the Colo. should be a dead man; that sometime ago, the Colo. sent to the said Wm.'s house for a Drum belonging to his Battalion, the sd Wm.'s son Leonard being a Com'y Drummer, & refused to go with the Battalion; that Wm.

Beck replied he should not have the Drum & that if the whole Battalion were to come they should not have it, for he had Powder & Lead in his house for 24 hours & would defend himself; Martin Ashbach, being also present, said, yes, & for a much longer time.

Major Kryder confirms what the Colo. says, & that all the Becks above named were present at his house & had hold of Colo. Dreisbach.

Robt. Young saw Fred'k Beck lay hold of Colo. Dreisbach by the Neck and drag him towards the Stair Case.

Capt. Strouse testifies to the same purpose.

William Beck upon his examination confesses to the charge laid against him by Colo. Dreisbach and that he is sorry for what he has done.

Upon hearing the parties and their Evidences, it is Ordered that William Beck, Senr, ask pardon of Colo. Dreisbach & his Officers for offending them in such a Manner, and promise to behave himself for the future, and that he give Security for the same and pay his Costs; And that the other Defnd'ts, being all Associators, return to their respective Battalions, and there be tried by a Court Martial for their bad conduct.

William Beck, Senr, tent in £40, Samuel Wilson tent in £20, Philip Storm tent in £20, Cond'd, for the good behavior of the said William towards Colo. Dreisbach and his Officers for the space of one year, & pay Costs.

At a Meeting of the Standing Committee, held at Easton, the 7th February, 1777, Present, Abraham Berlin, Arthur Lattemore, Peter Beisel, Anthony Moore, and Jacob Shoemaker.

Conrad Omensetter appeared in Committee and made complaint that his large Flat had been lately taken from him down to Easton Ferry in Order to carry over part of Genl. Sullivan's Army where the said Flat still remains, whereby the said Conrad sustains great damage as well at his Ferry as at his Grist Mill, Many of his Customers living on the opposite side of the River, which he cannot fetch over, Praying that he may be allowed a reasonable compensation for the Use of his Flat. It is therefore Ordered by the said Committee, with the concurrence of Colo. Joseph Dean, one of the Members of the Council of Safety, that the said Conrad be allowed 5s. pr day for his said Flat from the time it has been taken away until it shall be returned to him.

Ordered that the Scantlin taken by Mr. Berlin from Doctor Ledlie to build a Kitchen for the use of the Hospital at Easton (the same not being wanted) be returned by Mr. Berlin to the place where it was taken from immediately; And whereas the property

of the said Scantlin is now in dispute in Court between the said Doctor Ledlie and John Dunn, it is Ordered, whoever of them shall gain the property of the same, shall pay Mr. Berlin the Workmanship done by him to the said Scantlin.

N. B. There are three Hewed pieces along with the Scantlin the property of John Dunn and not in dispute.

At a Meeting of the Standing Committee, held at Easton, the 15th day of February, 1777, present. Peter Kohler, Arthur Lattemore, Jacob Shoemaker, Timothy Reed, Jeremiah Trexler, Abraham Berlin, Peter Myer & Peter Beisel.

On Motion Peter Kohler was chosen Chairman *Pro Tem*.

The State of Pennsylvania vs. William Thomas & others.

For certain treasonable practices committed by them against the said State, as well in signing certain papers to the prejudice of the American Cause, as in their Conversation, &c.

Peter Gift says that Jacob Oswald read the papers to him and that he heard Philip Moser say if they signed that paper they might stay at home & not go with the Militia, for the Militia were a going to draft & if any of the Signers should be fetched by the Militia they would defend themselves & Assist one another ag't them.

Andrew Miller says, that he heard Philip Moser say that there was a Proclamation given out that they should have peace again. as in the year 1763, if they laid down their Arms, and whoever sign'd that paper might have peace. That William Thomas & his two Brothers & Samuel Custard were present at the Meeting held at Burghart Moser's in Lynn Township.

Frederick Sander says, that the intent of Signing that paper was that whoever signed it might stay at home, & not go to the Camp with the Militia.

Jacob Oswald says, that William Thomas came to his house on the evening of the 15th December last, Jacob Wertman being in Company with him; W. Thomas asked this examinant to go along with him to Philip Moser's, & that he should take pen & ink with him; accordingly they went together to said Moser's: in the meantime Wertman went and gave Notice to Daniel Oswald & others to attend to said Moser's also; when they came to Philip Moser's, Wm. Thomas said to said Jacob he should draw a piece of Writing which they would sign in Order to defend themselves against the Wyeming People and others who had threatened to come and destroy their property; which the s'd Jacob Oswald at first refused to do, but however, afterwards consented and the s'd Wm. Thomas & Philip Moser told him what to write word for word, Thomas

dictated more than Moser ; said Oswald took only a Minute of the Writing that Evening in Order to Write it next day ; Wm. Thomas & Philip Moser gave Notice to those present to attend at Burghart Moser's next day by 10 O'Clock in the forenoon, in Order to Sign the said paper ; Next day Jacob Oswald went to Burghart Moser's & wrote the paper which is the same now shewn to him by the Committee—Wm. Thomas told him to put a penalty in the same which he did of Fifty pounds.

Same Meeting.

Colo. Geiger says, that when William Thomas was a prisoner at the house of Michael Shnyder about the 24th Decem'r last, the said Thomas said to the Colonel, I am a prisoner now, but Lord Howe will be over the Delaware in a short time and then you will be a prisoner.

Philip Moser says, that it was strongly reported that some of the Militia under Colo. Geiger and some from Wyoming would come and take away all their clothing, and for that reason they had made the Writings in order to defend themselves ; that Philip Anthony had been up at Wyoming and had told the people there that he the said Moser was a great Tory and that they should come down and destroy his Effects.

Upon hearing the several Evidences in the above Cause, and the confession of the parties themselves, it appears that they are severally guilty of the charge laid against them ; for which they were committed ; therefore,

Resolved, That each of them Sign a Parole drawn up by the Council of Safety of this State ; that they give Sufficient Security for their future good behavior in the respective Sums, to their Names hereunder set, which Security to be a Freeholder and Associator ; that each of them pay the sum of Money to his respective Name annexed, being the Costs accrued thereupon, and that each Man pay his Goalers :

At a Meeting of the Standing Committee, held at Easton the 6th day of March, 1777, present, Abraham Berlin, Arthur Lattemore, Peter Beisel, Timothy Reed, Anthony Moore, & Jacob Shoemaker.

Upon the complaint of Capt. Chrystie of the 2d Pennsylvania Battalion, that Adam Butz of Plainfield Township had swopped a rifle with one of his Soldiers for a rifle which belonged to the said Captⁿ, that the rifle which Butz got of the Soldier had a bullet hole on the butt end near the hollow part. A Summons being issued for the said Adam Butz returnable this day to answer unto the said complaint did not appear.

Ludwig Hoffman, who served the said Summons, made report that Adam Butz said that Mr. Berlin who had Sign'd the Summons had as near to him as he had to Berlin, and that if Berlin would send ten or fifteen Men for him he would not go to Easton.

Therefore, Ordered, that Capt. John Nelson bring down the said Adam Butz before this Committee on the 20th Instant, to answer as well unto the said complaint as for his contempt in not appearing before this Committee.

Mr. Berlin paid Ludwig Hoffman 7s. for serving the above Summons.

Adjourned to the 20th Instant.

At a Meeting of the Standing Committee, held at Easton the 20th day of March, 1777, present, Arthur Lattemore, Peter Beisel, Anthony Moore, Jeremiah Trexler & Jacob Shoemaker.

Adam Butz appeared in pursuance of the Orders given to Capt. Nelson and produced a rifle which he says is the same which he swopped with a Soldier and is willing to swear thereunto; but cannot say whether the Soldier with whom he swopped belongs to Capt. Chrystie's Com'y or not; the rifle now produced has no such bullet hole as mentioned by the Capt.

Capt. Nelson says that when he came to Adam Butz's house in Order to require him to appear before this Committee, he was not at home, and on acquainting his family with his business said Butz's son Christopher said that his Father had sold the rifle that he had swopped with the Soldier.

