BALTIMORE, January 1, 1887.

To the Maryland Historical Society:

Gentlemen: 1302452

We have the honor to submit the Fourth Volume of the Maryland Archives, comprising the Court and Testamentary Records from 1637 to 1650, published by order of the State, under your direction.

With the publication of this volume, all the entries, except a few relating to Land, in the ten earliest volumes, have been placed in print.

Diligent search has not brought to light any of the missing Council books, and that series of the Archives will now be taken up and printed, notwithstanding the gap existing between 1674–1685.

The Committee commend Miss Harrison for the faithful work in transcribing and indexing, and Dr. William Hand Browne for the great care he has bestowed on the volume.

Respectfully submitted,

John W. M. Lee, Bradley T. Johnson, Henry Stockbridge,

Committee.

The above report having been laid before the Society at its regular meeting on January 10th, 1887, was, on motion, accepted, approved and ordered to be printed.

JOHN H. B. LATROBE,

Corresponding Secretary.

MENDES COHEN,

President.

PREFACE.

The Provincial Court at St. Mary's was the chief judicial body in the Province, being not only a court of first instance for all matters civil, criminal, and testamentary for the city and county of St. Mary's, but having also appellate jurisdiction over the county courts. It was composed, during the years embraced in this volume, of the Governor as presiding judge, and one or more of the members of the Council as associate judges. In the absence of the Governor, the councillor next in commission presided. The judges were sworn to give judgment according to the laws of the Province, and were disabled from sitting in cases in which they were personally interested.

During these years the Province was so sparsely settled, that we are justified in surmising that nearly all the judicial business was brought, in one form or another, before the Provincial Court. Unfortunately, the record is not complete, the part from February, 1644/5, to May, 1647, being lost; for which we may probably thank Ingle and his brigands.

While the contents of this volume cannot have the same general interest as the records of the Assembly and Council, there is much in them worthy of attention by students of Maryland's early history and institutions, who may here note how laws and principles of law that had grown up under very different conditions were adapted without violence

to the needs of the infant colony.

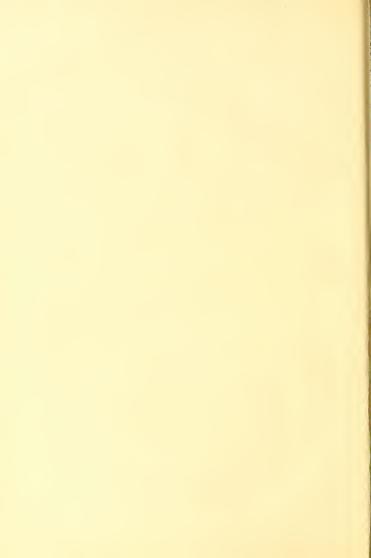

One feature that cannot be overlooked is the singular absence of crimes of violence. Leaving out of view the little sea-fight at Pocomoke, the offences against the person consist of two homicides and one (unproved) battery. In the case of the homicides, both the victims were Indians; and it is interesting to see how careful the court was to allow no partiality to interfere with justice, a jury who doubted whether "pagans" had the same standing in the court as Christians being

promptly dismissed and a new trial ordered.

The process against Lewis and others (p. 35) shows that "offensive speeches and unreasonable disputations about religion" had been forbidden by public proclamation more than eleven years before the passing of the "Act concerning Religion." We find also here (p. 189) the first reference to the importation of negro slaves, and (p. 304) perhaps the first recorded purchase of negroes. Probably the solitary recorded instance of a deodand occurs on p. 10. The "custom of the country," as it was called, or the outfit that a master was legally bound to give his servant at the expiration of his term of service, is here (pp. 361, 470) judicially defined.

Some light is also thrown, by depositions in various trials, upon the proceedings of Ingle and his raiders in "the plundering year," as it was long called, an adjective which exactly defines their acts and their purposes; as also (p. 458) a characteristic piece of strategy on the part of

Claiborne.

NOTES.

Page 10, line 9. This deodand of a tree is perhaps the solitary instance in the records.

Page 22, line 1. This inquest on the persons killed in the fight at Pocomoke complements the Assembly and Council Records.

Page 24, line 3 from bottom. "taken Crawley." Repetition in

original.

Page 30, line 3 from bottom. "latin pott." Latten was a kind of fine brass.

Page 36, line 10. "herediculous." So in original.

Page 37, line 25. "Antixpian," antichristian. Page 61, line 23. The confusion is in original.

