#### Wolfenbarger - Sparger Family Record

The following information has been collected and compiled by W. M. Creasy of Wilmington N.C. assisted by Mr. J. B. Sparger of Mt. Airy, Surry County N.C. the home of the original Sparger Family. Mr. Sparger has visited personally many of the county court houses and obtained valuable data from the records. The services of genealogists in Washington, Philadelphia, Harrisburg, Richmond, and other points have been utilized in collecting this data. The record is not as

complete in some respects as we would like, there seems to be no doubt that the direct descent of the Sparger family from a man called John Wolfespairer in the court records, who obtained a land grant in Lancaster County Pa. in 1734, later being naturalized under the name of John Wolferspargar April 11th, 1744 in Philadelphia, has been proven. Change the i to a g in Wolfesparier and you have Wolfesparger, or in other words John W. Sparger. It can be easily seen how the name Sparger originated from the name first used and spelled in its various ways.

- 1 John Wolfesberger. Immigrant, m. Margaret. No information as to date of his birth. He died about 1761. The burial records in the Shafferstown cemetery show that Margaret Wolfesperger was born Sept. 1, 1697, died Dec. 1st, 1775. There is no information that she was the wife of John, except the early date of her birth and there seems no other place where she would fit in. We have no record of his burial.

Among the records in the Department of Internal Affairs, State House, Harrisburg, Pa. is a warrant No. 41 authorizing the survey of 100 acres of land between Cocalico and Muddy Creek amongst several other settlers for John Wolfespairer, Earl Township near New Holland for which he agreed to pay the sum of fifteen pounds and ten shillings current money of the Province of Pennsylvania, and the yearly quit rent of one half penny sterling for every acre thereof. The date of this record was Feb. 20th, 1734. Under Patent Book. A. Page 33 Dec. 3rd 1741 it is found that John Wolfespairer did not comply with the terms of the Warrant on which the survey was ordered, and the survey in his favor became void, and the land was warranted to Lodwick Moler.

Among the records mentioned above, Warrant No. 205 is found ordering the survey of three hundred and fifty acres for John Wolfesberger of Lancaster County for which he agreed to pay fifteen pounds and ten shillings per each one hundred acres with lawful interest for the same, and the yearly quit rent of one half penny sterling for every acre thereof both to commence with the first day of March. 1737. This document was dated April 11th. 1744, showing that John Wolfesberger had probably been living on the land from March 1st, 1737. He was no doubt the man referred to as John Wolfespairer, and had doubtless abandoned the land surveyed under Warrant No. 41.

It is found by reference to Patent Book.A.A. Vol. 1, page 540 that John Wolfesberger was granted 671 acres of land under authority of the above Warrant No. 205, making the usual allowance of 6 for roads and highways. It appears that the grant to this land was never officially confirmed in the name of John Wolfesberger, but after much preamble describing the land etc., in the same document we find the following.

And whereas the said John Wolfesberger died intestate entitled to the said tract of land aforesaid, leaving issue, Peter, Frederick, John and Phillipp his sons, and Catherine now wife of Jacob Frey and Anna Maria now wife of Martin Heffelfinger his daughters who have now all humbly besought us to grant to them our patent of confirmation of the said tract of land, now know ye that for and in consideration of the sum of one hundred and four pounds lawful money of Pennsylvania to our use, paid by the said Peter etc. the receipt whereof is hereby acknowledge, and of the yearly quit rent herein after

mentioned and reserved we have given, granted, released and confirmed and by these presents for our heirs and successors do give, grant, release and confirm unto the said, Peter, Frederick etc. all that the said herein before described tract of 671 acres of land etc. (Here is a lot of repetition, technicalities etc.), to be holden of us our heirs and successors Proprietaries of Pennsylvania of our manor Cosmotego in the County of Lancaster aforesaid in free and common Soccage by fealty only in lieu of all other services, yielding and paying therefor yearly unto our heirs and successors at the town of Lancaster in the said county at or upon the first day of March in every year from the first day of March last, one half penny Sterling for every acre of the same or value thereof in coin current according as the exchange shall then be between our Province and the City of London to such person or persons as shall from time to time be appointed to receive the same, and in case of non payment thereof within ninety days next after the same shall become due then it shall and may be lawful for us, our heirs and successors, our and their receiver or receivers to enter into and upon the hereby granted land and premises and to hold and possess until the said quit rent and all arrears thereof together with the charges accruing by means of such non-payment and re-entry be fully paid and discharged.

Witness, James Hamilton Esq. Lieutenant Governor of the said Province who by virtue of certain powers and authorities to him for this purpose granted by the said Proprietaries hath hereunto set their hands and caused the great seal of the said Province to be hereunto affixed, at Philadelphia this sixth day of July in the year of our Lord one thousand seven hundred and sixty one. The first year of the reign of King George the Third over Great Brittain &c. and the forty fourth year of the Provincial Government.