Ordered, that Adam Butz lodge the rifle he now produces with Mr. Trexler, and that he be bound in £20 for his appearance and the appearance of his son Christopher before this Committee the 4th day of April next.

Adam Butz, Senr, tent in £20, Cond'd for the appearance of himself and son Christopher before this Committee on the 4th day of April next.

At a Meeting of the Standing Committee, held at Easton, the 4th day of April, 1777, present, Peter Beisel, Timothy Reed, Anthony Moore, Nathaniel Britain & Jeremiah Taylor.

Adam Butz and son Christopher appeared, and the said Christopher being examined as to the rifle his father swopped with the soldier & whether his father had sold the same; saith that when Capt. Nelson came to his father's, his mother told him to say, that his father had sold the rifle he had swopped with the soldier, but as of his own knowledge he cannot say anything concerning the same.

Mrs. Nungesser rendered her Acco't amounting to £8 1 11. being for sundry expences had by the Standing Committee at their several Meetings in her house from time to time.

At a Meeting of the Standing Committee held at Easton, the 9th day of May, 1777, present, Abraham Berlin, Arthur Lattemore, Peter Kohler, Anthony Moore, Peter Beisel, Jacob Shoemaker, & Jeremiah Trexler.

Thomas Stephen agst. George Faas of Allen Township.

A Summon being issued against the Deft. George Faas at the instance of the Pltff.—both parties appeared; the Pltff., Thomas Stephen, complains that about the month of June, 1775, he left at the house of the said George Faas and in his care, a Chest containing sundry Clothes or wearing apparel and other effects as pr. Inventory thereof now produced, into Committee, appears; that some time after the said Thomas enlisted into the Continental Service, where he continued for the space of 20 Months; that upon his return from the Service he came to the house of the said Faas where he lay sometime sick; that after he got better he made enquiry after his Clothes, &c., which he had left there; but could get no satisfaction whatsoever as Faas would not so much as let him go to his Chest. The Pltff. declares that he saw one of Faas' Daughters wear a handkerchief which belonged to him & which he took off her neck; and that he can testify by several who saw his Clothes wore by some of Faas' family especially his Shirts.

George Faas, upon his examination confesses, that he hath several of the Pltff's Effects and Wearing Apparel in his Possession which he detains for security of a Debt due to him from the said Thomas during his sickness; but cannot say, whether all the Goods mentioned in the said Inventory were left in his house or not, having never examined into the same; however, said Faas acknowledges two pair of stockings, one pair of Shirt sleeves & one pair of Butts the property of the s'd Thomas to have been taken by some of his family and committed to their use.

Ordered that the said George Faas deliver to this Committee at Easton on Wednesday the 14th Instant, all the Wearing Apparel, Goods & Effects whatsoever which he or any of his family hath in possession, belonging to the said Thomas Stephen in Order that this Committee may be able to judge what things are missing, and what damage the other things have received which are yet to be found—and that both parties with their Evidences appear on the day afs'd, in Order to have a more particular enquiry into the matter now in dispute.

At a Meeting of the Standing Committee held at Easton the 14th day of May, 1777, present, Abraham Berlin, Anthony Moore, Peter Beisel, Timothy Reed, Jeremh. Trexler & Nathl. Britain.

In pursuance of the Order of last Meeting, Thomas Stephen and George Faas appeared in Committee; but the said George not producing the Effects of the sd. Thomas & refusing so to do; it is therefore ordered by the Committee that the said George be committed to Goal for disobeying the Orders of this Committee; and until he deliver up the Effects afs'd. Whereupon the said George Faas beg'd leave 'till to Morrow Morning when he would deliver all the Effects of the s'd Thomas now in his possession before this Committee—which request was granted and the following Members agreed to attend to wit: Abraham Berlin, Peter Beisel, Timothy Reed, Jeremiah Trexler, & Jacob Shoemaker.

Evidence against William Johnston.

Daniel Smoak saith, that about the 6th of this Instant, being then in Company with William Johnston of Mount Bethel Township, at the house of John Cunningham in Sussex County, New Jersey, he heard the said William express himself as follows: that it had been threatened to put him the sd. William into Goal; but that he did not care, for he would not remain long there; that 16,000 Tories had already joined the Regulars but that he the s'd William would not meddle nor make 'till they would seize his Goods and then he wou'd defend himself; that Christopher Ensley of Sussex County afs'd would be revenged on all those that bought Goods at the Vendue of his Effects; that Ensley was on Prospect hill at the time of the Vendue and saw what passed.

John Scott saith, that about the 2d Instant the said William Johnston came to his house, and, in a conversation with said Scott, told him that our present War was a papish Rebellion and a Cromwell's Rebellion; for the Cromwells were always in Rebellion.

Thomas Sillyman s'ith, that sometime ago in a conversation with the said William Johnston, Johnston told him that James Stewart and Joseph Lowry were a going down to the Regulars with a small party; and that if the said William was not so engaged in distilling he would go along with them.

Daniel Smoak represented to the Committee that he had become Security before Anthony Moore & Nathaniel Britain two of the Members of the Committee for the said William Johnston's appearance here this day to answer unto such matters & things as should be objected against his annual place of abode; and that since his becoming Security as afsd. the said William had left his usual place of abode, and made his escape out of this State, praying for some relief in the Premises; Whereupon it is agreed by the Committee that an Order be granted to the said Daniel Smoak to seize the Effects of him the said Johnston sufficient to indemnify him for his being Security as afs'd, An Appointment, whereof he shall return to this Committee.

THE WESTMORELAND RESOLVES.

[The Records of the "Committee of Inspection" for the County of Westmoreland are not to our knowledge in existence, having probably been destroyed in the Burning of Hannastown, in July, 1782. These patriotic Resolves, however, have been preserved owing to the fact that they appeared in the Philadelphia newspapers of the day, as the sentiment of the brave and undaunted frontiersmen in Western Pennsylvania.]

At a general meeting of the inhabitants of the County of Westmoreland, held at Hanna's Town the 16th day of May, 1775, for taking into consideration the very alarming situation of this Country, occasioned by the dispute with Great Britain :

Resolved unanimously, That the Parliament of Great Britain, by several late Acts, have declared the inhabitants of the Massachusetts-Bay to be in rebellion, and the Ministry, by endeavoring to enforce those Acts, have attempted to reduce the said inhabitants to a more wretched state of slavery than ever before existed in any state or country. Not content with violating their constitutional and chartered privileges, they would strip them of the rights of humanity, exposing lives to the wanton and unpunishable sport of a licentious soldiery, and depriving them of the very means of subsistence.

Resolved unanimously, That there is no reason to doubt but the same system of tyranny and oppression will (Should it meet with success in the Massachusetts-Bay) be extended to every other part of America ; it is therefore become the indispensable duty of every American, of every man who has any publick virtue or love for his Country, or any compassion for posterity, by every means which God has put in his power, to resist and oppose the execution of it ; that for us we will be ready to oppose it with our lives and fortunes. And the better to enable us to accomplish it, we will immediately form ourselves into a military body, to consist of companies to be made up out of the several Townships under the following Association, which is declared to be the Association of Westmoreland County.

Possessed with the most unshaken loyalty and fidelity to His Majesty, King George the Third, whom we acknowledge to be our lawful and rightful King, and who we wish may long be the beloved Sovereign of a free and happy people throughout the whole British Empire; we declare to the world, that we do not mean by this Association to deviate from that loyalty which we hold it our bounden duty to observe; but animated with the love of liberty, it is no less our duty to maintain and defend our just rights (which, with sorrow, we have seen of late wantonly violated in many instances by a wicked Ministry and a corrupted Parliament), and transmit them entire to our posterity, for which purpose we do agree and associate together.

1st. To arm and form ourselves into a Regiment or Regiments, and choose officers to command us in such proportion as shall be thought necessary.

2d. We will, with alacrity, endeavour to make ourselves masters of the manual exercise, and such evolutions as may be necessary to enable us to act in a body with concert; and to that end we will meet at such times and places as shall be appointed either for the Companies or the Regiment, by the Officers commanding each when chosen.

