Born - Abt 1730 Alsace  
 Died - 8 Nov 1788  
 Bur. - Woodstock, Shenandoah, VA  
 Note - !AFN: 3F27-BV

!These records are as researched and found by Raymond Martin Bell of Washington, Pennsylvania dated 1987 and as shown in his booklet titled THE WOLFENSBERGER WOLFERSBERGER FAMILY, Switzerland, Alsce, and Pennsylvania and on file at the Family History Library, Salt Lake City, US/CAN 929273 A1 No. 541.0. Naturalized 13 Sept 1761.  
 In Apr 1992 a personal investigation was made by this writer in Shenandoah Co VA and found the following: Linda Varney, Pres of Shenandoah Historical Society and Karen G. Cooper the founding Pres of the same Society stated that it is their belief that the original Woodstock Cemetary is below where the court house and a church across the street have been built. A call was made for the descendants of those buried there to remove their remains. The descendants of John, Jr. had all moved and did not remove the remains of WOLFERSBERGERS that lay below these buildings.

A search of the cemetary records failed to show John, Jr. or his wife Hannah. The records of John, Jr and Hannah will probably have to stand as now written. There were several records of property that was owned by John, Jr. John, Jr purchased 2 lots in Woodstock, VA on 3 April 1769. He had moved from PA a short time before that date. All of his children were born in Lebanon Co, PA.

Born - Abt 1752 Lebanon, PA  
 Died - 1834

Bur. - Knox, TN

Note - !Records show Peter moved to Shenandoah Co VA in about 1768 then to Greenbriar Co, WV 1790, in Lee Co. VA 1806, to Knox Co, TN 1813. Pension R11770.

!Many of these records were as researched by Mrs. Heinz Braun, of Guthrie, OK, a descendant of John Jr, Peter, Jacob, Wilkerson, Nancy who married a Wolfenbarger cousin, Myrtle Wolfenbarger Braun (Mrs. Heinz Braun).

!BIRTH and many of these records are from the research by Raymond Martin Bell of Washington, Pennsylvania dated 1987 and as shown in his booklet titled THE WOLFENSBERGER WOLFERSBERGER FAMILY, Switzerland, Alsce, and Pennsylvania and on file at the Family History Library, Salt Lake City, US/CAN 929273 A1 No. 541.0.

!The information at hand shows Peter died in Knox Co, TN, however I have searched the burial records in Knox Co and nothing could be found of his death or burial there. Also nothing can be found of his burial in Grainger Co.

!The MUELLER (MILLER) Family.

!The MUELLER family was a Quaker family from Zweibrucken, Germany. Jacob, Christian, Philip, and Martin MUELLER immigrated to PA with their father Ulrich MUELLER. Ulrich was a burgher of Zweibrucken. Obviously, Ulrich married in Germany, but to whom is unknown. Sometimes the term "burgher" means a townsman and sometimes it means a member of the town council. It is not known which applies to Ulrich.

!The family stopped in York County, PA for a season. Two of the brothers settled permanently in PA. One moved to MD and Jacob moved to Shenandoah County, VA. Jacob came thru Packhorse Ford, just east of Shepardstown, which is now WV. He married Barbara---. It is not known when or where they married. In about 1752, which was shortly after moving to Shenandoah County, VA, Jacob received a grant from Lord FAIRFAX. Such a transaction was referred to as receiving a grant, but except as a reward for military service, the land was generally purchased. At that time, Lord FAIRFAX owned a great deal of what is now VA and, perhaps WV. This grant was for 400 acres on the Narrow Passage River near the border of Frederick and Augusta Counties, VA. In 1927, Dr. J L MILLER, (MUELLER having become MILLER over the years) had in his possession the original land grant document from Lord FAIRFAX. In addition to this grant, Jacob purchased from Joseph HELM 400 acres for 100 pounds and five shillings. During the next four years Jacob purchased another 400 acres and received another grant for 740 acres from Lord FAIRFAX. Thus he became owner of 1,540 acres of land. Evidently he was a farsighted man, as he took the land and

