General Notes: Husband -				
<p>Letter to Arva Lee VINYARD from Anita J ALMANSA dated 29 Apr 1982 requesting info on her husbands family, Joseph Peter WOLFENBARGER was researched and found. Attempted to contact Anita, No one by that name in that area. 8 Dec 1992. Joseph Peter and Sally were divorced, he then married Nina B, SOWERS Shamley, a widow, 18 Oct 1919 in South Bend, WA. He died 3 Jan 1945 and was buried in Fern Hill Cemetery, Menlo, WA. Joseph was working as a conductor on the railroad when he met Nina traveling with her three small children. He was a farmer and a minister in the RLDS Church. None of these children are living in 2004. [The last two children were not biological children of Joseph Peter. the children's birthdates are incorrect - the order of birth was: Bessie, Albert, Lydia, Ruby, Haskell. Dave thier half brother said that Haskell was 20 years older than he and Bessie was born in 1902</p> <p>According to DD Lewis, published in WFA Newsletter Vol 3 No. 4, Joseph was a railroader. Same article names his first wife, Sallie Josephine Acuff.. After divorce, moved the entire family to Raymond, Washington.</p>