3d. That should our Country be invaded by a foreign enemy, or should troops be sent from Great Britain to enforce the late arbitrary Acts of its Parliament, we will cheerfully submit to military discipline, and to the utmost of our power resist and oppose them, or either of them, and will coincide with any plan that may be formed for the defence of America in general, or Pennsylvania in particular.

4th. That we do not wish or desire any innovation, but only that things may be restored to, and go on in the same way as before the era of the Stamp Act, when Boston grew great, and America was happy. As a proof of this disposition, we will quietly submit to the laws by which we have been accustomed to be governed before that period, and will, in our several or associate capacities, be ready when called on to assist the civil magistrate in carrying the same into execution.

5th. That when the British Parliament shall have repealed their late obnoxious Statutes, and shall recede from their claim to tax us, and make laws for us in every instance, or when some general plan of union and reconciliation has been formed and accepted by America, this our Association shall be dissolved; but till then it shall remain in full force; and to the observation of it, we bind ourselves by everything dear and sacred amongst men.

No licensed murder! No famine introduced by law!

Resolved, That on Wednesday, the twenty-fourth instant, the Township meet to accede to the said Association, and choose their officers.

LOCHRY'S EXPEDITION.

[In the summer of 1781, Colonel Archibald Lochry, Lieutenant of Westmoreland county, raised several companies of volunteers, of which he was chosen Commander, for the purpose of joining the force of Col. George Rogers Clark on an expedition against the Shawanese and other Indian towns in Ohio, with scout designs

against the British post at Detroit. The party of one hundred and seven mounted volunteers rendezvoused at Carnahan's Block House, eleven miles west of Hanna's Town, on the 24th of July, 1781. They began their march on the 2d of August, by way of Fort Pitt to Fort Henry (Wheeling), where they arrived on the 8th, about twelve hours after Col. Clark with all the men, boats and stores he could gather had departed, leaving orders for Col. Lochry to follow and overtake him at the mouth of Little Kanawha. Several days were consumed by Col. Lochry in getting started. In the meantime Clark's men began to desert; and Lochry apprehended Lieutenant Baker and sixteen men who were deserting from Clark at Fishing Creek. To prevent desertion Col. Clark was obliged to proceed from the Kanawha, leaving a letter affixed to a pole directing Lochry to follow to the Falls of the Ohio. Lochry's stores and forage gave out at this point and he detached Capt. Shannon with seven men in a small boat to overtake Clark and secure supplies. This detachment had not proceeded far when the Indians, who were carefully watching the expedition, captured Shannon and all of his men but two and also obtained a letter to Col. Clark detailing Lochry's situation. Joseph Brandt, with one hundred Indian warriors, lay in wait to attack Clark at the mouth of the Miami River, but Clark passed in the night, and the Indians being afraid of the cannon and the number of men, did not molest him, but concluded to wait for Lochry's party. It is said that the Indians placed the prisoners they had taken in a conspicuous position on the north shore of the Ohio River and promised to spare their lives on condition that they would hail Lochry's party and induce them to land and surrender. However this may have been, at about 10 o'clock on August 24th, Lochry having reached an attractive spot about ten miles below the mouth of the Big Miami, near the present town of Aurora, Dearborn County, Indiana, landed on the north side of the Ohio River in the mouth of a creek which has since been called Lochry's Creek. The Ohio River was very low and a large sandbar extended from the south almost across to the north bank of the river. Col. Lochry's party, wearied with their slow and laborious progress and discouraged by the failure to overtake Clark's army, removed their horses ashore and turned them loose to feed while some of the men cut grass sufficient to keep them alive until they should reach the Falls. A buffalo had been killed and all were engaged in preparing a meal, when the Indians appeared on both sides of the river, and began firing from the woods. The soldiers seized their arms and made a defense as long as their ammunition held out. An attempt was made to escape by the boats, but they were so unwieldy and the water so low that the Indians cut them off. Unable to escape or defend themselves, Col. Lochry surrendered. Brant, the Indian

Chief, says thirty-six, including five officers, were killed and sixty-four made prisoners. One or two escaped, but did not reach home for several months afterward. Lochry was tomahawked by a Shawanese Indian after the battle while sitting on a log, and all the wounded who were unable to march were similarly dispatched. The prisoners were marched eight miles up the Miami River, subsequently taken to Detroit, and sent from there to Montreal. Of the officers and men, we have the names of only a few, those herewith given.]

JOURNAL OF LIEUT. ANDERSON.

[Lieut. Isaac Anderson, who succeeded to the command of Shannon's company after the capture of the latter, kept a journal of the expedition from the start at Carnahan's, including the fight, his captivity and escape, now in the possession of his son living at Venice, Ohio.]

August 1st, 1781. We met at Col. Carnahan's in order to form a body of men to join Gen. Clark on the expedition against the Indians.

Aug. 2. Rendezvoused at said place.

Aug. 13. Moved down to Fishing Creek; we took up Lient. Baker and sixteen men deserting from Gen. Clark and went that day to middle of Long Beach, where we stayed that night.

Aug. 15. To the Three Islands, where we found Major Craycraft waiting on us with a horse boat. He, with his guard, six men, started that night after Gen. Clark.

When they had got about half a mile in the woods they heard a number of guns fire, which they supposed to be Indians firing on the rest of the party, and they immediately took up the river to meet us; but unfortunately the sergeant's knife dropped on the ground and it ran directly through his foot and he died of the wound in a few minutes. We sailed all night.

Aug. 23. Went all night and all day.

Lochery ordered the boats to land on the Indiana shore, about ten miles below the mouth of the Great Meyamee (Miami) River, to cook provisions and cut grass for the horses when we were fired on by a party of Indians from the bank. We took to our boats expecting to cross the river, and were fired on by another party in a number of canoes in the river, and soon we became a prey to them. They killed the Col. and a number more after they were prisoners. The number of our killed was about forty. They marched us that night about eight miles up the river and encamped.

Aug. 25. We marched eight miles up the Meyamee River and encamped.

THE SANDUSKY EXPEDITION.

[It is not the intention of the Editor to present an account of the unfortunate expedition of Col. Crawford to Sandusky. The narratives of Knight and Slover, which follow these lists of volunteers, are sufficient for the general reader. Of the men who went upon the expedition, we have the rolls of sixteen of the eighteen detachments of companies. About two-thirds of the troops were from Washington county, and with possibly the exception of one company, the rest were from Westmoreland county, under which we place the entire force. That these portions of companies were upon that service we fully believe, being borne out by the fact that all contained certificates similar to the one re-produced in *fac simile* on the opposite page. The most reliable work on Crawford's Expedition against Sandusky is that by Consul Wilshire Butterfield, published at Cincinnati in 1873.]

NARRATIVES OF THE EXPEDITION.

[The following narratives of two of the survivors of Crawford's Expedition to Sandusky were given to the public shortly after the return of the narrators. It is deemed perfectly proper to reproduce them in connection with the preceding. That of Dr. Knight was written by himself, that of Slover as related by him was taken down by H. Brackenridge.]

NARRATIVE OF DR. KNIGHT.

About the latter end of the month of March or the beginning of April, of the present year (1782), the western Indians began to make incursions upon the frontiers of Ohio and Washington, Youghiogany and Westmoreland counties, which has been their constant practice ever since the commencement of the present war between the United States and Great Britain.

In consequence of these predatory invasions, the principal officers of the above mentioned counties, namely: Colonels Williamson and Marshall, tried every method in their power to set on foot an expedition against the Wyandot towns, which they could effect no other way than by giving all possible encouragement to volunteers. The plan proposed was as follows: Every man furnishing himself with a horse, a gun, and one month's provisions, should be exempt from two tours of militia duty. Likewise, that every one who had been plundered by the Indians, should, if the plunder could be found at their towns, have it again, proving it to be his property, and all horses lost on the expedition by unavoidable accident were to be replaced by horses taken in the enemy's country.

The time appointed for the rendezvous, or the general meeting of the volunteers, was fixed to be on the 20th of May, and the place, the old Mingo town, on the west side of the river Ohio, about forty miles below Fort Pitt, by land; and I think about seventy-five by water.

Col. Crawford was solicited by the general voice of these western counties and districts to command the expedition. He accordingly set out as a volunteer, and came to Fort Pitt two days before the time appointed for the assembling of the men. As there was no Surgeon yet appointed to go with the expedition, Col. Crawford begged the favor of Gen. Irvine to permit me to accompany him, (my consent having been previously asked,) to which the General agreed, provided Col. Gibson did not object.