laid part of it into lots for the town of Muellerstadt. In 1772 the name of the town was changed to Woodstock, VA. Jacob leased his lots for from 20 shillings to 20 pounds. The lease holder was required to erect a building with either a stone or brick chimney to retain the lease. Jacob, Sr. and Barbara were parents of eight children : 1. Ulrich, 2. Jacob, Jr., 3. Barbara, 4. Susannah, 5. Christian, 6. Mary, 7. Martin and 8. Elizabeth.  
 !2. Jacob, Jr married and had five children: 2.1 Henry, 2.2 Joseph who married Anne MOORE 20 June 1789, 2.3 Susannah married Jacob HUFMAN 16 Nov 1786, 2.4 Rebecca who married Lenoir BRANSON 26 Aug 1784 and 2.5 Barbara who married Michael TREATON 29 Jan 1789. 3. Barbara married Abraham BRUBAKER. Abraham became proprietor of Woodstock after the death of his father-in-law, Jacob, Sr in 1766. 4. Susannah who married Peter WOLFENBARGER and they had 10 children. 5. Christian, b 1744, d 28 Apr 1836, married Catherine WEISMAN (1746-1837), 6. Mary, no other information. 7. Martin married Mary WOLFENBARGER, 24 March 1782. 8. Elizabeth married Benjamin WOLFENBARGER, April 1798. Susannah, Martin and Elizabeth all married WOLFENBARGERS who were brothers and sisters.  
 !This information on the MILLER family was written by Sue LESSENBERRY, 10286 W Cross Ave, Unit 207, Littleton, CO 80127, tele 303-972-4853. Sue obtained much of this information is from a document on the MILLER family by Dr. J L MILLER and published in the History of Early Virginia.

3 - Susan WOLFENBARGER - 793

Born - Abt 1775 Woodstock, Shenandoah, VA

Died - Abt 1877 Marion, TN

Note - !Married John BURNETT. See notes under John BURNETT for more information.

There is considerable question as to the date of Susan's birth. There is a record by Patricia Brown Hoffman of 4410 N W 5th Ave, Boca Raton, FL that I have that seems to be correct that shows that Susan was born about 1797 in VA and died about 1875 in Marion County, TN. The Bondsman for their marriage was John Acuff. The marriage was performed in Grainger County, TN. The record of their children are as shown in the document as provided by Patricia Hoffman. !AFN: 3F27-L8. There is a considerable difference in the reported record by Dr. Bell on this person. His record shows Susan born 12 Apr 1791 and married Adam Fuel then later married --- McKinley. There may be an error in this also as this Susan may not be the Susan that married John BURNETT.

John was buried in the Burnett Cemetary outside Whitwell in Marion County, TN, on East Valley Road above Powell's Cross Roads. The cemetary is now abandoned and the graves of John and Susan are marked only by a wooden cross. These records of the family of John BURNETT and Susan WOLFENBARGER are from the records of June Baldwin BORK of Apple Valley, CA, 1993.

Born - 12 Oct 1780 Shenandoah, VA

Died - Grainger, TN

Bur. - Grainger, TN

Note - !Joseph the third child and first son of Peter Wolfenbarger and Susanna MILLER (MULLER) was born near the present town of Woodstock, County of Shenandoah, Virginia, on 12 Oct 1780. When Joseph was 10 years old the family moved to Greenbriar Co W. VA where they lived until about 1807. He then moved to Lee Co VA.

!Joseph married Nancy HACKELROAD 5 March 1807. The record of Dr. Bell showed that Joseph's first marriage was to Nancy HANSON.

A record received 13 September 1993 from Shirley BAKER-SUTPHEN of Montrose, CO. that was from the bible of Joseph which

showed him having eleven children. I must believe this as the true record and that record is included herein. At this time an assumption is made that the children were born in Grainger, Co, TN. The records from the bible of Joseph is as follows: "Joseph Wolfenbarger was born Oct 12 in the year of our Lord 1780. Nancy Wolfenbarger was born Dec 12 in the year of our Lord 1789. Lieuvinah Wolfenbarger was born Dec 30th in the year of our Lord 1807. Mary Wolfenbarger was born Dec 9th in the year of our Lord 1809. Peter Wolfenbarger was born (partly torn) Feb 6th in the year of our Lord 1812.