Page 76, line 25. "pair of tenns," These mysterious articles are mentioned more than once.

Page 77, line 24. "ocome spoones." Not understood.

Page 77, line 27. "mithridate." A medicine compounded of many preposterous ingredients, in high esteem with our ancestors.

Page 78, line 6 from bottom. "beareager." Vinegar made of beer.

Page 78, bottom line. "latin ware." See note to p. 30.
Page 79, line 13. "Harry Angell." A gold coin of Henry VII, or VIII, worth 8s, 6d., and so called from the figure of St. Michael on the obverse.

Page 81, line 6 from bottom. "pair of tables." A board for playing

draughts or backgammon.

Page 86, line 25. "chambers and murtherers." Small pieces of ordnance.

Page 87, line 7 from bottom. "dead men's eies." Apparently, what are now called dead-eyes.

Page 106, line 9. The leaf torn out makes no break in the text. Page 108, line 30. The beginning of a *quietus est*.

Page 112. Words in brackets are supplied from Liber F.

Page 125, line 3. Entry unfinished in original.

Page 126. The brackets are in original.

Page 143, line 9 from bottom. Pork-Hall, as the name of an estate or manor, seems worthy of note.

Page 156, line 23. "mrs. Lewgers." So in original.
Page 189, line 27. This seems to be the first reference to the importation of negroes into the Province. In this particular case it seems that the slaves were not furnished.

viii Notes.

Page 213, line 4. "Thatcher" seems here a clerical error for Sutton. Page 214, line 12 from bottom. From these figures and those below it seems that an arm's length of roanoke (Indian shell money) was worth 10 pounds of tobacco, and that a pound of beaver was worth 100 pounds, or 5 shillings. On p. 227 we find the pound of beaver valued at 72 pounds of tobacco. Salt seems to have been worth 5 shillings the bushel.

Page 231. The references to Ingle's arrest and rescue complement

the records in the Assembly and Council Books.

Page 258, line 22. It is interesting to note that as late as 1643/4 there was no prison in the Province but the sheriff's hands, as he quaintly

explains, to excuse the escape of Ingle.

Page 259, line 3 from bottom. "Mary Kitomaqund." This Indian girl, Margaret Brent's ward, seems to have been of the family of the Emperor of Pascatoway. See Council Proceedings 1636–1667, pp. 403, 454. By a reference *infra*, p. 388, we find that she added the name of Brent to her other names.

Page 294, line 17. Egidius is the Latin form of the name Giles.

Page 304, line 6 from bottom. First instance noted of a sale of

negroes into the Province.

Page 308, line 6. Here Liber P. R. ends. The gap between this and the beginning of Liber A marks the loss of records in the Ingle inroad. All the pages of A before p. 59 have been lost.

Page 310, line 26. Robert Ford. This seems to have been the child which Cornwaleys was charged with kidnapping. See Council Proceed-

ings, p. 169.

Page 328, line 24. The mention of brick moulds in 1647 is further evidence of the early manufacture of brick.

Page 343, line 15. Brackets in original.

Page 361, line 21. This "custom of the country," or outfit which a master was bound to give his indented servant at the expiration of his time, is here judicially defined. See p. 470.

Page 362, line 12. "plundering year." The time of Ingle's raid.

Page 363, line 26. "Coral." Sic, for Carolus.

Page 380. In Liber A, p. 151 follows p. 148 without break in text.

Page 394, line 1. "own payment" for non-payment.

Page 417, line 16. "his brother" for her brother.

Page 420. This case of the dissenting juryman and the penalty imposed is rather odd.

Page 454, line 5. Here the often-occurring phrase "rate of cask" is explained.

Page 455, line 7. "Inke." So in original.

Page 455, line 2 from bottom. Underscoring in original.

Page 489, line 3 from bottom. The words "plf who had beene" crossed out in original.

The Processe agst William Lewis, ffrancis Gray, Robt Sedgrave &c.

p. 70

on Sunday the first of July, william Lewis informed Capt: Cornwaleys that certaine of his servants had drawen a petition to Sr John Hervey; & intended at the Chappell that morning to procure all the Protestants hands to it. wherevpon the Captaine (calling vnto him mr Secretary) sent for Robt Sedgrave (one of the parties informed of) and examined him thereof, who confessed he had drawen a writing & delivered it to ffrancis Gray, who being likewise examined, had the writing in his bosome & delivered it to the Captaine. The writing was of this tenor

Christopher Carroll
Ellis Beache
Ro: Sedgrave and others weh
hereafter may be brought
forth.