Having obtained permission of the Col., I left Fort Pitt on Tuesday, May 1st, and the next day about one in the afternoon, arrived at the Mingo bottom.

The volunteers had not all crossed the river until Friday morning, the 24th, they then distributed themselves into eighteen companies, choosing their captains by vote. There were chosen also, one Col. Commandant, four field and one brigadier Major. There were four hundred and sixty-five that voted.

We began our march on Saturday, May 25th, making almost a due West course, and on the fourth day reach the old Moravian town, upon the river Muskingum, about 60 miles from the river Ohio. Some of the men having lost their horses on the night preceding, returned home.

Thursday, the 28th, in the evening, Major Brinton and Captain Bane, went some distance from camp to reconnoitre; having gone about one-quarter of a mile they saw two Indians, upon whom they fired, and then retreated to camp. This was the first place in which we were discovered, as we understood afterwards.

On Thursday, the 4th of June, which was the eleventh day of our march, about one o'clock we came to the spot where the town of Sandusky formerly stood; the inhabitants had moved 18 miles lower down the creek nearer the lower Sandusky; but as neither our guides or any who were with us had known any thing of their removal, we began to conjecture there were no Indian towns nearer than the lower Sandusky, which was at least forty miles distant.

However, after refreshing our horses we advanced in search of some of their settlements, but had scarcely got the distance of three or four miles from the old town when a number of our men expressed their desire to return, some of them alleging that they had only five days' provisions; upon which the field Officers and Captains, determined in council, to proceed that afternoon and no

longer. Previous to the calling of this council, a small party of light horse had been sent forward to reconnoitre.

I shall here remark by the way, that there are a great many extensive plains in that country. The woods in general grow very thin, and free from brush and underwood; so that light horsemen may advance a considerable distance before an army without being much exposed to the enemy.

Just as the council decided, an express returned from the above mentioned party of light horse with intelligence that they had been about three miles in front, and had seen a large body of Indians running towards them. In a short time we saw the rest of the light horse, who joined us, and having gone one mile further, met a number of Indians who had partly got possession of a piece of woods before us, whilst we were in the plains; but our men alighting from their horses and rushing into the woods, soon obliged them to abandon that place.

The enemy being by this time reinforced, flanked to the right, and part of them coming in nearer, quickly made the action more serious. The firing continued very warm on both sides from four o'clock until the dusk of the evening, each party maintaining their ground. Next morning, about six o'clock, their guns were discharged, at the distance of two or three hundred yards, which continued till day, doing little or no execution on either side.

The field officers then assembled and agreed, as the enemy were every moment increasing, and we had already a number of wounded, to retreat that night. The whole body was to form into three lines, keeping the wounded in the centre. We had four killed and twenty-three wounded, of the latter, seven very dangerously, on which account as many biers were got ready to carry them: most of the rest were slightly wounded and none so bad but they could ride on horseback. After dark the officers went on the out-posts and brought in all the men as expeditiously as they could. Just as the troops were about to form, several guns were fired by the enemy, upon which some of our men spoke out and said our intention was discovered by the Indians who were firing alarm guns. Upon which some in front hurried off and the rest immediately followed, leaving the seven men that were dangerously wounded, some of whom however got off on horseback, by means of some good friends, who waited for, and assisted them.

We had not got a quarter of a mile from the field of action when I heard Col. Crawford calling for his son, John Crawford, his son-in-law, Major Harrison, Major Rose and William Crawford, his nephews, upon which I came up and told him I believed they were on before us. He asked was that the doctor? I told him it was. He then replied they were not in front, and begged of me not to leave him. I promised him I would not.

We then waited and continued calling for these men till the troops had passed us. The Colonel told me his horse had almost given out, that he could not keep up with the troops, and wished some of his best friends to remain with him. He then exclaimed against the militia for riding off in such an irregular manner, and leaving some of the wounded behind, contrary to his orders. Presently there came two men riding after us, one of them an old man, the other a lad. We enquired if they had seen any of the above persons? They answered they had not.

By this time there was very hot firing before us, and as we judged, near where our main body must have been. Our course was then nearly Southwest, but changing it, we went north about two miles, the two men remaining in company with us. Judging ourselves to be now out of the enemy's lines, we took a due East course, taking care to keep at the distance of fifteen or twenty yards apart, and directing ourselves by the North star.

The old man often lagged behind, and when this was the case, never failed to call for us to halt for him. When we were near the Sandusky creek he fell one hundred yards behind, and bawled out, as usual, for us to halt. While we were preparing to reprimand him for making a noise, I heard an Indian hallo, as I thought, one hundred and fifty yards from the man, and partly behind him. After this we did not hear the man call again, neither did he ever come up to us any more. It was now past midnight, and about day-break Col. Crawford's and the young man's horses gave out, and they left them. We pursued our journey Eastward, and about two o'clock fell in with Capt. Biggs, who had carried Lieut. Ashley from the field of action, who had been dangerously wounded. We then went on about the space of an hour, when a heavy rain coming on, we concluded it was best to encamp, as we were encumbered with the wounded officer. We then barked four or five trees, made an encampment and a fire, and remained there all that night. Next morning we again prosecuted our journey, and having gone about three miles found a deer which had been recently killed. The meat was sliced from the bones and bundled up in the skin, with a tomahawk lying by it. We carried all with us, and in advancing about one mile further, espied the smoke of a fire. We then gave the wounded officer into the charge of the young man, directing him to stay behind whilst the Colonel, the Captain and myself walked up as cautiously as we could toward the fire. When we came to it, we concluded, from several circumstances, some of our people had encamped there the preceding night. We then went about roasting the venison, and when just about to march, observed one of our men coming upon our tracks. He seemed at first very shy, but having called to him, he came up and told us he was the person who had killed the deer, but upon hearing us come up, was

afraid of Indians, hid it in a thicket and made off. Upon this we gave him some bread and roasted venison, proceeded all together on our journey, and about two o'clock came upon the paths by which we had gone out. Capt. Biggs and myself did not think it safe to keep the road, but the Colonel said the Indians would not follow the troops farther than the plains, which we were then considerably past. As the wounded officer rode Capt. Biggs' horse, I lent the Captain mine. The Colonel and myself went about one hundred yards in front, the Captain and the wounded officer in the centre, and the two young men behind. After we had traveled about one mile and a half, several Indians started up within fifteen or twenty steps of the Colonel and me. As we at first discovered only three, I immediately got behind a large black oak, made ready my piece and raised it up to take sight, when the Colonel called to me twice not to fire, upon that one of the Indians ran up to the Colonel and took him by the hand.

They were Delaware Indians of the Wingenund tribe. Captain Biggs fired amongst them but did no execution. They then told us to call these people and make them come there, else they would go and kill them, which the Colonel did, but they forgot us and escaped for that time. The Colonel and I were then taken to the Indian camp, which was about half a mile from the place where we were captured. On Sunday evening five Delawares who had posted themselves at some distance further on the road brought back to the camp, where we lay, Captain Biggs' and Lieutenant Ashley's scalps, with an Indian scalp which Captain Biggs had taken in the field of action; they also brought in Biggs' horse and mine, they told us the other two men got away from them.

Monday morning, the tenth of June, we were paraded to march to Sandusky, about thirty-three miles distant; they had eleven prisoners of us and four scalps, the Indians being seventeen in number.

Col. Crawford was very desirous to see a certain Simon Girty, who lived with the Indians, and was on this account permitted to go to town the same night, with two warriors to guard him, having orders at the same time to pass by the place where the Col. had turned out his horse, that they might if possible, find him. The rest of us were taken as far as the old town which was within eight miles of the new.