!Tandy Wolfenbarger was born May 27 in the year of our Lord 1814.

Susannah Wolfenbarger was born Oct 7th in the year of our Lord 1816.

Katherine Wolfenbarger was born Dec 30th in the year of our Lord 1818.

Joseph Wolfenbarger was born Jan 27 in the year of our Lord 1820.

Robert Wolfenbarger was born Feb 6th in the year of our Lord 1820.

Lucinda Wolfenbarger was born Sept 28th in the year of our Lord 1825.

Philip (one l) Wolfenbarger was born Feb 15th in the year of our Lord 1828.

William W Wolfenbarger was born Jan 23rd in the year of our Lord 1830".

Joseph served in the War of 1812.

!These records are from a variety of sources. Census from TN. Documents as have been gathered and provided by several Genealogists including Mrs. Heinz BRAUN, of Guthrie, OK, Richard GUALT of Trenton, OH and from the bible of Joseph as owned by Samuel B HAMILTON, Jr, a descendant, who died about in the 1970s but as of this time can not be located. The bible record is copied as presented.

sp- Nancy HACKELROAD - 795 ( 88)

Born - 12 Dec 1789

Mar. - 5 Mar 1807 LEE, VA

Note - !Nancy was probably born in VA. They were married in Greenbrier County, WV, 5 March 1807 in accordance with the marriage records book 1-A page 161. This record shows the Minister for their marriage was Rev John PINNELL. (spelling of

PINNELL is questionable).

!It is believed that Joseph and Nancy left Greenbrier County, WV shortly after

their marriage and was in Lee County, Virginia until he went to Grainger County, TN, which was in about 1814. Census records show that he was in Lee County VA in 1810. Joseph, most likely, went with his father, Peter, and perhaps other brothers and sisters.

There was a BROCK reunion held in Neosho, MO on 5 Aug 1929 in which 20 or more of the WOLFENBARGER family

See Christina FREY for information on her ancestors. All of his children were born in or near Surry County, NC. After Christina died he moved to Highland County, OH, with his son Henry where he joined three other of his sons Joseph, Reuben and Phillip, who had already settled there.

!The history of this John SPARGER must be credited to Mr W M Creasy of Wilmington, Delaware and Mr J B SPARGER of Mt Airy, NC. Many others in later years have continued to collect data and update the information on the SPARGER - SPARGUR family. She died in about 1833 then he moved to Highland Co, OH in 1833 and died 17 Nov 1840. John III changed his surname to SPARGER in NC then changed it to SPARGUR in Ohio. It is believed that all their children were born under the name of SPARGER. His children that moved to Ohio also changed their names to SPARGUR. Christina was the daughter of Valentine FREY and Anna Maria Barbara BINCKELE, was born near Berne, Switzerland. She was born 4 March 1704. Valentine was the son of Peter FREY. Valentine FREY was born 9 May 1721 at Wingen, Alsace. Christina's maternal Grandfather had 23 children by two wives. Christina is buried in an old country grave yard, near Mt Airy, within sight of the old home adjoining the property of the SPARGER Orchard Company. Benjamin WOLFERSBERGER changed the spelling of his name to WOLFENBARGER while he lived in Greenbriar County.

The records at Wythe County, Virginia spell it WOLFENBARGER. Benjamin was the third child of John WOLFERSBERGER and Hanna SUMMER was born in about 1758 in Lebanon County, Pennsylvania. The children of John, Jr and Hanna were Peter; John, III; Frederick; Benjamin; Hannah; Philip; Mary; Joseph and Barbara. John, III moved to Mt Airy, NC where he changed his name to SPARGER. After raising his family and his wife died he moved to Highland County, Ohio where several of his sons had previously moved. There he changed his name to SPARGUR. Benjamin with his family moved to Shenandoah County, VA in 1770. In 1780 he moved to Greenbriar County, VA which is now WV. He married Catherine BROWN on 7 August 1780. It appears that Benjamin and Catherine had four children and they were all born in Greenbriar County.