James Hamilton

Recorded Oct. 1st, 1761.

It is the opinion of genealogists in Harrisburg Pa. including the Librarian of the State Library of Pennsylvania, that John Wolfespairer and John Wolfersberger are one and the same man, though at present there has been no record discovered to definitely prove this. It is likely that the Wolfenbargers and the Freys came to America at the same time, as it is found from the Moravian records that the Freys came in 1734 and settled in Lancaster County Pa. and the court records show that John Wolfesparier entered land in the same County in that year. It is also evident that the family of the original John, or at least part of them immigrated with him. John, our ancestor who settled among the Moravians was born in 1754, and his father, John, son of the original John was naturalized in 1761. The original John was naturalized in Philadelphia on April 11th, 1744, he being one of a party of forty foreigners who were naturalized at the same time. I have among my files a photostatic copy of the naturalization certificate issued by the judges of the Supreme Court for this group of foreigners. Unfortunately for the records at this time, this certificate does not show from what country these people came, but it is assumed that they came from various countries. It is evident that they had been here for some time as the certificate shows in what counties or cities they were then living. Everything indicates that they came from Alsace. The Wolfesbergers and Freys originally spoke the German language. In the naturalization certificate his name was spelled "Wolferspargar".

The records of the Reformed Church at Campbellstown Pa. in Lancaster County - show that the family was among the pillars of the Church at an early date.

There were many forms of spelling the name in the early days but the correct name in the German language was probably "Wolfesberger" meaning "The Hill of the Wolves". I have a free hand drawing of the signatures of some of the family in Shenandoah County Va. and must admit that after trying to decipher the spelling, would not be surprised at any form of spelling that might be recorded by an American Court officer not being a German scholar. The children of John Wolfesparier, John Wolfesberger, or John Wolferspargar whom I believe to be one and the same man were:

- |   |     |                          |
|---|-----|--------------------------|
| 2 | i   | Peter Wolfersberger      |
| 3 | ii  | Frederick Wolfersberger  |
| 4 | iii | John Wolfersberger       |
| 5 | iv  | Phillipp Wolfersberger   |
| 6 | v   | Catherine Wolfersberger  |
| 7 | vi  | Anna Maria Wolfersberger |

As an additional confirmation of the names of these children we have the following reference, Deed Book S, Page 388 Sept. 28th, 1761. Peter Wolfersberger, Lebanon Township in the County of Lancaster Province of Pennsylvania, yeoman and Appalonia his wife, Frederick Wolfersberger of the same township, smith, and Elizabeth his wife, John Wolfersberger of the same township, wheelwright, and Hannah his wife, Phillipp Wolfersberger of the same township, smith, Jacob Frey of Heydelberg township, yeoman, and Catherine his wife, and Martin Hefferfinger and Anna Maria his wife, of the one part, transfer to Jacob Diehl of Lebanon township, yeoman 164 acres, part of the tract of 671 acres which belonged to John Wolfersberger deceased, father of Peter, Frederick, John, Phillipp, Catherine Frey and Anna Maria Hefferfinger.

- 2 Peter Wolfersberger son of John Wolfersberger No. 1. b \_\_\_ d \_\_\_ m. Appolonia. For identification of name of wife see confirmation of land grant to heirs of John Wolfersberger No. 1 for 671 acres of land, also record of transfer of 164 acres of land to Jacob Diehl Sept. 28th, 1761 by said heirs. Peter No. 2 evidently married wife Elizabeth after death of Appolonia, of which we have no record, since we find the following record, Will Book P, p. 124, Article of Agreement between Peter Wolfersberger Sr. of Heidelberg Township, Dauphin Co, Pa. and Peter Wolfersberger Jr. and George Wolfersberger both of the same township, farmers, and sons of Peter Wolfersberger Sr. Then we find in Will Book P, p. 127, The will of Peter Wolfersberger follows the agreement. Wife Elizabeth with whom he had a marriage contract dated March 6th, 1784 had an agreement with sons George and Peter, eldest son Frederick, son George Michael, son John George, daughter Margaret intermarried with Daniel Hemming, and daughter Anna intermarried with John Thoma. It would seem from the above records that Appolonia was the mother of all these children and that Peter had to make a marriage contract with Elizabeth before marriage, and that he and Elizabeth had to execute certain agreements with the children in connection with the inheritance of the property in which they had an interest through their mother Appolonia. All of the above is quoted for the purpose of identifying the names of Peter's children, which were as follows:

- i Peter Wolfersberger
- 8 ii Frederick Wolfersberger
- 9 iii George Wolfersberger
- 10 iv George Michael Wolfersberger
- v John George Wolfersberger
- vi Margaret Wolfersberger, Married Daniel Hemming
- vii Anna Maria Wolfersberger, Married John Thoma

3 Frederick Wolfersberger son of John Wolfersberger No. 1 b \_\_\_ d 1764, wife Elizabeth. For identification of name of wife, same as Peter No. 2. In the records of the members of the Reformed church at Shafferstown prior to 1800 is found the names of Frederick and Elizabeth Wolfersberger, but there is nothing to show just when they were members except prior to 1800. No children of this couple have been identified.