Beloved in our Lord &c This is to give you notice of the abuses and scandalous reproaches web God and his ministers doe daily suffer by william Lewis of S' Inego's, who saith that our Ministers are the Ministers of the divell; and that our books are made by the instruments of the divell, and further saith that those servants weh are vnder his charge shall keepe nor read any booke weh doth apperteine to our religion within the house of the said william Lewis, to the great discomfort of those poore bondmen web

p. 68

Liber Z. are vnder his subjection, especially in this heathen country where no godly minister is to teach and instruct ignorant people in the grounds of religion. And as for people web cometh vnto the said Lewis or otherwise to passe the creeke, the said Lewis taketh occasion to call them into his chamber, and there laboureth with all vehemency craft and subtlety to delude ignorant persons. Therefore we beseech you brethen in o' Lo: and Savi' xst Jesus that you who have power that you will doe in what lieth in you to have these absurd abuses and herediculous crimes to be reclaymed, and that God and his ministers may not be so heinously troden downe by such ignominious speeches; and no doubt but he or they web strive to vphold Gods ministers and word, he shalbe recompenced wth eternall ioy and felicity to reigne in that æternall kingdome wth xst Jesus, vnder whose banner we fight for evermore. All weh words aforesaid weh hath beene spoken against wm Lewis, the parties herevoder written wilbe deposed when time and opportunity shalbe thought meete.

And being further examined touching the intent of the writing, francis Gray said that he was not acquainted with the writing till it was delivered it to him by Rob' Sedgrave, & that he had not as yet read it; & that Rob' Sedgrave desired him to publish it to some of the freemen, & to the intent onely to procure them to ioine in a petition to the Govern' & Counsell of this Province for the redressing of those greivous web were complained of in the writing. wherevoon the Captaine willed them to attend againe in the afternoone & to bring security for their answering the matter at the Court; and in the meane-time to demeane themselves quietly and soberly. And in the afternoone, the Captaine and m' Secretary bound them over

On Tuesday 3^d July; the Sheriff was commanded by warrt from the Governor to bring william Lewis, Robt Sedgrave,

wth 2, sureties to answere it at the next Court.

ffrancis Gray, xpofer Carroll and Ellis Beach into the Court, where were present the Governor, the Captaine and m' Secretary. the Governo' demanded of Rob' Sedgrave whether that were his writing; and he confessed it. he demanded further touching the intent of the writing; and he answered as afore; and being demanded who moved or advised him to that course; he said that himselfe and ffrancis Gray being much offended profit with the speeches of william Lewis, ffrancis Gray did wish him to draw a writing to some of the freemen, and he would procure them to ione in a petition to the Govern' & Counsell we the said Rob' Sedgrave did accordingly the next day: but ffrancis Gray wished him to keepe it till he had spoken with m' Coply; we was on Satturday the last of June; and on Sunday morning meeting with francis Gray at the ffort, he asked him whether he

had spoken wth mr Copley, who said he had, & that mr Coply Liber Z. had given him good satisfaction in it, & blamed much william Lewis for his contumelious speeches and ill-governd zeale and said it was fitt he should be punished. and ffrancis Gray asked him for the writing, and putt it vp, & were going with it to the chappell, when the Captaine called them in by the way. and ffrancis Gray being examined confessed that he did wish him to draw a writing, to be delivered to 2 or 3 of the freemen and his reason was because the said servants had no knowledge what to doe in it, nor could so well goe to the Governor to move for redresse as the freemen could. Then were the complaints conteined in the writing agst william Lewis taken into examination. And touching the first, Ellis Beach, did depose that william Lewis coming into the roome where ffrancis Gray and Robt Sedgrave were reading of mr Smiths sermons, will. Lewis said that the booke was made by the instrument of the divell. and Robt Sedgrave being demanded whether william Lewis spake in generall of Protestants books, or of that booke in pticular said he could not well remember whether he spake of books in generall. And william Lewis being putt to his answere confessed that coming into the roome where they were reading of a book, they read it aloud to the end he should heare it, and that the matter being much reproachfull to his religion, vizt that the Pope was Antichrist, and the Jesuits, Antixpian ministers &c. he told them that it was a falsehood, & came from the Devill, as all lies did, & that he that writt it was an instrumt of the divell, & so he would approve it; and further he said not.

touching the second, it was deposed by 2 witnesses that william Lewis said that their ministers (innuendo the Protest-

ants) were the ministers of the divell.