It appears that Benjamin and his four children moved to Wythe County, VA in about 1797. He married Elizabeth MILLER 9 April 1798. Benjamin died and was buried in Wythe County and probably in a cemetery at Wytheville in 1812. However no record of his burial has been found.

Elizabeth MILLER was the sister of Susannah MILLER, the wife of Benjamin's brother Peter. She was the daughter of Jacob MUELLER (changed to MILLER) of Woodstock, Shenandoah County, VA. Jacob was an educated man, and when he died he left a great amount of money and property to his family in his will. Those mentioned in his will were Barbara, his wife; his children Ulrich; Jacob, Jr.; Barbara; Christian; Susannah; Mary and Martin. His last three children were born in Pennsylvania while the others were born in Zweibrucken, Germany. His will also mentioned George Decon, his male servant, and Elizabeth Smith, his female servant. Curiously there is no mention of his daughter Elizabeth. Perhaps his daughter Mary's middle name was Elizabeth or even Elizabeth, the wife of Benjamin might have been the female servant of Jacob MILLER.

The 1810 Virginia census showed Benjamin WOLFENBARGER as the head of a family in Wythe County. This census showed the following: one male over 45, one female over 45, one female 26-36, one female 16-26, two males 10-16, one female 10-16, one male and one female under 10. There was a letter from a Robert K. SHIRES or SHORES who lived in Virginia, to Uncle Samuel WOLFENBERGER, a son of Benjamin, that stated the following: "Mrs. Sarah RYLES, your sister, is in good health, and also my father and his family." This tells me that one of the unidentified female children of Benjamin had married a man by the name of RYLES and the name of the other unidentified females had married a man by the name of SHIRES or SHORES. This Samuel did a lot of letter writing to his relation in Virginia, but to this date the other letters have not been found.

The children of Benjamin and Catherine were Hannah, born about 1783; Elizabeth, born about 1785; an unidentified son and daughter born between 1786 and 1793.

The unidentified daughter was probably the one that married a Mr Ryles.

The children of Benjamin and Elizabeth were the female age 10-16 shown in the 1810 census and she was probably either Sarah or the one that married a Mr RYLES. Adam R. was born 1807-1809 and Samuel born 8 April 1804.

In one of Myrtle Wolfenbarger's documents she stated that Benjamin had five unidentified children that were not credited to him. She probably saw the 1810 census. The information on Adam R and his descendants were provided by Patricia JOHNSON of Oak Grove, Missouri. Benjamin's daughter Hanna married a FURROW. Her descendants are scattered throughout Texas and New Mexico. Adam moved to Missouri and many of his descendants are still there.

!Benjamin was appointed

Administrator of the estate of his father, John WOLFENBERGER (R 829) who died in Shenandoah County, VA in 1788. The estate was finally settled and reported

to the Court 7 July 1792. The real estate belonging to his father was finally sold on 29 Sept 1775 and bought by Benjamin for his brothers and sisters, he paying \$50 to each heir.

The records at the Court House show Benjamin died in 1812, and his estate was settled in November of that year. He was a wagon maker. The records in Wytheville, County seat of Wythe County, VA show that Elizabeth bought land there in 1817 and sold this land to Christopher BROWN 22 Feb 1827, and no further record has been found of the family in that area since that time.

Benjamin's son Samuel moved to Tennessee then to Missouri then settled in Bastrop County, Texas. He changed the spelling of his name from WOLFENBARGER to WOLFENBERGER.

Much of the information on these families has not been confirmed.

Also much of the information on some of his

Descendants has been provided by --.

Myrtle WOLFENBARGER BRAUN stated that she had information that Benjamin WOLFENBARGER, son of John WOLFERSBERGER Jr, had 5 children that were not shown on the records.

!It is only speculation at this time but this record is showing that the third child of Benjamin and Catherine BROWN is the James Samuel WOLFENBARGER born about 1789 in Greenbriar County, WV.

any other record or person. The wife of James Samuel, Mary Jane DALTON was

born in Grainger County, TN and they were married in Grainger County, TN.