4 John Wolfersberger son of John Wolfersberger No. 1. b \_\_\_ d. Shenandoah Co., Va. buried Nov. 18th 1788. Wife Hannah. For identification of wife, same as Peter No. 2. No record of John No. 4 is found in Pennsylvania after transactions concerning the land formerly belonging to his father, John No. 1, but reference is found in the History of Shenandoah Co. Va. by John W. Wayland on page 523 where John Wolfenberger with others took oath as Vestryman in Beckford Parish on March 6th, 1771. It will be shown later that this John was the father of John who settled in North Carolina and is without doubt the "man named Wolfesperger who formerly lived near Lititz but is now in Virginia."

It should be explained that while the Wolfersbergers were Lutherans and Reformed Church people, the office of Vestryman referred to the Episcopal Church which was the established Church in Virginia at that time, and as there were probably not enough Episcopalians in the Parish to fill the offices of Vestrymen, members of other churches were appointed. It is explained by a genealogist that this was often the case. It was also explained that the Lutheran Church being the established church in Germany or at least the favored church, the church of the governing classes, it was most natural to appoint a Lutheran or Reformed as a Vestryman. The Lutherans and Reformed always had joint churches in these parts. Muhlenberg the Lutheran Minister at Woodstock, where John Wolfenberger No. 4 lived was ordained an Espiscopalian in order that he might perform marriages. John Wolfenberger purchased land in Shenandoah County Virginia June 5th, 1781, Deed Book C, p. 433; Deed Book K, p. 496 Sept. 29th, 1795, the following record is found. Peter Wolfenberger and Susan his wife, Frederick Wolfenberger and Catherine his wife, Phillip Wolfenberger and Catherine his wife of the county of Greenbrier, Geo Woods and Hannah his wife, Martin Miller and Mary his wife, Joseph Wolfenberger and Nancy his wife of Shenandoah County and John Wolfenberger and Christina his wife, of Surry County, North Carolina, Children and heirs of John Wolfenberger deceased. To Benjamin Wolfenberger of the County of Shenandoah. Two lots in the town of Woodstock of which John Wolfenberger died seized and possessed, known as lots Nos. 54 and 76, being the same lots, one half acre each which were conveyed by Nounce Byrd and Clara his wife to Peter Wolfenberger by deed of lease and release, May 24th, 1780. Benjamin Wolfenberger who bought this land from the heirs was also one of John's sons, and qualified as Administrator of his estate. According to the final settlement filed with the court on Sept. 10th, 1792 he died about Nov. 18th, 1788, as an entry of disbursements made shows that David Jordan (Schoolmaster)

was paid on that date six shillings for reading the funeral sermon at the burial of the deceased. His personal property was sold at a sale on May 14th, 1792, the proceeds of which amounted to 84 pounds 1 shilling and 10½ pence. The Administrator's itemized account of disbursements in settlement of debts and expenses of the estate, show that he paid out fourteen shillings and six pence more than the receipts from the sale. John Wolfenberger No. 4 was naturalized Sept. 13th, 1761, and it is therefore decided that he immigrated to America with his father from Alsace (where the family probably came from to this country) in 1734 or about that time. His children according to court records of land sales and settlement of his estate were as follows:

- 11    i       Peter Wolfenberger
- 12    ii      Frederick Wolfenberger
- 13    iii     Phillipp Wolfenberger
- 14    iv      Hannah Wolfenberger
- 15    v       Mary Wolfenberger
- 16    vi      Joseph Wolfenberger
- 17    vii     John Wolfenberger
- 18    viii    Benjamin Wolfenberger

- 5 Phillip Wolfenberger son of John Wolfersberger No. 1. For identification, see same as Peter No. 2. Phillip No. 5 was evidently not married at the time of his father's death, since he is the only one of the sons whose wife's name was not recorded in the land settlements. According to his tombstone in the Campbellstown Cemetery, he was born 1739 died July 14th, 1824. According to Reformed baptism records in the history of Shafferstown his wife was named Margaret, and they had the following children who were baptized in that church:

- i       John Wolfersberger. Baptized April 12th 1767.  
Sponsors John Wolfersberger and wife..
- ii      John Phillip Wolfersberger. Baptized April 12th 1767.  
Sponsors Peter Wolfersberger and wife Appolonia.