touching the third, Rob' Sedgrave said at first that william Lewis did forbid them to vse or have any Protestant books within his house; wh being denied by william Lewis, & that he had expressely given them leave to vse or have bookes, so they read them not to his offence or disturbance in his owne house; and that he spake onely touching that booke then in reading; Rob' Sedgrave said that he was not certaine whether he forbad them that book onely, or all other books. and Richard duke (a witnesse produced by ffrancis Gray, and a Protestant) being sworne said, that william Lewis said that ffrancis Gray could not read that booke in the house, nor no such base fellowes as he was; but no more or further as he heard.

then was xpofr Carnoll, and Ellis Beache examined vpon oath, and they likewise testified touching the forbidding of that book, but not any further as they heard. Liber Z. Then was it alledged by william Lewis that the intent of the writing was to combine the Protestants together, and to send a petition vnder all their hands to the Govern' and Counsell of virginea, that they would send hether for william Lewis and proceed ags' him for a traitour. and this he offered by one here p\tilde{\text{n}} that heard James Thornton say, that they declared such their intent in his hearing

but this being refused by the Govern' as an insufficient proofe, and the partie himselfe demanded that heard the words; it was answered that he was gone out a trading the day before. wherevpon the Govern' thought fitt to deferre their triall and censure till the witnesse could be produced in Court; and in the meane time willed m' Secretary to deliver his censure touching the complaints ags' william Lewis.

And m' Secretary found him guilty of an offensive & indiscreete speech in calling the author of the booke an instrit of the divell; but acquitted him from that he was charged withall in the writing, that he vsed that speech touching Protestant ministers in generall. he likewise found him guilty of a very offensive speech in calling the Protestant ministers, the ministers of the divell. he likewise found him to have exceeded in forbidding them to read a booke otherwise allowed & lawfull to be read by the state of England; but he acquitted him of the accusation that he forbad his servants to have or vse Protestant books in his house, and because these his offensive speeches, & other his vnseasonable disputations in point of religion tended to the disturbance of the publique peace & quiett of the colony; and were committed by him against a publique proclamation sett forth to prohibite all such disputes; therefore he fined him in 500, weight of tobacco to the lord of the Province; & to remaine in the Sheriffs custodie vntill he found sufficient sureties for his good behaviour in those kinds in time to come.

The Captaine likewise found him to have offended ags' the publique peace, and ags' the proclamation made for the suppressing of all such disputes tending to the cherishing of a faction in religion; and therefore fined him likewise 500 to the Lord of the Province. but for his good behaviour thought fitt to leave it to his owne discretion.

The Govern^T concurred wholly in his sentence with m^T Secretary. And so the Court brake up. and william Lewis was committed to the Sheriff

Afterward he found security for his good behaviour; and was bound as followeth;

3. July. 1638 William Lewis, John Medcalfe, and Richard Browne, acknowledge themselves to owe vnto the Lord Proprietarie 3000. w¹ of tobacco, to be paid vnto the said Liber Z. Lo: Proprietary, or his heires, or officers on the tenth of November next, in case the said william Lewis shall offend the peace of this colony or of the inhabitants thereof by iniurious & vnnecessary arguments or disputations in matter of religion; or shall vse any ignominious words or speeches touching the books or ministers authorised by the State of England.

October 17th John Lewger attorny for the Lord Proprietary informeth to the Court against m' Giles Brent Informaön agst mr Brent gent that he having moved & propounded to the Leiut' Grall an enterprise vpon the Sesquihanoughs, the Leiutent Grāll together wth him the said Giles Brent did resolve and conclude vpon the meanes & manner of it, and among the rest that he the said Giles Brent should have a Commission to raise men at Kent & all other necessaries for the service, and with them pursue the enterprise, and that it should be done at the countries charge; all went the said Giles Brent seemed to like & approve of, & accordingly vndertook the raising of the men vpon Kent, and the leading them out vpon the service, and to that purpose had & accepted a full and absolute Commission to that purpose & all this neverthelesse, & that he knew full well what great charge it would be to the country, & how importantly the honor & safety of the Province was concerned in the managing & successe of it, and what a notable opportunity was then presented for disadvantaging of the enemy, & disabling him to assault vs againe, not