Tuesday morning, the eleventh, Col. Crawford was brought out to us on purpose to be marched in with the other prisoners. I asked the Col. if he had seen Mr. Girty? He told me he had, and that Girty had promised to do every thing in his power for him, but that the Indians were very much enraged against the prisoners; particularly Captain Pipe one of the chiefs; he likewise told me that Girty had informed him that his son-in-law, Col. Harrison and

his nephew, William Crawford, were made prisoners by the Shawanese, but had been pardoned. This Captain Pipe had come from the town about an hour before Col. Crawford, and had painted all the prisoners' faces black. As he was painting me he told me I should go to the Shawanese towns and see my friends. When the Col. arrived he painted him black also, told him he was glad to see him and that he would have him shaved when he came to see his friends at the Wyandot town. When we marched the Col. and I were kept back between Pipe and Wingenund, the two Delaware chiefs, the other nine prisoners were sent forward with another party of Indians. As we went along we saw four of the prisoners lying by the path tomahawked and scalped, some of them were at the distance of half a mile from each other. When we arrived within half a mile of the place where the Col. was executed, we overtook the five prisoners that remained alive; the Indians had caused them to sit down on the ground, as they did also the Col. and me at some distance from them. I was there given in charge to an Indian fellow to be taken to the Shawanese towns.

In the place where we were now made to sit down there was a number of squaws and boys, who fell on the five prisoners and tomahawked them. There was a certain John McKinly amongst the prisoners, formerly an officer in the 13th Virginia regiment, whose head an old squaw cut off, and the Indians kicked it about upon the ground. The young Indian fellows came often where the Col. and I were, and dashed the scalps in our faces. We were then conducted along toward the place where the Col. was afterwards executed; when we came within about half a mile of it, Simon Girty met us, with several Indians on horseback; he spoke to the Col., but as I was about one hundred and fifty yards behind could not hear what passed between them.

Almost every Indian we met struck us either with sticks or their fists. Girty waited till I was brought up and asked, was that the doctor?—I told him yes, and went toward him reaching out my hand, but he bid me begone and called me a damned rascal, upon which the fellows who had me in charge pulled me along. Girty rode up after me and told me I was to go to the Shawanese towns.

When we went to the fire the Col. was stripped naked, ordered to sit down by the fire and then they beat him with sticks and their fists. Presently after I was treated in the same manner. They then tied a rope to the foot of a post about fifteen feet high, bound the Col's hands behind his back and fastened the rope to the ligature between his wrists. The rope was long enough for him to sit down or walk around the post once or twice and return the same way. The Col. then called to Girty and asked if they intended to burn him?—Girty answered, yes. The Col. said he would take it all patiently. Upon this Captain Pipe, a Delaware chief, made a

speech to the Indians, viz: about thirty or forty men, sixty or seventy squaws and boys.

When the speech was finished they all yelled a hideous and hearty assent to what had been said. The Indian men then took up their guns and shot powder into the Colonel's body, from his feet as far up as his neck. I think not less than seventy loads were discharged upon his naked body. Then they crowded about him, and to the best of my observation, cut off his ears; when the throng had dispersed a little I saw the blood running from both sides of his head in consequence thereof.

The fire was about six or seven yards from the post to which the Colonel was tied; it was made of small hickory poles, burnt quite through in the middle, each end of the poles remaining about six feet in length. Three or four Indians by turns would take up, individually, one of these burning pieces of wood and apply it to his naked body, already burnt black with powder. These tormentors presented themselves on every side of him with the burning faggots and poles. Some of the squaws took broad boards, upon which they would carry a quantity of burning coals and hot embers and throw on him, so that in a short time he had nothing but coals of fire and hot ashes to walk upon.

In the midst of these extreme tortures, he called to Simon Girty and begged of him to shoot him; but Girty making no answer he called to him again. Girty then, by way of derision, told the Colonel he had no gun, at the same time turning about to an Indian who was behind him, laughed heartily, and by all his gestures seemed delighted at the horrid scene.

Girty then came up to me and bade me prepare for death. He said, however, I was not to die at that place, but to be burnt at the Shawanese towns. He swore by G—d I need not expect to escape death, but should suffer it in all its extremities.

He then observed, that some prisoners had given him to understand, that if our people had had him they would not hurt him; for his part, he said, he did not believe it, but desired to know my opinion of the matter, but being at that time in great anguish and distress for the torments the Colonel was suffering before my eyes, as well as the expectation of undergoing the same fate in two days, I made little or no answer. He expressed a great deal of ill will for Col. Gibson, and said he was one of his greatest enemies, and more to the same purpose, to all which I paid very little attention.

Col. Crawford at this period of his sufferings besought the Almighty to have mercy on his soul, spoke very low, and bore his torments with the most manly fortitude. He continued in all the extremities of pain for an hour and three quarters or two hours longer, as near as I can judge, when at last, being almost exhausted, he lay down on his belly; they then scalped him and repeatedly

threw the scalp in my face, telling me "that was my great captain." An old squaw (whose appearance every way answered the ideas people entertain of the Devil) got a board, took a parcel of coals and ashes and laid them on his back and head, after he had been scalped, he then raised himself upon his feet and began to walk around the post; they next put a burning stick to him as usual, but he seemed more insensible of pain than before.

The Indian fellow who had me in charge, now took me away to Capt. Pipe's house, about three-quarters of a mile from the place of the Colonel's execution. I was bound all night, and thus prevented from seeing the last of the horrid spectacle. Next morning, being June 12th, the Indian untied me, painted me black, and we set off for the Shawanese town, which he told me was somewhat less than forty miles from that place. We soon came to the spot where the Colonel had been burnt, as it was partly in our way: I saw his bones lying amongst the remains of the fire, almost burnt to ashes; I suppose after he was dead they had laid his body on the fire.

The Indian told me that was my Big Captain, and gave the scalp halloo. He was on horseback and drove me before him.

I pretended to this Indian I was ignorant of the death I was to die at the Shawanese towns, assumed as cheerful a countenance as possible, and asked him if we were not to live together as brothers in one house when we should get to the town? He seemed well pleased, and said yes. He then asked me if I could make a wigwam? I told him I could he then seemed more friendly. We went that day as near as I can judge about 25 miles, the course partly Southwest. The Indian told me we should next day come to the town, the sun being in such a direction, pointing nearly South. At night, when we went to rest, I attempted very often to untie myself, but the Indian was extremely vigilant and scarcely ever shut his eyes that night. About daybreak he got up and untied me: he next began to mend up the fire, and as the gnats were troublesome I asked him if I should make a smoke behind him he said yes. I then took the end of a dogwood fork which had been burnt down to about 18 inches long; it was the longest stick I could find, yet too small for the purpose I had in view; then I picked up another smaller stick and taking a coal of fire between them went behind him; then turning suddenly about, I struck him on the head with all the force I was master of: which so stunned him that he fell forward with both his hands into the fire, but seeing him recover and get up, I seized his gun while he ran off howling in a most fearful manner. I followed him with a determination to shoot him down, but pulling back the cock of the gun with too great violence, I believe I broke the main spring. I pursued him, however, about thirty yards, still endeavoring to fire the gun, but could not; then going back to the fire I took his blanket, a pair of new

moccasins, his hoppers, powder horn, bullet bag, (together with the gun) and marched off, directing my course toward the five o'clock mark; about half an hour before sunset I came to the plains which I think are about sixteen miles wide. I laid me down in a thicket till dark, and then by the assistance of the North star made my way through them and got into the woods before morning. I proceeded on the next day, and about noon crossed the paths by which our troops had gone out; these paths are nearly East and West, but I went due North all that afternoon with a view to avoid the enemy.