A tradition handed down in the family is that John W. Sparger (John Wolfenberger) had an Uncle Phillip who was bodyguard to George Washington during his entire career as Commander in Chief of the Armies. This cannot be verified, however this is John's Uncle Phillip and the following is found among the Pennsylvania Muster rolls. Under the general heading "Associators and Militia of Lancaster County" is found "A report of the First battallion Lancaster County Militia commanded by Col. Phillip Greenwalt". In this report of the first battallion is given the name of First Lieutenant Phillip Wolfelberger in the 8th Company. This indicates that there must be something in the tradition which we have been unable to verify. According to Chronicles of Scotch Irish settlement in Virginia Court records of Augusta County Va. 1745 to 1800 by Chalkley, Vol. 2, p. 241, Luddington vs. Stuart, Suit overtract of land, Phillip Wolfenberger deposes he lived near the land from 1789. In 1793 he saw James Hudgins cutting still house logs. indicating that Phillip once lived in Augusta County Va., however he died in Pennsylvania and was buried there.

- 6 Catherine Wolfersberger daughter of John Wolfersberger No. 1. For identification see same as Peter No. 2. Her marriage to Jacob Frey indicates that the Freys and Wolfenbargers were in close proximity to each other in Pennsylvania or possibly in Alsace before they came to America in 1734. It is possible that they were married before they came to this country, as Jacob Frey was naturalized April 10th, 1761 at the same time his brother-in-law John Wolfersberger was naturalized. There is no identification of any children of this couple.
- 7 Anna Maria Wolfersberger, daughter of John Wolfersberger No. 1. She married Martin Heffelfinger. For identification see same as Peter No. 2. Martin Heffelfinger was naturalized at the same time that Jacob Frey and John Wolfersberger No. 4 were naturalized. There is no identification of any children of this couple.
- 8 Frederick Wolfersberger, son of Peter Wolfersberger No. 2. See wills and agreements under Peter No. 2. Will of Frederick Wolfersberger of Elizabeth Township Lancaster County Pennsylvania, farmer, dated January 16th, 1795, proved February 12th, 1795. Wife Elizabeth is to live on plantation until son Frederick is 21 years of age, then two sons, John and Frederick are to have all the plantation where I now live, in Elizabeth Township, consisting of 130 acres, and also another piece of land in the same township consisting of 43 acres, they to pay the estate ~~1~~1600. The plantation is to be subject to the dower of Christina Neaff my mother-in-law. (It would seem from this that he married Elizabeth Neaff.) The son John is to have 30 pounds as his birthright. The ~~1~~1600 which the two brothers are to pay is to be divided among my five children. John, Frederick, George, Phillip and Elizabeth. Executor brother George Wolfersberger and Samuel Rex. According to the above, his children were:

- i John Wolfersberger
- ii Frederick Wolfersberger
- iii George Wolfersberger
- iv Phillip Wolfersberger
- v Elizabeth Wolfersberger

In a muster roll of the 2nd Battallion, Lancaster County militia on a tour of duty at Lancaster guarding British prisoners of war, among the names of persons furnishing substitutes is the name of Frederick Wolfersberger. Date Aug. 20th, 1781. Frederick No. 8 is probably the man referred to.

- 9 George Wolfersberger, son of Peter Wolfersberger No. 2. Wife Eva. They were members of Reformed Church at Shafferstown PA prior to 1800. Records do not show more definite date. John, son of George and Eva was baptized in Reformed Church April 23rd, 1785. According to the above, George and Eva had at least one child:

- i John Wolfersberger

- 10 George Michael Wolfersberger son of Peter No. 2. Name of wife unknown. There is a record in the Pennsylvania State Library showing that George Michael Wolfersberger late of Culpepper County VA died in Heidelberg Township, Lancaster County PA in 1789. The Orphan's Court Docket Book. A. p. 204, Orphans' Court held at Lebanon County of Dauphin Oct. 3rd, 1789. The Court appoints Phillip Wolfersberger and

and Christopher Uhler of Dauphin County, guardians over the estates of Sarah Wolfersberger, George Wolfersberger, Hannah Wolfersberger, John Wolfersberger and Margaret Wolfersberger, minor children of George Michael Wolfersberger deceased, late of Culpepper County Virginia, yeoman. Elizabeth and Catherine Wolfersberger minor children of George Michael Wolfersberger late of Culpepper County Virginia being above the age of 14 years appear in court and choose Phillipp Wolfersberger and Christopher Uhler as guardians over their estates. According to the above, the following were the children of George Michael Wolfersberger No. 10. There is no further record of any of them that can be identified.

- i Sarah Wolfersberger
- ii George Wolfersberger
- iii Hannah Wolfersberger
- iv John Wolfersberger
- v Margaret Wolfersberger
- vi Elizabeth Wolfersberger
- vii Catherine Wolfersberger

11 Peter Wolfenbarger, son of John Wolfenberger No. 4. Wife Susan. See record of sale of land in Shenandoah County VA in settlement of estate of John No. 4. Owned land in Shenandoah County and lived there in 1785, but was living in Greenbrier County VA in 1795 when his father's land was sold. Greenbrier records show that he was in that County as early as 1781 with his wife Susan. He had a family of eight but their names cannot be identified. Many Wolfenbargers are found in Greenbrier County as early as 1791 and onward, and it is believed that they were all descendents of John No. 4, but it is impossible to identify them as dependents of any particular one as there are many duplicate names all along about the same period.