to be hoped for the like at another time, he the said Giles Liber P. R. Brent vpon his arrivall at Kent vnderstanding of a Commission granted to mr William Brainthwait for the command of that Iland; & taking disgust thereat, or for some other secrett discontent or disaffection to the good & wellfare of the govermt as may reasonably be supposed, did not use or exequite the said Commission according to the power therin granted & the trust & charge vndertaken by him but devising how to make the Commission & designe ineffectuall & successlesse with his owne impunity as much as might be, and to give the people there an occasion of refusing and disobeying it, insteed of a serious & thorow exequating of it as his duety & charge was did leave it to their consideration whether they were willing to be pressed or no, & vsed words to signific they should not be vrged against their wills or to that purpose, & vpon their refusall of that so gentle a proposition did dismisse them without pressing any, pretending (as he saith since) some illegalities then found in the Commission; which illegalities neverthelesse vpon some new thoughts he easily swallowed, and issued warrants for the pressing of 20. souldiers, who came wth their armes according to his comand & were ready to be employed by him; but receiving from them some expressions of vnwillingues he easily admitted thereof; & of his owne head without authority dismissed them againe, and so lett the whole enterprise & charge fall to the ground; in great contempt of the authority & govermt of the place, to the great disgrace & disrepute of or nation among the Indians our neighbors & dependants who had great expectaon of the issue of that expedition, to the encouragem' & ill example of the people to contemne the like commissions at another time, to the eminent danger of the whole colony, and the indamaging of his Lop and the country in a fruitlesse expence of so much tobacco beside much lesse & hindrance to pticular psons. Wherefore saving to him selfe the advantage of adding such other articles herevnto in time convenient as he shall think fitt & of replying to the allegations web shalbe made by the said Giles Brent he prayeth that the said Giles Brent may be called to answere voon oath to the said misdemeanors contempts & such further Interrogatories as shalbe administred to him therevpon & that such proceedings & sentence may be had & vsed agst him as justice shall require.

The examinaon of Thomas Speak gent, taken before m' Secretary, at the requiring of m' Giles Brent gent that he should be examined what he knew or could say touching a ewe sheepe feloniously killed as the said Giles Brent suspecteth by some of the souldiers late vpon the Ile of Kent vnder the comand of m' william brainthwait.

This examinate saith that vpon a Sonday in the afternoone, the 9th Octob as he remembereth he this exa**te with the rest of the souldiers coming to Popelie's lland, saw divers peices of mutton boiling in a pott over the fire, w*th was (as he thinketh) putt into the pott by the cook of the company (because he victuals; & he thinketh that all the company ate of it when it was dressed, but he this exa**te was sick at that pīt, wherby he saw not who ate of it, but he saw divers peices of mutton putt into 3. dishes, and the dishes w*th the mutton served out to the messes.

8th John Lewger (on behalfe of his Lop) prayed that the answere of Giles Brent to the Bill of the said John Lewg' contening matters of scandalous & contemptuous implicaons to his Lop and his authority, might be vacated & taken off the record, & iudgemt given the day before might be entred.

warr directed to the said Giles Brent, reciting the motion, summoning him immediately to shew cause &c. at his perill. and the said Giles Brent came, & desired day till the afternoone

to shew cause.

and accordingly the said Giles Brent, read & delivered this in writing for his answere viz [I desire and intend to have it enquired of by Counsell learned in the Law in England, whether I have had wrong in the iudgem passed against me in this Court yesterday being the 7th of November, or whether not. if in the opinion of such Counsell I have had wrong in it, I intend to seek my right at the hands of o' Soveraigne the king and for this reason I desire that my answere and the complaint against me, and the iudgem & all other the proceedings in this cause may still remaine vpon record. novemb this 8th 1642. Giles Brent]

And the Attorny alledged that the said answere was not ptinent or materiall to avoid his allegation & prayer, & there-

fore prayed it to be admitted.

And the Court ordered that the said answere of the said Giles Brent to the Bill of the said Jo: Lewger should be vacated & taken off the record, but kept vpon file; and that the judgem' given the day before should be entred.

Then m' Attorny tendred a draught of the judgem' to be signed by the Judges or one of them; and m' Brent excepted at one passage in it, viz wherein it is alledged & recited on

the plf⁵ part, [that (in the hearing of the said Giles Brent who Liber P. R. did not gainsay it) he had proffered to the def formerly that if he would take the generall issue therin mentioned at large he would ioine with him therin, & so goe to triall of it by the country] denying himselfe to remember any such proffer alledged; wherevpon the Leiutent Gräll said, that if he would yett tender that issue, & m' Attorny were willing to ioine with him in it, he should be willing to supersede the entring of the iudgem' formerly given in default & suffer the cause to goe to triall by the country. wherevnto the said Giles Brent, seemed willing, & desired time to consider of it, & day was given till next day, sedentibus vt Supra. At we'b time came the said Giles Brent, & desired further day to consider, & was given day till Saturday next after dinner.