In the evening I began to be very faint, and no wonder; I had been six days prisoner; the last two days of which I had eat nothing, and but very little the first three or four; there were wild gooseberries in abundance in the woods, but being unripe, required mastication, which at that time I was not able to perform on account of a blow received from an Indian on the jaw with the back of a tomahawk. There was a weed that grew plentifully in that place, the juice of which I knew to be grateful and nourishing; I gathered a bundle of the same, took up my lodging under a large spreading beech tree and having sucked plentifully of the juice, went to sleep. Next day, I made a due East course which I generally kept the rest of my journey. I often imagined my gun was only wood bound, and tried every method I could devise to unscrew the lock but never could effect it, having no knife nor any thing fitting for the purpose, I had now the satisfaction to find my jaw began to mend, and in four or five days could chew any vegetable proper for nourishment, but finding my gun only a useless burden, left it in the wilderness. I had no apparatus for making fire to sleep by, so that I could get but little rest for the gnats and musketoes; there are likewise a great many swamps in the beech ridge, which occasioned me very often to lie wet; this ridge, through which I traveled, is about 20 miles broad, the ground in general very level and rich, free from shrubs and brush; there are, however, very few springs, yet wells might easily be dug in all parts of the ridge; the timber on it is very lofty, but it is no easy matter to make a straight course through the same, the moss growing as high upon the South side of the trees as upon the North. There are a great many white oaks, ash and hickory trees that grow among the beech timber; there are likewise some places on the ridge, perhaps for three or four continued miles where there is little or no beech, and in such spots, black, white oak, ash and hickory abound. Sugar trees grow there also to a very great bulk—the soil is remarkably good, the ground a little ascending and descending with some small rivulets and a few springs. When I got out of the beech ridge and nearer the river Muskingum, the lands were more broken but equally rich with those before mentioned, and abounding with brooks and springs of water; there are also several small creeks

that empty into that river, the bed of which is more than a mile wide in many places; the woods consist of white and black oak, walnut, hickory and sugar trees in the greatest abundance. In all parts of the country through which I came the game was very plenty, that is to say, deer, turkeys and pheasants; I likewise saw a great many vestiges of bears and some elks.

I crossed the river Muskingum about three or four miles below Fort Lawrence, and crossing all paths aimed for the Ohio river. All this time my food was gooseberries, young nettles, the juice of herbs, a few service berries, and some May apples, likewise two young blackbirds and a terrapin, which I devoured raw. When my food sat heavy on my stomach, I used to eat a little wild ginger which put all to rights.

I came upon the Ohio river about five miles below Fort McIntosh, in the evening of the 21st day after I had made my escape, and on the 22d about seven o'clock in the morning, being the fourth day of July, arrived safe, though very much fatigued, at the Fort.

NARRATIVE OF JOHN SLOVER.

Having in the last war been a prisoner amongst the Indians many years, and so being well acquainted with the country west of the Ohio, I was employed as a guide in the expedition under Col. William Crawford against the Indian towns on or near the river Sandusky. It will be unnecessary for me to relate what is so well known, the circumstances and unfortunate events of that expedition; it will be sufficient to observe, that having on Tuesday the fourth of June, fought the enemy near Sandusky, we lay that night in our camp, and the next day fired on each other at the distance of three hundred yards, doing little or no execution. In the evening of that day it was proposed by Col. Crawford, as I have since been informed, to draw off with order; but at the moment of our retreat the Indians (who had probably perceived that we were about to retreat) firing alarm guns, our men broke and rode off in confusion, treading down those who were on foot, and leaving the wounded men who supplicated to be taken with them.

I was with some others on the rear of our troops feeding our horses in the glade, when our men began to break. The main body of our people had passed by me a considerable distance before I was ready to set out. I overtook them before they crossed the glade, and was advanced almost in front. The company in which I was had separated from me, and had endeavored to pass a morass, for

coming up I found their horses had stuck fast in the morass, and endeavoring to pass, mine also in a short time stuck fast. I ought to have said, the company of five or six men with which I had been immediately connected, and who were some distance to the right of the main body, had separated from me, &c. I tried a long time to disengage my horse, until I could hear the enemy just behind me, and on each side, but in vain. Here then I was obliged to leave him. The morass was so unstable that I was to the middle in it, and it was with the greatest difficulty that I got across it, but which having at length done, I came up with the six men who had left their horses in the same manner I had done; two of these, my companions, having lost their guns.

We traveled that night, making our course towards Detroit, with a view to shun the enemy, who we conceived to have taken the paths by which the main body of our people had retreated. Just before day we got into a second deep morass, and were under the necessity of delaying until it was light to see our way through it. The whole of this day we traveled towards the Shawanese towns, with a view of throwing ourselves still farther out of the search of the enemy. About ten o'clock this day we sat down to eat a little, having tasted nothing from Tuesday, the day of our engagement, until this time which was on Thursday, and now the only thing we had to eat was a scrap of pork to each. We had sat down by a warrior's path which we had not suspected, when eight or nine warriors appeared. Running off hastily we left our baggage and provision, but were not discovered by the party; for skulking some time in the grass and bushes, we returned to the place and recovered our baggage. The warriors had halooed as they passed, and were answered by others on our flanks.

In our journey through the glades, or wide extended dry meadows, about twelve o'clock this day, we discovered a party of Indians in front, but skulking in the grass and bushes were not perceived by them. In these glades we were in great danger, as we could be seen at a great distance. In the afternoon of this day there fell a heavy rain, and then traveling on we saw a party of the enemy about two hundred yards before us, but hiding ourselves in the bushes we had again the good fortune not to be discovered. This night we got out of the glades, having in the night crossed the paths by which we had advanced to Sandusky.

It was our design to leave all these paths to the right and to come in by the Tuscarawas. We would have made a much greater progress, had it not been for two of our companions who were lame, the one having his foot burnt, the other with a swelling in his knee of a rheumatic nature.

On this day, which was the second after the retreat, one of our company, the person affected with the rheumatic swelling, was left

behind some distance in a swamp. Waiting for him some time we saw him coming within one hundred yards, as I sat on the body of an old tree mending my moccasins, but taking my eye from him I saw him no more. He had not observed our tracks, but had gone a different way. We whistled on our chargers, and afterwards halooed for him, but in vain. Nevertheless he was fortunate in missing us, for he afterwards came safe into Wheeling, which is a post of ours on the Ohio, about 70 miles below Fort Pitt. We traveled on until night, and were on the waters of the Muskingum from the middle of this day.

Having caught a fawn this day, we made a fire in the evening and had a repast, having in the meantime eat nothing but the small bit of pork I mentioned before. We set off at break of day. About nine o'clock the third day we fell in with a party of the enemy about 12 miles from the Tuscarawas, which is about 135 miles from Fort Pitt. They had come upon our tracks or had been on our flanks and discovered us, and then having got before, had waylaid us, and fired before we perceived them. At the first fire one of my companions fell before me and another just behind me; these two had guns; there were six men in company, and four guns, two of these rendered useless by reason of the wet when coming through the swamp the first night; we had tried to discharge them but could not. When the Indians fired I ran to a tree, but an Indian presenting himself fifteen yards before me, directed me to deliver myself up and I should not be hurt. My gun was in good order, but apprehending the enemy behind might discharge their pieces at me, I did not risk firing, which I had afterwards reason to regret when I found what was to be my fate, and that the Indian who was before me and presented his gun was one of those who had just before fired. Two of my companions were taken with me in the same manner, the Indians assuring us we should not be hurt. But one in company, James Paul, who had a gun in order, made his escape and has since come into Wheeling. One of these Indians knew me, and was of the party by whom I was taken in the last war. He came up and spoke to me calling me by my Indian name, Mannuchothee, and upbraiding me for coming to war against them.

I will take a moment here to relate some particulars of my first captivity and my life since. I was taken from New River in Virginia by the Mianese, a nation called by us Piets, amongst whom I lived six years, afterwards being sold to a Delaware and by him put into the hands of a trader. I was carried amongst the Shawanese, with whom I continued six years: so that my whole time amongst these nations was twelve years, that is, from the eighth to the twentieth year of my age. At the treaty of Fort Pitt, in the fall preceding what is called Dunmore's War, which if

I am right, was in the year 1773, I came in with the Shawanese nation to the treaty, and meeting with some of my relations at that place, was by them solicited to relinquish the life of a savage, which I did with some reluctance, this manner of life having become natural to me, inasmuch as I had scarcely known any other. I enlisted as a soldier in the continental army at the commencement of the present war, and served fifteen months. Having been properly discharged I have since married, have a family and am in communion with the church.

To return, the party by whom we were made prisoners had taken some horses, and left them at the glades we had passed the day before. They had followed on our tracks from these glades, on our return to which we found the horses and rode. We were carried to Wachatomakak, a town of the Mingoës and Shawanese. I think it was on the third day we reached the town, which when we were approaching, the Indians in whose custody we were, began to look sour, having been kind to us before and given us a little meat and flour to eat, which they had found or taken from some of our men on their retreat. This town is small and we were told was about two miles distant from the main town to which they intended to carry us.