12 Frederick Wolfenberger, son of John Wolfenberger No. 4. Wife Catherine. For identification, see records quoted in case of Peter No. 11. There is no record that he ever owned land in Shenandoah Co. but he was there as early as 1782 and disappears after 1787. He owned land in Greenbrier Co. in 1792. He had a family of six in Shenandoah Co. in 1783, but their names cannot be identified. They all probably moved with him to Greenbrier County. No further information concerning him except that he owned 340 acres of land in Greenbrier Co.

13 Phillipp Wolfenberger, son of John Wolfenberger No. 4. Married Catherine Pinnevit, Shenandoah Co. VA. May 2nd, 1786. Rev. A. Moffett, Minister. For identification see records quoted in case of Peter No. 11. He was a Revolutionary soldier, serving in Capt. John Moore's Co. being the 5th Company of Lancaster County PA Militia, 1781. He was granted a pension for this service on application made in Ohio, and beginning in 1820, at which time he stated he was 57 years old (making him born in 1763). The records show that he died Oct. 1st, 1852 which would have made him 89 years old. He was buried in Pike County Ohio in Beaver Township Cemetery. He had some children, but their names are not known with the exception of one daughter, Elizabeth Taylor who asked for the widow's pension to be given her after her mother died, stating that she was the only surviving child. It appears that the pension was not allowed her. His application for pension in 1820 stated that he had in family, his wife, a grand-child, a girl about 7 and a boy about 12. No further record of him or of his family.

- 14 Hannah Wolfenberger, daughter of John Wolfenberger No. 4. Married Henry Cary in Greenbrier County VA. John Alderson, Minister. For identification see records quoted in case of Peter No. 11.
- 15 Mary Wolfenberger daughter of John Wolfenberger No. 4. Married Henry Barnheart in Greenbrier County VA, April 6th, 1795. John Alderson, Minister. There is no further identification of her.
- 16 Joseph Wolfenberger, son of John Wolfenberger No. 4. Wife Nancy. For identification see records quoted in case of Peter No. 11. The records do not show that he owned land in either Shenandoah or Greenbrier Counties but the tax records show that he was in Shenandoah from 1791 to 1795 (He probably reached the age of 21 in 1791 and had to pay poll tax). The records in Greenbrier County show that he was also in that County in 1795, where he joined his brothers and sisters in executing a power of attorney in favor of his brother Frederick. According to best available information he had at least one son. Based on a letter written by Mr. Andrew G. Wolfenbarger of Lincoln, NE, May 25th, 1910, to Mr. Sam W. Sparger, Mr. Andrew G. Wolfenbarger was the son of William W. Wolfenbarger, and he says his grand-father was Joseph, who as I figure it was the son of Joseph No. 16 now under discussion. There was a younger Joseph in Greenbrier County who was no doubt the son of the original Joseph, and the father of William W. Wolfenbarger.

19 i Joseph Wolfenbarger

- 17 John Wolfenberger, son of John Wolfenberger No. 4. Born in Pennsylvania, Aug. 17th, 1754. Died in Highland County Ohio Nov. 17th, 1840. Married Christina Frey at Friedberg NC 1777 or 1778. She was born in Pennsylvania Nov. 22, 1759. Died in Surry County NC between 1830 and 1833. He went from Lancaster County PA where the early family settled, with his father and family some time between 1761 and 1771 to Shenandoah County VA so far located was when he took the oath as Vestryman in Beckford Parish on March 6th, 1771. It should be explained that while the Wolfenbergers were Lutherans and Reformed church people, the office of Vestryman referred to the Episcopal Church which was the established Church in Virginia at that time, and as there were probably not enough Episcopalians in the Parish to fill the offices of Vestrymen, members of other churches were appointed. It is explained by a genealogist that this was often the case. It was also explained that the Lutheran church being the established Church in Germany or at least the favored church, the Church of the governing classes, it was most natural to appoint a Lutheran or Reformed as a Vestryman. The Lutherans and Reformed always had joint churches in these parts in the early days. Muhlenberg the Lutheran minister at Woodstock VA - where John's father lived - was ordained an Episcopalian in order that he might perform marriages. The first record found of John No. 17, was among the Moravian records now on file among the archives of the Moravia Church at Winston-Salem NC which reads as follows: "Dec. 9th, 1776. A man by the name of Wolfesperger who formerly lived near Lititz PA. (An old Moravian settlement at which point a Moravian Church is still maintained - 1932) but is now in Virginia, made an agreement with Br. Graff to buy 300 acres on Spark's Creek. His son will settle there." This land is near the Friedberg Moravian Church which is being maintained at the present time. The Moravian ledgers show that John Wolfesperger was in possession of this land in 1778 and 1779. It is not known under just what arrangement he was in possession of the 300 acres of land referred to, probably on a rental basis, since the ledgers show that on May 31st, 1781 an entry was made charging the rental to profit and loss, amounting to 16 pounds and 16

shillings for the two years, 1778 and 1779. He had evidently been unable to make his payments, and was dispossessed of the land. A bit of interesting information is contained in a little sketch written by Joseph W. Spargar Jr., a grand-son of John in 1876 in which he says "John W. Spargar our grand-father was born in Pennsylvania, lived there for a time, then lived for a time in Grayson County Virginia, and removed to North Carolina in 1787.