And the said John Lewger on his Loth behalfe consenting thervnto, the Court ordered according to the said petition of the said Giles Brent.

14. And the said G. G. Brent

1643 January 2⁴ pūtib { Giles Brent John Lewger James Neale p. 112

Came into the Court Capt Tho: Cornwaleys Esq & complaineth agst Leonard Calvert John Lewger & John Langford Esqers, for that whereas they some time in Aprill last did charge 3 bills of exchange all of one tenor, vpon the right hoble the Lord Proprietary of this Prov: for the somme of 200t sterling in England payable after 30 daies sight, to the plf. or his assignes; one of the said bills being shewed to his said Lp by Thomas Gerard of Staples Jnne London gent, & the acceptance therof demanded, his Lop refused to accept therof; but suffered the said bill to be protested in his pace; whereby the plf cannot receive the said mony, to the damage of the plaintif to the value of 400t sterling. And for this he bringeth his suit & prayeth processe agst all the lands goods & chattells of the said Leonard &c. to the value of his action.

whervoon the Lieutent Grall demanded the judgmt of the Court whether in regard of his Lops mandate to the contrary dated at London 14. July 1641, processe ought to be granted in

this case to the plf.

And the said John Lewger alledging that he ought not to give any judgemt in the cause, being himselfe a partie in it, the Leiutent Grall demanded the opinion & counsell of them the said John Lewger & James Neale, by vertue of their oaths, to give him true & faithfull Counsaile &c in this case: viz.

There is a Law of the Province in these words [The Judge in all causes shalbe such pson or psons as are or shalbe from time to time authorised therevnto by Commission &c. Provided alwaies, that in all causes for w^{ch} no certaine rule &c is provided &c. the Judge shalbe the Lord Proprietary, or (in his absence) the Lieut grall & the Counsell of the Province &c.]

during weh law, he the said Giles Brent is confirmed by his Lops Commission Lieut grall, wth a clause for restraint of his power to grant processe &c, in this cause

The demand is, whether he the said Giles Brent be

Liber P. R.

authorised & obliged by the said Law to allow vnto the said Thomas Cornwaleys, action & processe, now demanding it of him, or whether his authority of Lieut grall as to this cause be restraind in Law, by vertue of the said Commission.

And the said John Lewger said that his opinion was that his Lop having signified as yet no dissassent to that Law, it is at this present a Law of the Province, by vertue wherof, the office of Lieut grall (weh hath no latitude but consists in indivisibili. & weh the said Commission confirmes to him the said Giles brent, thoughe it indeavor & intend to restraine the power of it as to this cause) hath an authority & obligation to doe iustice without delay, in this cause, as well as in all other, independant of & notwithstanding any Commission or mandate otherwise, or to the contrary; and therefore his advise was to allow processe to the plaintif.

And the said James Neale said, that his opinion was, that his (the said Giles Brents) whole power of iudicature, as Lieutent grall; by vertue of the said Commission is taken away as touching this cause notwithstanding any law or act to the contrary: and therefore his advise was not to allow processe to

the plf till further order from his Lop

And the Lieut grall after a review taken of his oath of Lieutent Grall; declared that according to his cunning & skill he found himselfe bound to grant processe in the said cause, notwithstanding the mandate to the contrary, the Law of the Province nor the office of Province of Province

iudged the processe should be granted to the plf.

wherepon issued this writt. If Captaine Thomas Cornwaleys Esq shall secure you to psequute at the Court on the first of ffebruary next, his action of debt of foure hundred pounds sterling agst Leonard Calvert, John Lewger, & John Langford Esqrs & to pforme judgmt of Court therin; then attach all or any the corne tobacco debts or other goods or chattells of all or any the said defendts to that value & keep them safe in yo' custody, vntill they or one or more of them shall putt you in security to that value to answere (by themselves or their attorny) the said action at the said Court, & to pforme judgmt of Court therin; And then & there have this writt, wherof faile not. And for so doing this shalbe yo' sufficient authority.