The inhabitants from this town came out with clubs and tomahawks, struck, beat and abused us greatly. One of my two companions they seized, and having stripped him naked, blacked him with coal and water. This was the sign of being burnt; the man seemed to surmise it, and shed tears. He asked me the meaning of his being blacked; but I was forbid by the enemy in their own language, to tell him what was intended. In English, which they spoke easily, having been often at Fort Pitt, they assured him he was not to be hurt. I know of no reason for making him the first object of their cruelty unless it was that he was the oldest.

A warrior had been sent to the great town to acquaint them with our coming and prepare them for the frolic; for on our coming to it, the inhabitants came out with guns, clubs and tomahawks. We were told that we had to run to the council house, about three hundred yards. The man that was blacked was about twenty yards before us in running the gauntlet. They made him their principal object, men, women and children beating him, and those who had guns firing loads of powder on him as he ran naked, putting the muzzels of the guns to his body, shouting, hallooing and beating their drums in the meantime.

The unhappy man had reached the door of the council house, beat and wounded in a manner shocking to the sight; for having arrived before him we had it in our power to view the spectacle—it was indeed the most horrid that can be conceived. They had cut him with their tomahawks, shot his body black, burnt it into holes

with loads of powder blown into him; a large wadding had made a wound in his shoulder whence the blood gushed.

Agreeable to the declaration of the enemy, when he first set out he had reason to think himself secure when he had reached the door of the council house. This seemed to be his hope, for coming up with great struggling and endeavors, he laid hold of the door but was pulled back and drawn away by them; finding they intended no mercy, but putting him to death, he attempted several times to snatch or lay hold of some of their tomahawks, but being weak could not effect it. We saw him borne off, and they were a long time beating, wounding and pursuing and killing him.

That same evening I saw the dead body of this man close by the council house. It was mangled cruelly, and the blood mingled with the powder was rendered black. The same evening I saw him after he had been cut to pieces, and his limbs and head about two hundred yards on the outside of the town put on poles. That evening also I saw the bodies of three others in the same black and mangled condition; these I was told had been put to death the same day, and just before we had reached the town. Their bodies as they lay were black, bloody, burnt with powder. Two of these were Harrison * and young Crawford.† I knew the visage of Col. Harrison, and I saw his clothing and that of young Crawford at the town. They brought horses to me and asked if I knew them. I said they were Harrison and Crawford's; they said they were.

The third of these men I did not know, but believe to have been Col. McClelland, the third in command on the expedition. The next day the bodies of these men were dragged to the outside of the town and their carcases being given to the dogs, their limbs and heads were stuck upon poles.

My surviving companion shortly after we had reached the council house was sent to another town, and I presume, he was burnt or executed in the same manner.

*This was Col. Harrison, son-in-law to Col. Crawford, one of the first men in the Western country. He had been greatly active on many occasions in devising measures for the defence of the frontiers, and his character as a citizen in every way, then a young man, distinguished and respectable. He had been a magistrate under the jurisdiction of Virginia, and I believe a delegate to the Assembly of that State. I know no man with whose grave, sedate manners, prudent conduct, good sense and public spirit on all occasions I was more pleased.

H. BRACKENRIDGE.

†This was a son of Col. Crawford. I do not remember to have seen him, nor was I acquainted with his character before the expedition, but have since been informed universally, that he was a young man greatly and deservedly esteemed as a soldier and as a citizen.

H. B.

In the evening the men assembled in the council house ; this is a large building about fifty yards in length, and about twenty-five yards wide, and about sixteen feet in height, built of split poles covered with bark ; their first object was to examine me, which they could do in their own language, inasmuch as I could speak the Miami, Shawanese and Delaware languages, which I had learned during my early captivity in the last war ; I found I had not forgotten these languages, especially the two former, as well as my native tongue.

They began with interrogating me, concerning the situation of our country, what were our provisions ? our numbers ? the state of the war between us and Britain ? I informed them Cornwallis had been taken, which next day, when Matthew Elliot with James Girty * came, he affirmed to be a lie, and the Indians seemed to give full credit to his declaration.

Hitherto I had been treated with some appearance of kindness, but now the enemy began to alter their behavior towards me. Girty had informed them, that when he asked me how I liked to live there, I had said that I intended to take the first opportunity to take a scalp and run off. It was, to be sure, very probable that if I had such intention, I would communicate it to him. Another man came to me and told me a story of his having lived on the south branch of Potomac in Virginia, and having three brothers there, he pretended he wanted to get away, but I suspected his design ; nevertheless he reported that I had consented to go. In the meantime I was not tied, and could have escaped, but having nothing to put on my feet, I waited some time longer to provide for this.

I was invited every night to the war dance, which they usually continued until almost day. I could not comply with their desire, believing these things to be the service of the devil.

The council lasted fifteen days ; fifty to one hundred warriors being usually in council, and sometimes more. Every warrior is admitted to these councils ; but only the chiefs or head warriors have the privilege of speaking. The head warriors are accounted such from the number of scalps and prisoners they have taken.

The third day McKee was in council, and afterwards was generally present. He spoke little, and did not ask any questions or speak to me at all. He lives about two miles out of town, has a house built of square logs with a shingle roof ; he was dressed in

gold laced clothes. I had seen him at the former town through which I passed.

I think it was on the last day of the council, save one, that a speech came from Detroit, brought by a warrior who had been counselling with the commanding officer at that place. The speech had been long expected, and was in answer to one some time before sent from the town to Detroit. It was in a belt of Wampum, and began with addressing them, "My children," and inquiring why they continue to take prisoners? Provisions are scarce; when prisoners are brought in we are obliged to maintain them, and still some of them are running away and carrying tidings of our affairs. When any of your people fall into the hands of the rebels, they show no mercy; why then should you take prisoners? Take no more prisoners, my children, of any sort; man, woman or child.

Two days after, a party of every nation that was near being collected, it was determined on to take no more prisoners of any sort. They had held a large council, and the determination was, that if it were possible they could find a child of a span or three inches long, they would show no mercy to it. At the conclusion of the council it was agreed upon by all the tribes present, viz: the Tawaws, Chippawaws, the Wyandots, the Mingoes, the Delawares, the Shawanese, Muses, and a part of the Cherokees, that should any of the nations who were not present take any prisoners, these would rise against them, take away the prisoners and put them to death.

In the course of these deliberations I understood what was said perfectly. They laid plans against our settlements of Kentucky, the Falls, and towards Wheeling. These it will be unnecessary for me to mention in this narrative, more especially as the Indians finding me to have escaped, and knowing that I would not fail to communicate these designs, will be led to alter their resolutions.

There was one council held at which I was not present. The warriors had sent for me as usual, but the squaw with whom I lived would not suffer me to go, but hid me under a large quantity of skins. It may have been from an unwillingness that I should hear in council the determination with respect to me, that I should be burnt.

About this time, twelve men were brought in from Kentucky, three of whom were burnt on this day; the remainder were distributed to other towns, and all, as the Indians informed me, were burnt. This was after the speech came from Detroit.

On the day after, I saw an Indian who had just come into town, and who said that the prisoners he was bringing to be burnt, and who he said was a doctor, had made his escape from him. I knew this must have been Dr. Knight, who went as surgeon of the expedition. The Indian had a wound four inches long in his head,

which he acknowledged the doctor had given him; he was cut to the skull. His story was that he had untied the doctor, being asked by him to do so, the doctor promising that he would not go away: that while he was employed in kindling the fire the doctor snatched up the gun had come behind and struck him; that he then made a stroke at the doctor with his knife, which he laid hold of, and his fingers were cut almost off, the knife being drawn through his hand; that he gave the doctor two stabs, one in the back, the other in the belly; said the doctor was a great big, tall, strong man. Being now adopted in an Indian family, and having some confidence for my safety, I took the liberty to contradict this and said that I knew the doctor, who was a weak, little man. The other warriors laughed immoderately, and did not seem to credit him.* At this time I was told that Col. Crawford was burnt, and they greatly exulted over it.