The IGI has James middle name as Franklin, while other records show his middle name as Benjamin. Much of the information on these

families had not been confirmed and there are several conflicts as to

dates, places, parents and children. DO NOT accept these possible records on

James Samuel, James Franklin and William Franklin, and their families, as all

being verified, but only as a starting place for further research. James moved

This is from the book "Watterson Folks of Bastrop County, TX" by D. L. VEST of St. Mary's University.

Born - 8 Apr 1804 Wytheville, Wythe, VA

Bur. - Wolfenberger Cem, Bastrop, TX

Note - Samuel probably moved from Wythe County, VA in 1806 to Botetourt Co VA with his father Benjamin and mother Elizabeth. They probably moved again to Wythe Co VA since that is

where Benjamin died in 1812, when Samuel was 8 years old. When Samuel was 19, on 30 Oct 1823 to 6 Dec 1823 he worked at Woodstock, VA. Nine days later he was in Amsterdam, VA. 12 April 1824 he left Amsterdam and one year later in Sep 1826 he was in Hawkins County, TN. There he met Caroline FLESHEART and they were married 14 Dec 1827. One year later their first child, Thomas was, born. Another year, in 1830, later his second child, Elizabeth was born, in Marion County, MO. He traveled through Arkansas and Louisiana to Texas where settled in Bastrop, TX. A letter from Robert K Shires, dated 14 Aug 18xx (probably 1845), addressed to Uncle Samuel states, "Mrs Sarah RYLE, your sister, is in good health and also my father and his family". This states that Samuel had at least two sisters. Myrtle WOLFENBARGER BRAUN stated that she had five children that were not identified. Those being identified were Hannah and Elizabeth by Catherine Brown and Samuel by Elizabeth Miller. There is also evidence that he had a son Adam R. WOLFENBARGER. Samuel received a permit from the United Stated Government "----to pass wherever his lawful pursuits may call him---". This permit was issued in Marion County, MO, on 20 September 1831. Samuel was a colonist of S F AUSTIN and a member of Samuel M WILLIAMS colony. He was awarded a league of land No. 18 (4,444 acres), on 7 Oct 1844, west of the Colorado River on Walnut Creek. Samuel participated in the storming and capture of Bexar 5 to 10 Dec 1835, because on 4 Aug 1854 he was issued 640 acres of land for his action. He was in Company C of Col Robert COLEMAN'S Regiment of Rangers in 1836. He was active in many areas of the local government at Bastrop. All of his sons were to young to serve in the Civil War. His sons William and Pierce died young. One of these sons was acting as a sutler for the army. He was transporting a wagon load of supplies across a river in the winter when his team of oxen became mired in the icy waters. He cut the oxen loose from the wagon to save them and in so doing, got wet and chilled and died from pneumonia a few days later.

 Born - 1761 Lebanon, PA  
 Died - 1 Oct 1852 Beaver Twp, Pike, OH  
 Bur. - Pike, OH  
 Note - !Philip received R W pension No W6575. Moved to Greenbriar Co WVA 1789. Died in 1 Oct 1852 in Pike County, OH. Philip born in Lebanon Co, PA moved with his father, John, Jr and mother Hannah to Shenandoah Co, VA when Philip was about 6 years old. When Philip was 19 he joined the Capt Moore's Co of 5th Coof the Lancaster Co. Militia. He was granted a military pension in Gallia Co, OH in 1819, claim W. 6575. While a resident of Shenandoah Co, Va served with the VA Troops under Major Ridley for 18 months. He was in the battle of Cowpens and Guilifords Courthouse and reenlisted later as a private in Capt Hughes and Watts Co. of Continental Dragoons in battles at Eutaw Springs and skirmishes in Georgia. The record that these items are taken from was made by a very accomplished genealogist, however there is no date or other identifications as to its compiler. This record shows a total of 7 children by Philip, but there is no indication as to which of his two wives were their mother. By taking the dated of his two marriages, I am showing the first two as being the children of his first marriage. Also there evidently was another child, a female, that married Tom BARKEE and moved to Pusher Co, WV.