Loving cosin, by this barer my sonne I have recd your accompt, thereby perceiving both the poore rates you have sold our goods at & your large expences brought to accompt, in so much that the 12001 we sent out by you will hardly make vs 700 a miserable reckoning the balance of your accompt I pray deliver vnto my sonne Henry in tobacco & debts if any vnrecovered for that I vnderstand yor father intends to take his busines from you. he hath written me that I have beene the cause you have sent him so small returnes & have perswaded you to keepe his estate & provide for your selfe, and this he & your mother reports of me, weh you know I am most innocent in, & how in divers of my letters vnto you (wherof p, 100 some he hath entercepted) I from time to time putt you in mind to performe your duety towards him in discharging very carefully the trust he reposed in you, he doth not only procure my trouble & disgrace but setts others vpon me as this barer can certify you. I am resolved wth patience to vndergoe what by his meanes & procurement may befall me, beseeching Almighty God to give me grace & courage to persever to the end. & to turne his heart & make him apprehensive of the miserable estate & condition he is in I rest

Liber A. The Dep" of Thomas Bradnox aged 40 yeares & upwards taken before the Gou' & Councell att a Cou't held att S' Maries 7° Decemb' as followeth.

This Dept sayth That sometime in the Prot Gour C. G. Brent. Winter, betweene Michaelmas & Christmas in the yeare 1644. Capt Willm Cleyborne (one of the Councell of Virginia) came uppon the Ile of Kent, bringing wth him in Tompson's Cock, & his owne Vessell, Ten or Eleauen persons; and stird up the Inhabis of the sd lland, together wth his owne forenamed Company, & seauen or eight other persons then newly arryued from Chicacoan, to rise in armes agst the then there settled Gouerm' & by force of armes to take the howse of Mr Giles Brent, then lyuing uppon the sd Iland. And uppon this designemt of taking the sd Mr Brents howse by force of armes as aforesd & of taking the Iland from under the iurisdiction there setled as aforesd himselfe wth the foresd parties marched in armes from one Edw: Commins howse, towards Mr Brents howse about 3 mile, unto the howse of one John Abbotts. Where then the sd persons, before they would march further wth him, required to see the Authority by w^{ch} hee was enabled to goe uppon the accon then in hand. And hee shewed them a peice of parchmt & a Letter, weh hee sayd was a Commish & a Letter from the King. But the s^d parties, or the greatest number of them (as it should seeme) doubting of the validity of his Authority, to justify them in the sd accon there gave over the designe & left him. Whereuppon hee betooke himselfe to his Vessells & departed. And this is all (to his best memory) the the Dept can say of the busines done att the time. ffurther hee deposeth not.

This Dep' sayth th' sometime in the yeare 1646, about or not long after Christmas, att M' Brents howse uppon the Ile of Kent, whereof Cap' Will' Cleyborne had then possesd himselfe, & his Cozen Tompson. And further th' the sd Cleyborne had Commis" sent him in th' p'nt yeare, (if hee would haue accepted of it) to bee Gouerno' of Virginia. And That Sodenly after Cap' Cleyborne (then being uppon the Iland) drew the Inhab's of the sd Iland, together wha about 20 persons, whom hee had brought out of Virginia wha him, into

armes; & mustered them by Leif Sowth, & Peter Knight, in a Liber A. feild, called Kent feild & then proposed to them, to goe downe in warlike manner to assault, & take the Gour of Mary-Land, & the ffort att St Maries: Telling them, att the first, tht hee would goe with them. Whereuppon the sd Company assented to goe with him, perswaded by him, That hee had lawfull Authority thereunto. But after the embarkem of some of the prouisions for this uoyage were putt aboard, some of the Inhabis before they would embarke themselues, desyred to bee made acquainted by him, wth the Authority the should justify them in P. 222 the sd Act. wch hee denying to shew the sd Inhabts drew of from the designe. After weh againe the sd Capt Cleyborne urged the Inhabis to goe uppon the foresd designe, with his Cozen Tompson, who he sayd should leade them. & th' hee himselfe would carry them downe wth such Pinnaces as were there under his deposition for th' use, we'h were three & would land them att Poynt Looke Out & would goe ouer to Chicacoan & send or fetch more helpe unto them. Weh the Inhabis againe refusing to doe about a day after the sd Cleyborne leauing the Iland embarked for Virginia. & ffurther hee sayth not.