The day after the council I have mentioned, about forty warriors, accompanied by George Girty, came early in the morning round the house where I was. The squaws gave me up, I was sitting before the door of the house; they put a rope round my neck, tied my arms behind my back, stripped me naked, and blacked me in the usual manner. George Girty, as soon as I was tied, d—d me, and said that I now should get what I had deserved many years. I was led away to a town distant about five miles, to which a messenger had been dispatched to desire them to prepare to receive me.

Arriving at this town, I was beaten with clubs and the pipe ends of their tomahawks, and was kept for some time tied to a tree before a house door. In the meanwhile the inhabitants set out to another town about two miles distant, where I was to be burnt, and where I arrived about three o'clock in the afternoon.

Here also was a council house, part of it covered and part of it without a roof. In the part of it where no cover was, but only sides built up, there stood a post about sixteen feet in height, and in the middle of the house around the post, there were three piles of wood built about three feet high and four feet from the post.

Being brought to the post my arms were tied behind me, and the thong or cord with which they were bound was fastened to the post; a rope also was put about my neck, and tied to the post about four feet above my head. During the time they were tying me, piles of wood were kindled and began to flame.

Death by burning, which appeared to be now my fate, I had re-

solved to sustain with patience. The divine grace of God had made it less alarming to me; for on my way this day I had been greatly exercised in regard to my latter end. I knew myself to have been a regular member of the church, and to have sought repentance for my sins; but though I had often heard of the faith of assurance, had known nothing of it; but early this day, instantaneously by a change wrought upon me sudden and perceivable as lightning, an assurance of my peace made with God, sprung up in mind. The following words were the subject of my meditation—"In peace thou shalt see God. Fear not those who can kill the body. In peace shalt thou depart." I was on this occasion by a confidence in mind not to be resisted, fully assured of my salvation. This being the case I was willing, satisfied and glad to die.

I was tied to the post, as I have already said, and the flame was now kindled. The day was clear, not a cloud to be seen. If there were clouds low in the horizon, the sides of the house prevented me from seeing them, but I heard no thunder, or observed any sign of approaching rain; just as the fire of one pile began to blaze, the wind rose, from the time they began to kindle the fire and to tie me to the post, until the wind began to blow, was about fifteen minutes. The wind blew a hurricane, and the rain followed in less than three minutes. The rain fell violent; and the fire, though it began to blaze considerably, was instantly extinguished. The rain lasted about a quarter of an hour.

When it was over the savages stood amazed, and were a long time silent. At last one said, we will let him alone till morning, and take a whole day's frolic in burning him. The sun at this time was about three hours high. It was agreed upon, and the rope about my neck was untied, and making me sit down, they began to dance round me. They continued dancing in this manner until eleven o'clock at night; in the meantime, beating, kicking and wounding me with their tomahawks and clubs.*

At last one of the warriors, the Half Moon, asked me if I was sleepy? I answered, yes. The head warrior then chose out three warriors to take care of me. I was taken to a block house; my arms were tied until the cord was hid in the flesh, they were tied in two places, round the wrist and above the elbows. A rope was fastened about my neck and tied to a beam of the house, but permitting me to lie down on a board. The three warriors were constantly harassing and troubling me, saying, "How will you like to eat fire to-morrow—you will kill no more Indians now." I was in

expectation of their going to sleep, when at length, about an hour before daybreak, two laid down, the third smoked a pipe, talked to me and asked the same painful questions. About half an hour after, he also laid down; I heard him begin to snore. Instantly I went to work, and as my arms were perfectly dead with the cord, I laid myself down upon my right arm which was behind my back, and keeping it fast with my fingers, which had still some life and strength, I slipped the cord from my left arm over my elbow and my wrist. One of the warriors now got up and stirred the fire. I was apprehensive that I should be examined, and thought it was over with me, but my hopes revived when now he lay down again. I then attempted to unloose the rope about my neck; tried to gnaw it, but it was in vain, as it was as thick as my thumb and as hard as iron, being made of a buffalo hide. I wrought with it a long time, gave it out, and could see no relief. At this time I saw daybreak and heard the cock crow. I made a second attempt, almost without hope, pulling the rope by putting my fingers between my neck and it, and to my great surprise it came easily untied. It was a noose with two or three knots tied over it.

I slipped over the warriors as they lay, and having got out of the house, looked back to see if there was any disturbance. I then ran through the town into a corn field; in my way I saw a squaw with four or five children lying asleep under a tree. Going in a different way into the field, I untied my arm, which was greatly swollen and turned black. Having observed a number of horses in the glade as I ran through it, I went back to catch one, and on my way found a piece of an old rug or quilt hanging on a fence, which I took with me. Having caught the horse, the rope with which I had been tied served for a halter, I rode off. The horse was strong and swift, and the woods being open and the country level, about ten o'clock that day I crossed the Scioto river at a place, by computation, fifty full miles from the town. I had rode about twenty-five miles on this side of the Scioto by three o'clock in the afternoon, when the horse began to fail, and could no longer go on a trot. I instantly left him, and on foot, ran about twenty miles farther that day, making in the whole the distance of near one hundred miles. In the evening I heard hallooing behind me, and for this reason did not halt until about ten o'clock at night, when I sat down, was extremely sick and vomited; but when the moon rose, which might have been about two hours after, I went on and traveled until day.

During the night I had a path, but in the morning judged it prudent to forsake the path and take a ridge for a distance of fifteen miles, in a line at right angles to my course, putting back as I went along, with a stick, the weeds which I had bent, lest I should be tracked by the enemy. I lay the next night on the waters of Muskingum; the nettles had been troublesome to me after my

crossing the Scioto, having nothing to defend myself but the piece of a rug which I had found and which while I rode I used under me by way of a saddle; the briars and thorns were now painful to, and prevented me from traveling in the night until the moon appeared. In the meantime I was prevented from sleeping by the mosquitoes, for even in the day I was under the necessity of traveling with a handful of bushes to brush them from my body.

The second night I reached Cushakim, next day came to New-comer's town, where I got about seven raspberries, which were the first thing I ate from the morning on which the Indians had taken me to burn me until this time, which was now about three o'clock the fourth day. I felt hunger very little, but was extremely weak. I swam Muskingum river at Oldcomer's town, the river being two hundred yards wide; having reached the bank, I sat down, looked back and thought I had a start of the Indians if any should pursue. That evening I traveled about five miles; next day came to Still-water, a small river, in a branch of which I got two small crawfish to eat. Next night I lay within five miles of Wheeling, but had not slept a wink during this whole time, being rendered impossible by the mosquitoes, which it was my constant employment to brush away. Next day came to Wheeling, and saw a man on the island in the Ohio opposite to that post, and calling to him and asking for particular persons who had been on the expedition, and telling him I was Slover, at length, with great difficulty, he was persuaded to come over and bring me across in his canoe.

At the same time, though I would strike away this excuse which is urged for the savages, I am far from approving the Moravian slaughter. Doubtless the existence of that body of people in our neighborhood, was of disadvantage, as they were under the necessity of receiving and refusing the Sandusky savages as they came to war, and as they returned, and as no doubt some amongst them communicated intelligence of any expedition on foot against the enemy. I am also disposed to believe, that the greater part of the men put to death were warriors; this appears from the testimony of one against another, from the confession of many, from their singing the war song when ordered out to be tomahawked, from the cut and painting of their hair, and from other circumstances. The greater part of the Moravian men who were really peaceable or well affected to us, having been carried off the fall before, and still detained at Sandusky.

But the putting to death the women and children, who sang hymns at their execution, must be considered as unjustifiable, inexcusable homicide; and the Colonel who commanded the party, and who is said perseveringly, contrary to the remonstrances of officers present, to have enjoined the perpetration of the act, has not yet been called to an account, is a disgrace to the State of Pennsylvania.

WILLIAMSON'S EXPEDITION.

[The causes which led to the expedition of the Washington militia against the Moravian Indians on the Muskingum, were the frequent murderous marauds by either these or their savage allies whom they harbored. History has frequently repeated the story of Gnadenhütten, where the innocent suffers for the guilty. It is not our purpose to extenuate or censure the Pioneers of Western Pennsylvania, who in their efforts to secure peaceful homes, found the necessity to exterminate the red man prowling on the frontiers. The list of men who were upon the expedition is far from complete, as there were at least a force of one hundred and sixty men under the lead of the brave Williamson.]