The records at Danbury in Stokes County NC show that John Wolfesberger was granted 150 acres of land on Feb. 22nd, 1787, the same year that his grandson Joseph said he came to North Carolina. Now it appears that about what happened was that when he left the Moravia settlement after 1779, he went to that section of Virginia, now Grayson County (which was not formed until 1792) and remained there until he took the land in Stokes County and came back to North Carolina. He sold the Stokes County land to Charles Frederick Bagge Jan. 22, 1802.

The Surry County NC records show that John Wolfvanberger owned land in that County as early as 1792, that he had two State grants in 1794 and one in 1802, and that after 1802 all records refer to John Sparger. Many deeds were made to John Sparger after that date. Many of these grants and deeds of John Sparger are located on both sides of Forkner's Creek, and John Sparger Sr. owned hundreds of acres of land on this creek. John Sparger Sr. and John Sparger Jr. owned and traded in slaves as the records show that they would some times give a deed of trust on their slaves. He lived in Surry County until 1833 after the death of his wife Christina. The United States Census records show that she was living in 1830, so she died between 1830 and 1833. Several of his children had moved to Highland County Ohio from time to time, beginning with Joseph and Reuben in 1804. Phillipp in 1809, and in 1833 he accompanied his son Henry and his bride, traveling on horseback to Ohio where he lived until his death on Nov. 17th, 1840. He is buried there in a Quaker Cemetery.

The Frey family record in the Moravian archives at Winston-Salem NC show that Peter Frey Sr. was born in Wingen Alsace Sept. 27th, 1689, and that he died at Friedberg NC May 4th, 1766, being the first person buried in this cemetery, the land for which was contributed to the church by his sons and son-in-law. The compiler of this record visited his grave on Sept. 21st 1931. The marker is in a perfect state of preservation, showing plainly the date of birth and death and place of birth. He married in 1716, Anna Barbara \_\_\_\_\_ (maiden name unknown) born April 5th, 1696, died January 9th, 1768, at Bethania NC. They had twelve children and more than 100 grandchildren and great-grandchildren at the time of her death. Johan Valentine Frey, son of Peter was born May 9, 1721 at Wingen Alsace. Died at Hope SC Sept. 13, 1798. He married Anna Maria Barbara Binckele, she was the widow Meyer at the time of her marriage to Valentine Frey. She was born at Whitsuntide in 1722, died Jan. 6, 1791 near Salem NC. They came to America with the family in 1734. Peter Binckele, father of Anna Maria Barbara Binckele Frey, wife of Valentine Frey was born March 4, 1704 at Guckensberg, Canton, Berne Switzerland. Died at Bethania NC August 20, 1793. Married Anna Maria Werlyn who died in 1748 near Yorktown PA. She was Christina Frey's grandmother. He then married in 1749 Maria Margaretha Geirger. By both marriages he was the father of twenty three children. He was the son of Christian and Elizabeth Binckele.

The Moravian records show that Christina the daughter of Valentine Frey was born in Pennsylvania Nov. 22, 1759 and came to North Carolina with her parents in 1765 when she was six years old. Married John Wolfersberger but fails to give the date of the marriage, however since John came to North Carolina about the first part of 1777 and she being at that time about 18 years old, and their first child being born in May 1779, it is assumed that they were married soon after he came down to North Carolina. It is thus seen that Peter Frey was her paternal grandfather, Valentine Frey her Father. Peter Binckele her maternal grandfather, and Anna Maria Verlyn Rinekele her maternal grandmother.

There is no record that John or Christina ever connected themselves with the Moravian Church, although their first two children were baptized by the Moravians. However, it appears that Christina's parents and grandparents on both sides were devout communicants of the Moravian church. John and Christina are the father and mother - or founders of the Sparger and Spargur families in this country, and their descendants are scattered all over the world.

According to the best information available Christina is buried in an old country grave yard in Surry County NC near Mount Airy, within sight of the side of the old home adjoining the property of the Sparger Orchard Company. There is a group of four graves, said to be those of Christina Sparger, Hannah Deatheridge - Christina's daughter, John Sparger, her son and Robert Turner Taylor, who married Jane Sparger her granddaughter, the daughter of John Sparger. These graves are not marked so they can be identified, but they simply have rough stones placed at the head and feet of each grave. Of course, no one is living now who was here at the time these people passed away, so we are entirely dependent upon what has been handed down to those now living. The traditions about those burials were personally investigated by J. D. Sparger and W. M. Creasy in September 1931, and the above information was obtained from some of the older descendants of these people, and there seems no room to doubt that this information is correct.