And that hee conceived hee had the pltes leave therevnto, ffor demanding a passage the plte tould the deft hee would Willingly give him passage, but hee thought his Boate was Leaky and would not swimme. And the pltes Attorney not being able to prove any dammage desires respite till the next Court that hee might bee farther instructed for that purpose But the defend craveth Justice. Wherevppon after long debate Thomas Greene Esqr the prsent Governor declareth as followeth That the defendt ought to bee dismissed without day for that the plte was not able to make proofe of any the least part of the prended damages. And further declareth also that the Cause ought not to bee respited, p. 307 for that the defend lyeing vnder Arrest these six monethes vppon this onely Cause, and the parties by whom the plte should prove his prtended damage as is alleadged are and haue beene still living within one Mile of the plte and within 2 miles of the Office and the Court, without ever having them sumoned therevnto as hee ought to have done, and therevppon conceives it to bee a meer delay of Justice if such respite should bee admitted or granted And also for that the pltes Attorney declared openly in Court that the plte himself had never pceeded in this Cause against the defendt had hee not beene enticed & Counselled therevnto by some ill Neighbors about him And that withall the Reference desired was soe desired by the plte onely that the Cause might bee tryed by another Judge, as by oath of the pltes Attorney doth appeare Which to admitt of will not onely bee a wilfull delay of Justice but also secretly to admitt a corrupcon in the prsent Judge much to the

indignity of his Lopps both Court and person But all the rest Liber A. of the Counsell doe vote that the Cause bee respited till the next Court, as well in respect the pltes Attorney desired further time to prove the damage as alsoe for that it was by them conceived that the said Trespasse could not bee without some damage lesse or more were it but the wearing of the Boate, and likewise that it would bee a dangerous p'sident if a busines of that nature should bee ordered on the behaulf of the Trespasse, for that others might bee thereby imboldened in Accons of the like nature web might breed a great confusion and disturbance in the Conion wealth, and therefore conceived it not fitt for the p'sent to concurr with the Governor in the dismission of the Cause till further examinacon there of web they are satisfied in conscience may bee done without any delay of Justice.

The Plaintiffes suite being to bee releived concerning a Bond heretofore entred into by the plte

p. 318 to the said M^r William ffreeman of 25^t penalty condiconed for the paym^t of seaven hundred waight of Tobacco. And the said ffreeman having made the said defend^t m^r Husbands his Attorney to receive the same as appeares by the said ffreemans

Lre to the plte Mr Husbands after his arrivall here agreed to Liber A. accept of the 700 Tob, principall debt and Vppon paymt thereof to deliver vpp the Bond to bee cancelled And that the plaintiffe had paid the said Tobacco accordingly But the deft being nowe ready to depart the Province with his Shipp (contrary to his Agreem^t and all equity & good conscience) refused to deliver vpp the said Bond. Wherevnto the def acknowledged hee had power from ffreeman to receive the said debt & discharge the same and produced his Lre of Attorney for that purpose whereby it appeared hee had power to compound and agree the debt as hee thought fitt But denved that hee agreed to accept of 700t Tob: in Caske in full discharge of the said Bond. Yet after other evasive allegacons at length confessed hee received 7001 of Tob: & Caske vpon the said Bond, but not in full: Herevppon the Complte alleadged hee could produce severall Witnesses to cleere the matter in question if the Court should thinke fitt. And John Sturman the pltes sonne nowe present in Court being therevnto required deposeth vppon his Oath as followeth, viz: That the defendt Mr Husbands since his last arrivall in this Province out of England did agree to accept of 700t of Tob: in Caske in full satisfaccon of the Bond in question, and about a fortnight or 3 weekes since at the Governors House the said deft did acknowledge hee had received the said 700t of Tob: & Caske or some part thereof, (the certainty whereof this depont cannot depose) and then asked this depon' to whom the said Bond did belong to him this depont or to the plaintiffe his ffather or words to that effect. To wen this depont answering it did belong to his said ffather. Therevppon the said Mr Husbands replyed, that this deponts ffather should have it or to that effect. And did not at that time demand any further satisfaccon vopon the said Bond.

Herevppon the defendant alleadged hee had some Witnes to bee examined on his behaulf in this Cause and desired time to pduce them, but in a wilfull contemptuous manner refused to deposite the Bond or Lre of Attorney in Court till further hearing, This Court therefore (vppon pysall of the said Lre of Attorney and Mr ffreemans Lre before menconed and vppon proofe already taken the plte likewise averring hee could if time would pmitt pduce divers other witnesses further to cleere the Cause on his part, and having some refleccon on the defts rigid pyerse carriage in the busines) is satisfied in conscience the said debt is satisfied according to Agreem' and that the said Bond ought to bee delivered vpp to bee cancelled before the defendants departure out of the Province being nowe vppon his departure hence And doth therefore Order that the said Bond bee vacated and that the defend shall deliver vpp the same to the Plaintiffe to bee cancelled.