The children of John and Christina were as follows:

20	i	Reuben W. Spargur
21	ii	Joseph W. Spargur
22	iii	John W. Sparger
23	iv	Phillipp W. Spargur
24	v	William W. Sparger
25	vi	Henry W. Spargur
26	vii	Hannah W. Sparger
27	viii	Nancy W. Sparger
28	ix	Sally W. Sparger

18 Benjamin Wolfenberger, son of John Wolfenberger No. 4. For identification see records quoted in case of Peter No. 11. He was probably married twice. The records show that he married Elizabeth Miller in Shenandoah County April 9, 1790, while on April 11, 1797 Benjamin Wolfenberger and wife Catherine sold land on Main Street in Woodstock Shenandoah Co., VA to Jacob Liggett.

Benjamin was appointed Administrator of the estate of his father, John No. 4 who died in Shenandoah County VA in 1788. The estate was finally settled and reported

to the Court July 7, 1792. The real estate belonging to John No. 4 was finally sold on Sept. 29, 1795, and bought by Benjamin from his brothers and sisters, he paying \$50.00 to each heir. He had a suit against Joseph Yaeger and wife as a result of which a certain tract of land was conveyed to Benjamin. This suit was disposed of on Oct. 7, 1800. He was probably in Greenbrier County in 1803, as he and his wife Elizabeth executed a power of attorney to Phillip Wolfenberger to execute a deed. In 1805 he and his wife Elizabeth in Greenbrier County to Henry Pope. April 8th, 1806 Benjamin Wolfenberger and wife Elizabeth of Botetourt County BA sold land in Shenandoah County VA. This indicates that they moved to Botetourt County in 1805 about the time they sold the land in Greenbrier Co. The records in the court house at Wytheville VA show that Benjamin died in 1812, and his estate was settled up in November of that year. He was a wagon maker, as his personal property consisted of wagon maker's tools which were bought by Elizabeth Wolfenberger at his Administrator's sale. Incidentally his father, John No. 4 was referred to in the Pennsylvania records as a wheelwright (repairer or maker of wagons and carts). Many of the family in later generations have been listed as wagon makers. The records at Wytheville, County seat of Wythe County, show that Elizabeth Wolfenberger bought land there in 1817. Elizabeth sold this land to Christopher Brown Feb. 22, 1827, and no further record has been found of the family in that section.

The United States census record shows that in 1820 there was in that County in the town of Evansham (now Wytheville), an Elizabeth Wolfenberger with a family of eight, supposed to be six sons and two daughters, with herself making nine in all. We have the names of two of the children taken from a deed from John Short of Elizabeth Wolfenberger, referred to as daughter of Benjamin Wolfenberger deceased, and witnessed by Samuel Wolfenberger, presumably both of these were his children.

- i Samuel Wolfenberger
- ii Elizabeth Wolfenberger
- Names of others unknown

19 Joseph Wolfenberger, son of Joseph Wolfenberger No. 16. Married Nancy Hanson of Greenbrier County VA. Minister John Pinnell. March 5, 1807. It seems a coincidence that his mother's name was Nancy and that his wife's name was also Nancy, but that is the record. Joseph No. 19 probably had brothers and sisters but they have not been identified. According to the letter written to Mr. Sam W. Sparger by Mr. A. C. Wolfenberger in 1910, and a letter written to Mr. Sparger by Mr. J. B. Wolfenberger in 1909, we have the name of only one of the children of Joseph No. 19 as follows:

- 29 i William W. Wolfenberger

20 Reuben W. Spargur son of John W. Spargur No. 17. Born May 17, 1779, Friedberg, NC. Baptized by the Moravians. Never married. Went to Highland County Ohio with his brother Joseph in 1804. Made several visits back to NC, always coming on foot.

21 Joseph W. Spargur, son of John W. Spargur No. 17. Born March 1, 1781, Friedberg NC. Baptized by Moravians. Went to Highland Cty. Ohio in 1804. Raised a large family. Mrs. C. S. Swadley of Rainesboro Ohio is compiling a list of his descements to be included in this record.

- 22 John W. Sparger, son of John W. Sparger No. 17. A record consisting of about one thousand descendants has been compiled and will later be combined with this record.
- 23 Phillip W. Spargur, son of John W. Spargur No. 17. Mrs. Swadley is compiling record of his descendents which will later be combined with this record.
- 24 William W. Sparger, son of John W. Sparger No. 17. A record consisting of something like three hundred descendants has been compiled for consolidation with this record later.
- 25 Henry W. Spargur, son of John W. Spargur No. 17. Mrs. Swadley is compiling record of his descendents to be later combined with this record.
- 26 Hannah W. Sparger, daughter of John W. Sparger No. 17. Record of her descendents incomplete.
- 27 Nancy W. Sparger, daughter of John W. Sparger No. 17. Record of her descendents incomplete.
- 28 Sally W. Sparger, daughter of John W. Sparger No. 17. Record of her descendents incomplete.
- 29 William W. Wolfenbarger, son of Joseph Wolfenbarger No. 19. Born in Pocahontas Co., VA in 1810. No information as to name of his wife. A portion of a letter written by Mr. Andrew G. Wolfenbarger, Attorney and Counsellor, Lincoln, NE to Mr. Sam W. Sparger is quoted here. "In a hazy way I have conveniently located the Wolfenbarger family tree, about half way up the slope of Wolf Mountain in Germany, where the original inhabitants about a thousand years ago, were called Wolfesbargers or inhabitants of Wolfe Mountain". "I next find them in the Blue Ridge Mountains of Old Virginia, and my grandfather Joseph Wolfenbarger was born there in the 18th century. My father William W. Wolfenbarger was born in Pocahontas County VA in 1810, was a school teacher, a drover, a merchant, and between 35 and 40 years of age was sheriff eight years in Pocahontas County. He moved into Bath County, where I was born at Greenbank on the Green Erier River in 1856. In 1859 my father with his family located near Charleston Iowa, and lived there to the time of his death in 1867. My mother died at Charleston in April 1907. Branches of our family are scattered through Indiana, Ohio, Penn., Virginia, Kentucky, Illinois, Iowa, Kansas, Nebraska, and today I am informed that one of the wardens of the State Penitentiary of Minnesota in recent years was of this name." Now a portion of a letter from Mr. J. B. Wolfenbarger, of Wolfenbarger and May, Attorneys and Counsellors at Law, Peoria, IL to Mr. Sparger under date of Dec. 22nd, 1909, is quoted. "My father who is still living at the age of 75 was born in Pocahontas Co., West Virginia, and his father I think was born in the same County and I think had a brother Robert who died somewhere in Ohio --- I also have an uncle A. . Wolfenbarger, a lawyer in Lincoln, NE, another uncle W. B. Wolfenbarger in Indianapolis, Ind. and another Uncle, Brown Wolfenbarger and an aunt Hulda Wolfenbarger living at Charleston Iowa". Now from these two letters the names of at least some of the children of William W. Wolfenbarger have been picked up as follows.

- 30 i Andrew G. Wolfenbarger  
 31 ii Father of J. B. Wolfenbarger  
 iii C. R. Wolfenbarger, Indianapolis, Ind.  
 iv Hulda Wolfenbarger  
 v Brown Wolfenbarger

30 Andrew G. Wolfenbarger, son of William W. Wolfenbarger No. 29. Born March 24, 1856. Died Oct. 8th, 1923. Married Capitola Williams. See record of Joseph No. 19 and William W. No. 29. One adopted son.

i     . S. Wolfenbarger, Lincoln, NE

31 Father of J. B. Wolfenbarger, son of William W. Wolfenbarger, No. 29. No information concerning him except that he is a brother of Andrew and the other uncles mentioned in J.B.'s letter.

An effort has been made to use the same form of spelling as was found in the various individual court records, or other records, consequently it will be found that the name of an individual is spelled in a different form in different places.

## Family of John W. Sparger

1. John W. Sparger, son of John (Wolfenbarger) Sparger, b. about 1778, probably near Friedberg, N.C. The Moravian records at Friedberg show that two of his brothers, Reuben and Joseph were born there in 1779 and 1781 but make no mention of John, however the records in Surry County, N. C. show that at an early date, John Sparger Sr. and John Sparger Jr. were business partners before any of the other brothers were mentioned as business partners, and it is therefore concluded that John was the oldest son, and that the family record showing that he died in 1834, aged 55 is in error to his age since this would have made the year of his birth the same as that of his brother Reuben, 1779. Married Sarah Lyon near Hillsville, VA about 1816. b. Feb. 4th, 1799 d. Jan. 1, 1860 (Dates of her birth and death taken from her tomb stone in the churchyard of Salem Methodist Church near Mount Airy, Surry County, N.C. He is buried about four miles from Mount Airy, near the road leading to Brower's Springs, and near the land of the Sparger Orchard Co. in an old country grave yard where his mother, Christina Frey (Wolfenbarger) Sparger, his sister Hannah Sparger Deatheridge, and his son-in-law Robert Turner Taylor are buried in graves marked only by rough stones without inscription of any nature. In latter years a marker to the memory of Robert Turner Taylor was erected by his sons, Rev. Robert Marion Taylor, and Frank Taylor, in the church yard at Salem by the side of his wife Jane Sparger Taylor, but his mortal remains still rest in the old grave yard on the hill near Brower's Spring, and overlooking the site of the last home of Christina Sparger, probably the first person buried there, her husband John having gone to Highland County Ohio, with his son Henry about 1833 after Christina died, where he died in 1840 at the age of 86. They had the following children.
